RE: E-Learning

Graduation requirement:

The Parties acknowledge the Ministry of Education's intention and authority to establish a new graduation requirement for the cohort of students entering grade 9 in 2020-21, which would require high school students to complete two (2) mandatory E-Learning credit courses in order to graduate.

Overview:

Representatives of the Crown shall recommend to the Lieutenant Governor in Council that a regulation be made setting out a maximum average class size of 30:1 for E-Learning credit courses in the 2020-21 and 2021-22 school years. The Ministry of Education may recommend other regulations or requirements for E-Learning credit courses, and/or develop policies, protocols and procedures pertaining to E-Learning credit courses.

A regulation and/or Policy Program Memorandum (PPM) shall recognize parents'/guardians' right to exempt their child(ren) from the mandatory E-Learning program, and the right of students who have reached the age of 18 to exempt themselves. Exemptions to this requirement are intended to accommodate individual student learning needs, including students with special education needs and/or low credit accumulation, students who have issues with access to technology and reliable broadband connectivity, and newcomers to Ontario who enter secondary school after grade 9. Whether a student is exempted from one or both of the mandatory E-Learning credit courses shall ultimately be the decision of the parents/guardians or the student who has reached the age of 18, as applicable.

Implementation:

The process for determining whether a student is exempted will be guided by the following key parameters:

- i. Regulation and/or PPM to include a process for parental opt-out.
- ii. In the best interest of students who are entering grade 11 and/or 12, a meeting to discuss exemptions from the mandatory two (2) credit requirement can be initiated by:
 - a) a parent/guardian; or

RE: Hiring Practices

The Parties and the Crown have discussed the issue of hiring practices at the bargaining table. As the Parties were unable to reach a joint position and recommendation to the Crown with respect to potential amendments to O.Reg. 274/12 (Hiring Practices), OPSBA and OSSTF agree to withdraw their respective proposals. The Parties acknowledge that the withdrawal of their respective proposals does not commit the Crown to maintaining the status-quo. The Parties understand that the Minister has authority to make regulations governing hiring practices for teachers under the *Education Act*, R.S.O. 1990, c. E.2, subject to the approval of the Lieutenant Governor in Council, and therefore O.Reg. 274/12 has not been listed among the status quo items in the Memorandum of Understanding.

RE: OSSTF Employee Life and Health Trust (ELHT) Matters

1. Retirees

The Parties agree to meet and amend the OSSTF ELHT Agreement and Declaration of Trust (OSSTF ELHT Agreement) for the purpose of transitioning retirees currently in board-run benefits plans into a segregated plan administered by the OSSTF ELHT. The amendment to the OSSTF ELHT Agreement:

- i. Retiree Benefit Plan: The OSSTF ELHT shall deliver the active member plan design to eligible retired OSSTF represented employees (plus any supplemental benefits selected by the school board, as per paragraph ii).
- ii. Supplemental Benefits: School boards can request alterations to the plan design to meet their specific needs (limited to survivor coverage for health and dental benefits, out of country coverage, hearing aids, physiotherapy, and private duty

nursing) which exceed the OSSTF ELHT's benefits plan, subject to the coverage being available by the carrier. It is not the intent of the Parties to enhance the benefits coverage of the retirees. For example, life insurance is not to exceed the existing level of coverage. The school board shall be responsible for the costs of any such supplemental benefits, and for any reasonable administrative or other costs incurred by the Trustees to provide these supplemental benefits, less applicable retired employee premium shares.

- iii. Participation in the Retiree Plan: Boards can opt out of the OSSTF ELHT plan for retirees. It is understood that such opt out is irrevocable. Any school board wanting to move its retirees into a plan administered by the OSSTF ELHT shall sign a standard form participation agreement that is included in the amendment to the OSSTF ELHT Agreement.
- iv. Premiums: The plan administrator shall advise each school board of the per retiree premium cost on an annual basis. The plan administrator shall set an annual premium rate, based on an actuarial valuation. The OSSTF ELHT shall take reasonable steps to set premium rates that minimize the likelihood of an annual or a terminal deficit.
- v. Deficits: Any annual plan deficit shall be captured in the premiums charged to school boards and retirees in the subsequent benefit year. Any terminal deficit is the responsibility of all school boards that had retirees in the plan, based on a formula that includes the school board's time in the plan and retiree enrolment. Each school board shall be required to address the terminal deficit within 120 days following the date they are informed of their terminal deficit. This shall be calculated once the final retiree leaves the plan allowing for the claims run off period.
- vi. School Board Liability: School boards maintain any liability resulting from any issues arising as a result of retirees being transferred to the OSSTF ELHT benefits plan for retirees. For clarity, once all relevant information (as defined in Schedule A) has been provided to the ELHT and the transition is completed, the school board is not liable for any subsequent decisions by the ELHT.

The Parties shall meet within thirty (30) days of ratification of central terms to discuss the amendment to the OSSTF ELHT Agreement as described above and timelines for the transition.

If by June 30, 2020 the Parties are unable to resolve all disputes concerning the amendment to the OSSTF ELHT Agreement and the standard form participation agreement, the Parties agree to refer the matter to arbitration with a mutually agreed upon arbitrator. The arbitrator shall determine any outstanding disputes based on the terms of this Memorandum of Understanding. The Parties agree that any arbitration on outstanding disputes shall be scheduled expeditiously.

Schedule A – Retiree Data

Each applicable School Board shall provide the following information relating to eligible retired OSSTF represented employees. The information provided shall be based on the best data available to the board: This information is to be provided to the OSSTF ELHT, or to the Benefits plan administrator as directed by the ELHT:

A. Retiree Demographic Information:

- i. Names
- ii. Date of hire
- iii. School board
- iv. Retirement effective date
- v. Retiree benefit end date
- vi. Date of birth
- vii. Gender
- viii. Contact information (mailing address, email address, and phone number)

B. Existing Benefit Coverage for Health and Dental Plans:

- i. Dependent coverage (single/couple/family)
- ii. Dependent demographic information
- iii. Carrier policy number
- iv. Retiree paid premium
- v. Employer paid premium
- vi. Benefit history per industry standards

C. Existing Life Coverage:

- i. Beneficiary
- ii. Insurance volume - Retiree paid
- iii. Insurance volume - Employer paid

2. Structural Review

The Parties also agree to amend the OSSTF ELHT Agreement as follows:

- Under section 11.3, the requirement for the OSSTF ELHT to complete the Request for Proposal of the administrative agent by August 31, 2021 shall now be completed by June 30, 2024.
- A new requirement for the OSSTF ELHT to complete a structural review of the ELHT plan administrator by June 30, 2021 and shall provide a report of the review to the Parties.

The details on the process of the review and the content of the report shall be discussed between OSSTF, OPSBA and the Crown.

3. Surplus/Reserves

All surpluses and reserves remaining in board-owned defined benefit and board-owned defined contribution plans as a result of the transfer of benefit plans to the OSSTF ELHT shall be allocated between the school board and the employees. The employees' share is to be transferred to the applicable ELHT 90 days after all Teachers' Federations, Central Employee Workers' unions or council of unions, and other employee groups have signed their respective Agreement on Central Terms or other agreements with this process.

- A. For policies where employee groups were tracked separately:
 - i. The share of the total surpluses and reserves to be transferred to the OSSTF ELHT teachers' separate account is the total OSSTF Teachers' surpluses and reserves multiplied by an amount equal to OSSTF represented teachers' employees' pro rata share of employee premiums based on the employees' co-share payment (including chargebacks for employee premiums) of benefits as reported by school boards to the ministry for the 2014-15 school year.
- B. For policies where multiple employee groups were pooled together:
 - i. The total surpluses and reserves shall be allocated to each employee group based on the total paid premiums or claims costs of each group based on information provided to the ministry for the 2014-15 school year.
 - ii. The share of the total surpluses and reserves to be transferred to the OSSTF ELHT Teachers' separate account is the total OSSTF teachers' surpluses and reserves (calculated in B.i) above) multiplied by an amount equal to OSSTF represented teachers' pro rata share of employee premiums based on the employees' co-share payment (including chargebacks for employee premiums) of benefits as reported by school boards to the ministry for the 2014-15 school year.

- C. For policies where employee groups were tracked separately and pooled together:
- i. Separately tracked surpluses and reserves are to be subtracted from the total surpluses and reserves. The share of the separately tracked surpluses and reserves is to be transferred to the OSSTF ELHT Teachers' separate account as per the process described in section A above.
 - ii. The remaining surpluses and reserves are then distributed based on the process described in section B above.

The total surpluses and reserves amount to be allocated in sections A, B and C, shall be based on the school board's final surplus balance as reported by the boards' insurance carriers or, in the case of board-owned defined contribution plans, the boards' financial systems.

All school board reserves for Incurred But Not Reported ("IBNR") claims and claims fluctuation reserve (CFR) shall remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts. Once released, those reserves shall form part of the surplus available for distribution.

School boards with deficits shall recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR shall be the responsibility of the school board.

The school boards shall not make any withdrawal, of any monies, from any health care benefit plan reserve, surplus and/or deposit until direction by the ministry on the distribution of surpluses/reserves to the OSSTF ELHT is provided to school boards.

Upon receipt by the OSSTF ELHT of all surplus amounts indicated in A, B, and C of this Memorandum of Understanding, OSSTF agrees to withdraw all central and local grievances related to eligible and available surpluses remaining in board-owned defined benefit and board-owned defined contribution plans.

In the case of a dispute regarding surplus amounts, such dispute shall be forwarded to the Central Dispute Resolution committee.

Supplemental Employment Benefits (SEB)

The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the school year and during a period for which the permanent teacher would normally be paid. The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay.
- h) Long Term Occasional Teachers and those on term assignments are eligible for the SEB Plan with the length of the Benefit limited by the term of the assignment.

C9.0 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or

return to work from any leave of other than sick leave, WSB or LTD.

- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over the period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1 (b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-Up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.

- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick Leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and

disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.

- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A Board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.

LETTER OF AGREEMENT #4

BETWEEN

The Ontario Public School Boards' Association

(hereinafter called 'OPSBA')

AND

The Ontario Secondary School Teachers' Federation

(hereinafter called the 'OSSTF')

AND

The Crown

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit

plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the “Participation Date”.

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer

representatives will be responsible for the appointment and termination of the employer Trustees.

2.1.2 The appointed independent experts will:

- a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
- b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
- c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.

2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.

2.1.4 All voting requires a simple majority to carry.

2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:

3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union

groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust's financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.

3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.

3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.

3.1.4 No individuals who retire after the Board participation date are eligible.

3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.

3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.

3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

4.1.1 The Government of Ontario will provide:

- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR").

- b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.

- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.

4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:

- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
- b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.

- ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4%

for 2015-16 and 4% for 2016- 17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:

i) there is an in-year deficit,

ii) that the deficit described in i) is not related to plan design changes,

iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums, then the in-year deficit in i) would be paid by the board associated with the deficit.

- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will

remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.

- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.

- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:

- a. Validation of the sustainability of the respective Plan Design;
- b. Establishing member contribution or premium requirements, and member deductibles;
- c. Identifying efficiencies that can be achieved;
- d. Adopting an Investment Policy; and
- e. Adopting a Funding Policy.

- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

- 5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan

renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

- 5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.
- 5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.
- 5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6

BETWEEN

The Ontario Public School Boards' Association

(hereinafter called 'OPSBA')

AND

The Ontario Secondary School Teachers' Federation

(hereinafter called the 'OSSTF')

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay

will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.

- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STDLP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.

- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph l). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
2. A SEB plan with existing superior entitlements;
3. The following language applies only to those teachers eligible for the gratuity above:

- 34.10.01 Upon superannuating on a bona fide Ontario Teachers' Pension Plan pension from employment with the Superior-Greenstone District School Board, subsequent to five years continuous service with the Board, the teacher shall receive a retirement gratuity, providing one year's notice is given of the intent to retire. Calculation:

$$\begin{array}{rcl} 12 \text{ years} & - & 20\% \\ 20\% \text{ of } 180 \text{ days} & - & 36 \text{ days} \\ \text{Daily rate of pay} & - & \frac{70,660}{200} = \$353. \end{array}$$

Amount of Retirement Gratuity = 36 days X \$353.
= \$12,718.
(subject to usual deductions of income tax, etc.)

In the event of the death of a teacher while employed by the Board, any retirement gratuity payable will be paid to the teacher's estate or assigned beneficiary.

Any teacher accepting this gratuity forfeits all of his/her accumulated sick leave credits as per the following example:

Applicable provisions of Board Salary Agreement:

- retirement gratuity is 6%, of accumulated sick leave after five years service

The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay.
- h) Long Term Occasional Teachers and those on term assignments are eligible for the SEB plan with the length of the benefit limited by the term of the assignment.
- i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- j) The teacher must provide the Board with proof that he/she has applied for and is in receipt of employment insurance benefits in accordance with the *Employment Insurance Act*, as amended, before SEB is payable.

C 9.00 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

- a) Sick Leave Benefit Plan
The Sick Leave Benefit Plan will provide sick leave days and short-term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.
- b) Sick Leave Days
Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

- e) Short-Term Leave and Disability Plan Top-up
 - i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
 - ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
 - iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
 - iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
 - v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.
- f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
 - ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
 - iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.
- g) Administration
 - i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
 - ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
 - iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
 - iv. At no time shall the employer or any of its agents contact the medical practitioner directly.

- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.
 - i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.
- d) Teachers will be consulted, where possible, if a student's grade/mark/comment is changed.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French;
and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan

that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement ("OSSTF represented employees") and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust's financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.

- 3.1.4 No individuals who retire after the Board participation date are eligible.
- 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
- 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
 - a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR").
 - b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:

- a. If available, the paid premiums or contributions or claims costs of each group;
or
- b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.

4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:

- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
- b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the

Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:

- i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums, then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.

5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.

5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the

Trust, including:

- a. Validation of the sustainability of the respective Plan Design;
- b. Establishing member contribution or premium requirements, and member deductibles;
- c. Identifying efficiencies that can be achieved;
- d. Adopting an Investment Policy; and
- e. Adopting a Funding Policy.

5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

AND

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.

- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

- 1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
- 3. A SEB plan with existing superior entitlements;
- 3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.

- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR").
 - b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
- a. If available, the paid premiums or contributions or claims costs of each group;
or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.
- Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.
- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.

4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
 - c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
 - d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
 - e. An amount of \$300 per FTE, in addition to (d) will be provided.
 - f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
 - g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums, then the in-year deficit in i) would be paid by the board associated with the deficit.
 - h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
 - i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
 - j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.

- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.

5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.

5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:

- a. Validation of the sustainability of the respective Plan Design;
- b. Establishing member contribution or premium requirements, and member deductibles;
- c. Identifying efficiencies that can be achieved;
- d. Adopting an Investment Policy; and
- e. Adopting a Funding Policy.

5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.

- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;

3. A SEB plan with existing superior entitlements;

3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

After the two composite postings in June, the Members who remain surplus will be relocated. The surplus Member with the greatest amount of seniority will be relocated to the first location on their ranked list that has a vacancy.

A Member may be declared partially surplus to a school, but will not be declared surplus for more FTE

than necessary based on the Board's staffing allocations for that school as presented to the Bargaining Unit on May 31.

Except where there is mutual agreement, a surplus Member's sections will be placed at only one school in a semester.

This process will continue until all Members who have been declared surplus to their work locations have been placed.

13.02.08.02

By June 25th, the Board shall contact the Members who remain surplus to schools and indicate their new school placements.

13.02.08.03

As positions become vacant and until the last day in February, surplus-to-school Members who have been placed, partially or fully, in positions at different schools through the surplus placement process or the composite posting, shall be offered the opportunity of returning to the schools from which they were declared surplus.

In descending order of seniority (from most senior to least senior), the Principal will offer positions to Members with qualifications, or to unqualified Members where the Board is prepared to extend mutual consent, pursuant to *Regulation 298*.

The Principal's consideration will include student safety, specialization of curriculum, and previous teaching experience when determining whether to offer the position to a Member who does not hold the required qualifications.

Where consent was previously granted to the Member by a Principal for a particular course(s) for which they are unqualified, the Member successfully taught the course(s), and the circumstances have not changed, the Principal will again grant mutual consent.

Upon request, the Principal shall provide the unsuccessful candidate(s) with an explanation, in writing, regarding why they were unsuccessful.

13.02.08.03.01

The right of return pursuant to 13.02.08.03 shall be offered by an email to all Members with a right of return to the particular school.

Only Members who respond within 24 hours will be considered under 13.02.08.03.

When responding, Members shall provide the Staffing Supervisor with their OCT qualifications and, if unqualified for all or part of the position, their related teaching experience, and any other relevant information which they wish to have considered.

13.02.08.03.02

Until the last day in February, Members will continue to be offered available sections in their schools in accordance with 13.02.08.03 until they have accepted through the right-of-return process, the recall process, and the posting process, an equivalent number of sections to which they were declared surplus.

13.02.09

All written notices issued to Members under this Article shall be copied to the Bargaining Unit President at the same time.

13.02.10

Dates outlined in this article may be changed by mutual agreement of the parties to the agreement.

14.02.01

Prior to the end of February, available positions will be offered to those on recall in the following manner:

- 3) Starting with the most senior Member, the Board will consider the Member's assignment, to the maximum of the number of sections to which they remain redundant, pursuant to 14.02.
- 4) Written notice of assignment will be issued via email.

When the Members on approved leaves of absence return to their positions, the assigned Members shall return to the recall list until subsequent positions become available.

Members assigned to long-term occasional positions retain recall rights to permanent vacancies as provided in article 14.02.

14.04

There shall be no loss of FTE entitlement for Members who have been recalled to a portion of their FTE entitlement and who subsequently accept a recall position with a greater FTE.

14.05

Until the end of February, a Member has the right to refuse a recall offer by the Board without prejudice to the Member's recall rights. The Board shall provide written confirmation of the offer and acceptance of the position to the Member and to the Bargaining Unit President.

14.05.01

After the end of February:

At least 98% of the staff generated in 23.01.01 will be assigned to secondary schools no later than September 1.

23.02

Based on October 31 actual enrolment and March 31 adjusted projected enrolment, this adjusted March 31 enrolment projection will be revised to reflect the October 31 actuals. 99% of generated staffing will be assigned to the secondary schools and sites by the midterm date of semester one. The remaining 1% shall be allocated by the end of the first week of semester two.

23.03

Subject to the *Education Act* and Statutes and Regulations of the Province of Ontario, only certified members of the College of Teachers, in good standing, employed by the Board in accordance with this Collective Agreement shall be assigned to teach secondary pupils.

23.04

The total FTE staff allocation for each school year will be determined using the projected average daily enrolment and the average credits per student required to provide for an average class size of all secondary school classes, in the aggregate, as consistent with regulations with a maximum teacher workload of 6 teaching periods and professional duties, and resources available for special education programs and services to maximize learning opportunities for all students.

24.01.01

A Member who does not hold the OCT qualifications required to teach their assigned timetable can choose to grant or withhold mutual consent to the assignment. The application of this clause shall not impact the Member's FTE status.

24.02

Under certain specific circumstances, a student may be considered for admission to a class that is currently at its maximum class size if the student requires the credit for graduation, the student requires the course for diploma completion, or the student requires the credit for specific, justifiable career goals. In the event of such a situation, the admission of the student will be referred to the District Secondary Staffing and Labour Relations Committee.

24.02.01

The first stage shall be to submit a written grievance with the Human Resources Department, who shall answer the grievance in writing within five (5) days after receipt of the grievance. The Bargaining Unit may agree to extend the timeline for this step up to five (5) days. Any extension shall be recorded, signed and dated by the Human Resources Department and the Bargaining Unit Grievance Officer or designate.

The grievance shall contain:

- i. a description of how the alleged dispute is a violation of the Agreement; and

25.06

Grievance Mediation

At any stage in the grievance procedure, the parties by mutual consent in writing may elect to resolve the grievance by using grievance mediation. The parties shall agree on the individual to be the Mediator and the timeframe in which a resolution is to be reached.

25.06.01

The timelines outlined in the grievance procedure shall be frozen at the time that the parties mutually agree in writing to use the grievance mediation procedure. Upon written notification of either party to the other party indicating that the grievance mediation is terminated, the timelines in the grievance shall continue from the point at which they were frozen.

25.07

Arbitration

- a) The party desiring arbitration shall notify the other party in writing of its desire to submit the difference or allegation to arbitration. The grievance shall be submitted to a mutually agreed upon single arbitrator. Should the Parties fail to agree upon an Arbitrator within five (5) days of receipt of the written notification of desire to move to arbitration, the appointment shall be made by the Ministry of Labour upon the request of either party.
- b) Notwithstanding, either party may request a grievance be submitted to an arbitration board. If the parties are referring the grievance to an arbitration board the notice shall contain the name of the first party's appointee to an Arbitration Board. The recipient of the notice shall within five (5) days, inform the other party of the name of its appointee to the Arbitration Board. Where two appointees are so selected, they shall, within five (5) days of the appointment of the second of them, appoint a third person who shall be the Chairperson. 25.07.02

The Arbitrator or Arbitration Board, as the case may be, shall not by their or its decision, add to, delete from, modify or otherwise amend the provisions of this Agreement.

25.07.03

No person shall be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle a grievance under the provisions of Article 25.

The Fees for a single Arbitrator, or a Chairperson of a Board of Arbitration, shall be shared equally by the parties.

25.09

There shall be no reprisals of any kind taken against any Member because of participation in the grievance or arbitration procedures in this Agreement.

25.10

Should the investigation or processing of a grievance require that an involved Member or Bargaining Unit representative be released from regular duties, the Member shall be released without loss of salary or benefits.

25.11

Nothing in this procedure shall be deemed to preclude the individual's right to seek redress in law.

ARTICLE 26 – TERMINATION OF EMPLOYMENT

26.01

Both parties request that employees provide a letter of resignation at least 45 days (May 15) prior to resigning effective June 30 and at least 30 days' notice for other times during the school year. This facilitates planning and minimizes the redundancy impact on newer Members.

26.02

A newly-hired teacher shall serve a probationary period of one year with an extension of the period for absences exceeding twenty (20) teaching days in that year.

26.03

Nothing herein prevents an employee and the employer from mutually agreeing to the employee's resignation at any time.

The Board agrees to pay all reasonable expenses of a Member requested by a Superintendent to attend any course approved by the Director of Education.

Where possible, e-learning courses will only be assigned to those Members who have expressed an interest.

28.06

Members assigned to teach e-learning courses shall be subject to the workload provisions set out in Article 24 of this Collective Agreement.

28.07

Members teaching e-learning courses shall communicate electronically with students only through a Board server.

ARTICLE 29 – TEACHER PERFORMANCE APPRAISAL

29.01

Evaluations will be in accordance with *Regulation 99/02* of the *Education Act*. Performance Appraisal applies to all Members of the Bargaining Unit except Continuing Education Teachers.

29.02

Where the *Education Act* and its regulations provide the School Board the power to establish policies and rules relating to performance appraisal, the School Board shall establish policies and rules only after consultation with the Bargaining Unit.

29.03

When a Member receives a performance appraisal which was rated “unsatisfactory” or “development needed,” the Board shall provide notice of this appraisal rating to the Bargaining Unit President within ten (10) days of the Member having received this rating in writing.

29.04

Notwithstanding time limits for filing a grievance in the provisions of this Collective Agreement, OSSTF has the right to grieve any aspect of the performance appraisal procedure following placement on “review status” of a teacher.

29.06

A Member shall be given at least 48 hours written notice before performance appraisal classroom observation.

The purpose of this committee is to review experience data and undertake a financial review of operating benefit plans. Such meetings shall also be used to determine any additional information or duties which may be required for the ongoing maintenance and operation of the benefit plans in place at that time.

LETTER OF AGREEMENT: Re: Class Sizes and Student Access

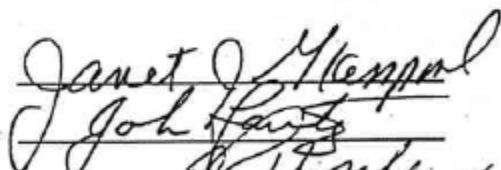

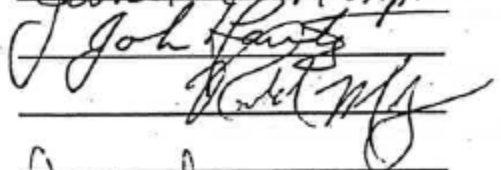

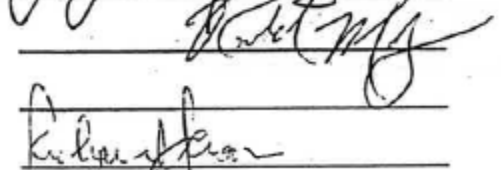

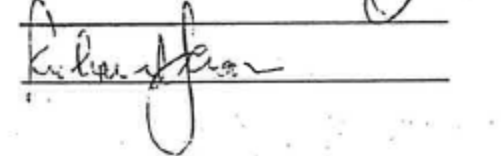

LETTER OF AGREEMENT

Re: Class Sizes and Student Access

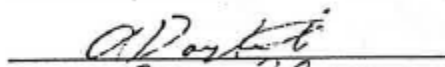

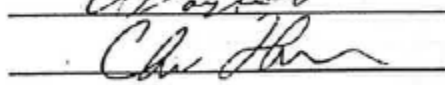

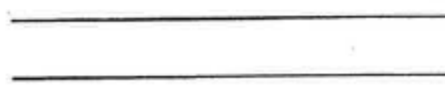

Both parties agree that it is in the best interest of a positive learning environment to have reasonable limits placed on individual classroom enrolment. It is also recognized that specific circumstances may arise in which class limits would unreasonably restrict an individual student's access to a credit course. If a situation arises in which an individual student requires admission to a course for diploma completion, graduation or particular career goals, such a situation can be appealed to the district staffing committee for consideration. Every effort will be made by both parties to balance the principle of limited classroom enrolment with the needs of the individual student and to resolve the situation in the best interests of all concerned.

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be

provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.

- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work parttime their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.

- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.
 - i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.
- d) Teachers will be consulted, where possible, if a student's grade/mark/comment is changed.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement ("OSSTF represented employees") and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust's financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and

navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

4.1.1 The Government of Ontario will provide:

- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR").
- b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
- c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
- d. The Trust shall retain rights to the data and the copy of the software systems.

4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.

4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.

4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.

4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.

4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:

- a. If available, the paid premiums or contributions or claims costs of each group; or
- b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:

- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
- b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit, ii) that the deficit described in i) is not related to plan design changes, iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums, then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;
 - c. Identifying efficiencies that can be achieved;
 - d. Adopting an Investment Policy; and
 - e. Adopting a Funding Policy.
- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:
 - a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
 - b. Fund claims stabilization or other reserves;
 - c. Improve plan design;
 - d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
 - e. Reduce member premium share.
- 5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:
 - a. Use of existing claims stabilization funds;
 - b. Increased member share premium;
 - c. Change plan design;
 - d. Cost containment tools;
 - e. Reduced plan eligibility; and
 - f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

- 5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an

annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

- 5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.
- 5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

- 6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

BETWEEN
The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')
AND
The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS
Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.

- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. **Workplace Safety Insurance Benefits (WSIB) Top Up Benefits**

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement

did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.

- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

"Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:"
[insert current Retirement Gratuity language from local collective agreement]

The teacher shall confirm the date of return or submit a request for an extension of the leave stating the reason(s) for the request four months prior to the date of return. An extension of a leave may be granted provided the teacher's request for such an extension complies with the

appropriate deadlines. If a request for an extension of a leave is not received, the teacher shall be expected to return to active employment with the Board for the following school year. In either case, the deadline for application may be waived for an individual teacher at the discretion of the Director or designate

(3) Part-Time Leaves

Requests for part-time leaves of absence to teach a reduced timetable for the next school year shall be granted to teachers as outlined in (1). The granting of leaves with specific timetabling requests will be at the discretion of the Director or designate. Article 20 shall apply to teachers on a part-time leave with a reduced timetable in the same manner as for part-time teachers.

(4) Short-Term Leaves of Absence

Leaves of absence without pay for less than a full year or less than a full semester may be granted by the Director or designate. Teachers should submit their request as far in advance of the request date(s) as possible, allowing sufficient time for a response.

- (b) Subject to Article 17, at the conclusion of the leave of absence, the teacher will be returned to the same school in which the teacher was most recently employed and to the previously held position if the position still exists. The teacher shall be entitled to full credit for teaching experience for seniority purposes with the Board within the meaning of Article 17 during the period of such leave. Subject to Article 13.01 (i), the teacher will not be entitled to have any sick leave credits placed to the teacher's credit during the term of the leave of absence, nor will the teacher be entitled to any benefits under the Sick Leave Plan. There shall be no loss of sick leave credits previously accrued. The term of the leave of absence shall not count as teaching experience for salary grid purposes.

The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
 - (b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
 - (c) Teachers hired in a term position shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

 - (g) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
 - (h) If a teacher begins pregnancy leave while on an approved leave from the Board, the above maternity benefits provisions apply.
 - (i) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
 - (j) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.
 - (k) (i) For all pregnancy leaves the Board shall pay the teacher one (1) week of regular pay during the one (1) week waiting period prior to the receipt of Employment Insurance payments. Such payment shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the first Employment Insurance payment has been made.
(ii) For a teacher on statutory pregnancy leave where there is not a one (1) week waiting period prior to the receipt of Employment Insurance payments the teacher will receive a top-up payment which, when added to the Employment Insurance benefit, shall be equal to 100% of the employee's regular rate of pay for the first week of leave. Such payments shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the first Employment Insurance payment has been made. The top-up payment shall be based on the employee's regular rate of pay in effect on the date of commencement of the leave.

- (iii) For pregnancy leaves, the Board shall pay a “top-up” payment following the waiting period or, when the waiting period occurs before the birth of the child, immediately following the birth of the child. Such payment which when added to the Employment Insurance benefits shall be equal to 100% of the teacher’s regular pay for the next seven (7) weeks of the leave. No sick leave credits shall be deducted as a result of payments above.

- (iv) If not eligible for Employment Insurance, or if the teacher so chooses, the teacher shall be entitled to sick leave during the instructional year for the first six (6) weeks from the date of delivery if the teacher has sufficient sick leave to her credit in lieu of (iii) above.
- (v) Should a delivery or pregnancy related medical issue develop during the specified period of time in (i), (ii), (iii) or (iv) above, the teacher may be eligible for further sick leave. It is understood that time on sick leave in these circumstances counts as time for the purposes of Sick Leave.
- (vi) For teachers on statutory pregnancy leave who continue on a statutory parental leave, following the 52nd consecutive week of the combined leaves, the Board will pay the equivalent of one (1) week of the member’s Employment Insurance amount at the standard parental leave Employment Insurance benefit rate.

Such payment shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the Employment Insurance payment has been made for the 51st week.

- (3) (a) For all statutory parental leaves, except where the employee has been in receipt of a pregnancy leave in respect of the birth of the same child, where the teacher has a one (1) week waiting period for Employment Insurance, the Board shall pay the teacher one (1) week of regular pay during the one (1) week waiting period prior to the receipt of Employment Insurance payments. For the second week of the leave, a top-up payment shall be made which, when added to the Employment Insurance benefit, shall be equal to 100% of the employee’s regular rate of pay for one week except that the Board shall not be required to calculate the top-up rate based on an Employment Insurance benefit rate less than the standard parental leave Employment Insurance benefit rate.

Such payments shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the first Employment Insurance payment has been made.

Following the 37th week of the statutory parental leave, the Board will pay the equivalent of one (1) week of the teacher’s Employment Insurance amount which shall be calculated on an Employment Insurance rate that is not less than the standard parental leave rate.

Such payments shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the Employment Insurance payment has been made for the 36th week of leave.

- (b) For a teacher on statutory parental leave, except where the teacher has been in receipt of a pregnancy leave in respect of the birth of the same child, where

there is not a two (2) week waiting period prior to the receipt of Employment Insurance payments the teacher will receive a top-up payment which, when added to the Employment Insurance benefit, shall be equal to 100% of the employee's regular rate of pay for the first two (2) weeks of leave except that the Board shall not be required to calculate the top-up on an Employment Insurance rate less than the standard parental leave Employment Insurance benefit rate. Such payments shall be made as soon as possible after the teacher submits proof of the Employment Insurance amount that the teacher is eligible for and proof that the first Employment Insurance payment has been made. The top-up payment shall be based on the employee's regular rate of pay in effect on the date of commencement of the leave.

- (4) The Board's normal contributions to the premiums of the benefit plans as described in Article 12 shall be continued during the statutory leave but this continued Board contribution shall not exceed the statutory period.
- (5) Statutory leave shall count as teaching experience for salary grid placement purposes.
- (6) Upon return to duty and subject to Article 17, the teacher will be returned to the same school in which the teacher was most recently employed and to the previously held position if the position still exists. The teacher shall be entitled to any change in salary scales made effective during the period of absence. The teacher shall suffer no loss of seniority or other benefits as a result of the statutory leave.
- (7) Any teacher who commences a statutory leave shall receive all wages or salaries owing prior to the commencement of the leave, whenever administratively possible.
- (8) A teacher shall be granted a statutory leave during the teacher's first 13 weeks of employment with the Board.
- (e) **Paternity Leave**
Leave of absence without loss of pay occasioned by and around the time of birth or adoption of a child shall be granted to the partner. Such leave shall be for a total of not more than three (3) days.
- (f) **Non-Statutory Parental Leave**
Upon request a teacher shall be granted up to three (3) years of non-statutory parental leave immediately following the end of the statutory parental leave. The terms of such leave shall be in accordance with 13.07 (b) under Leaves of Absence Without Pay.

13.09 Teacher Funded Leave Plan

- (a) The Board agrees to make leaves of absence available to enable teachers to participate in a plan whereby n years (or half years) of earned pay will be distributed over n + 1 consecutive years (or half years). Where a half year leave is requested, such request must be for the first half or the second half of a school year.

Teacher funded leaves will be in accordance with the *Income Tax Act*, the Regulations thereunder, any applicable Revenue Canada rulings or legislation, *Teacher's Pension Act* requirements and any other legislation governing deferred salary leave plans.

The period of salary deferral shall not exceed six (6) years. The leave period will be taken at the end of the salary deferral period.

- (b) The teacher will be required to return to the employ of the Board for at least a period that is not less than the period of the teacher's leave of absence, after completion of the plan, unless the plan is cancelled prior to the year of leave.

- (c) Written application for participation in the plan shall be submitted to the Director or designate no later than April 15 preceding the school year in which the teacher wishes to begin the plan.

Written acceptance or rejection with reason(s) by the Director or designate shall be given to the teacher no later than May 30, in the year application is made. Such reasons for denial may include, but are in no way limited to, a situation where, in the opinion of the Director or designate, the program of the school or the system would be detrimentally affected by the leave.

A standard written agreement between the Board and the teacher shall be completed by June 25.

- (d) The teacher shall have the right to request withdrawal from the plan in cases of financial or other hardship, as deemed acceptable under the governing legislation, up to March 1 immediately preceding the school year in which the leave is to be taken. Such request is subject to the approval of the Director or designate. However, in exceptional circumstances and with the approval of the Director or designate, a teacher may withdraw from the plan after March 1.
- (e) During the period of the leave, there shall be no sick leave coverage or accumulation. For leaves of one full school year, the teacher shall be responsible for the full premium costs for the period of absence in order to maintain participation and coverage under the group benefit plans. For leaves of less than one school year, the Board's share of benefits will be in accordance with Article 20.04. The arrangement for benefits must be made prior to the commencement of leave and will govern the full period of the leave. In any event, benefits will be reinstated when the teacher returns from leave at the same levels held by the teacher prior to commencement of leave.

The parties recognize that the legislative requirements for payroll deductions, such as income tax, Teachers' Pension Plan, employment insurance and Canada Pension, shall be applied in accordance with the Acts and Regulations in effect at the time. It is the teacher's responsibility to make contributions that are optional. Neither the Board nor the Bargaining Unit assumes responsibility for any consequences arising out of the implementation of the Teacher Funded Leave Plan related to its effect on Teachers' Pension Plan provisions, income tax implications, employment insurance and the Canada Pension Plan. Notwithstanding the above, the Board shall make the normal deductions and remittances for these programs.

- (f) Should a teacher withdraw from the plan according to section (d), or should a teacher die or resign from the employ of the Board prior to taking the leave, or should a teacher be declared redundant and actually be placed in a redundant position prior to taking leave, the Board shall pay to the teacher or the teacher's estate or beneficiary, the withheld salary and applicable allowance money together with interest accrued in the trust account. Such payments shall be made within thirty (30) days of the Board receiving official notice of the above.
- (g) A teacher enrolled in the plan shall continue to accumulate seniority during the period of the leave.
- (h) A teacher enrolled in the plan shall not receive teaching experience credit for the period of the leave for the purpose of salary increment.
- (i) Subject to Article 17, at the conclusion of the leave of absence, the teacher will be returned to the same school in which the teacher was most recently employed and to the previously held position if the position still exists.
- (j) Teachers enrolled in the plan are subject to all the provisions of the Collective Agreement in the same manner as if they were not enrolled in the plan.

- (k) In each year (or half year) of membership in the plan preceding the year (or half year) of the leave, the appropriate proportion of salary and allowances will be retained by the Board and held in trust for the teacher to be paid out during the period of the leave. Interest earned on the deferred salary shall be consistent with the Board's usual financial practices. Such interest shall be held in the trust account for the teacher and will be paid to the teacher during the leave period with the deferred salary and allowances.

During the period of the leave, the Board shall pay the teacher the accumulated monies held in trust for the teacher in either,

- (1) instalments conforming to the regular pay periods and in the proportional amounts set forth in Article 10 for the period of leave, or
 - (2) one or two lump sums, if requested by the teacher in special, extenuating circumstances.
- (l) A leave period may be deferred for compelling personal reasons, at the request of the teacher and with the approval of the Board. Such request for deferral must be given in writing to the Director or designate by March 1 preceding the school year in which the leave was first scheduled to occur.

In the event that a suitable replacement is not available for a teacher who has been granted a leave, the Board may defer the period of leave. Notice of such deferral shall be given in writing by March 1 by the Director or designate preceding the school year in which the leave was first scheduled to occur. In this instance, a teacher may choose to remain in the Plan or may withdraw and receive any monies and interest accumulated to the date of withdrawal. In the latter case, repayment shall be made within thirty (30) days of the date of withdrawal.

In exceptional circumstances and with the approval of the Director or designate, a leave period may be deferred after March 1.

In all cases the leave period shall be completed within seven (7) years from the date of enrolment in the plan.

13.10 Long Term Leaves of Absence for Reasons of Illness, Accident, or Disability

A teacher who is absent from work for reasons related to illness, accident or disability shall be granted long term leave of absence without pay when the teacher's sick leave credit is exhausted and/or the teacher is in receipt of long-term disability benefits.

If a teacher who is absent for reasons related to illness, accident or disability for 36 consecutive months, or for a longer period extended by sick leave credits, wishes to return to teaching, the teacher must notify the Board by registered letter of the desire to return to teaching no later than April 1 prior to the school year in which the teacher wishes to return to teaching. It is agreed that, in circumstances where a teacher is not able to give the notice as required above, every reasonable effort will be made to provide the teacher with a position within the complement. The teacher must provide a doctor's certificate verifying the teacher's ability to return to teaching duties. Subject to the provisions of Article 17, the teacher who has fulfilled the notice requirements above, will be returned to the same school in which the teacher was most recently employed and to the previously held position if it still exists. The teacher shall be entitled to full credit for teaching experience for seniority purposes with the Board during the period of leave.

Notwithstanding the above, the Board acknowledges its responsibility to accommodate the return to work of a teacher in accordance with prevailing legislation.

13.11 Approved At-Cost Days (ACD)

Leave with deduction of Occasional Teacher costs (as per Article 41.10 – Occasional Teacher daily rate plus associated mandatory employment related costs and benefits),

may be granted for up to two (2) days of absence pro-rated according to FTE, during the school year.

Such leave requests will be subject to the approval of the Principal and the Director or designate, and will not be unreasonably denied. Should a leave be denied, the teacher may request a rationale be provided. Approvals will not normally include: the extension of holiday periods, the start of a new semester, the week leading to exams, and the exam schedule.

Leaves will be subject to the availability of replacement teachers.

ARTICLE 14 - SEVERANCE PAYMENT PLAN

Retirement Gratuities were frozen as of August 31, 2012. An employee is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the employee had accumulated and was eligible to receive as of that day. The following language applies only to those teachers eligible for the gratuity above:

14.01 Teachers who were hired to teach in Huron County secondary schools prior to September 30, 1998 shall be entitled to a Severance Payment in accordance with Articles 14.03, 14.04 and Appendix B which is attached.

14.02 All other teachers shall be entitled to a Severance Payment as described below.

A teacher, having at least ten years of continuous employment immediately prior to retirement with the Board or the predecessor boards shall have the teacher's salary continued for a period equal to 50% of the teacher's accumulated sick leave credit for the continuous period but the payment shall not exceed one-half of the annual salary rate of the teacher for the 12 months immediately preceding retirement. In this respect, the term 'salary rate' shall be interpreted as being the normal rate of pay, excluding night school, fringe benefits, etc, during the year immediately preceding retirement.

Acceptable reasons for retirement shall be:

- (1) age 65 or older for any teacher; and
- (2) receipt of a pension or the commuted value of a pension from the Ontario Teachers' Pension Plan.

Calculation of Severance Payment Plan

$$= \frac{\text{accumulated sick leave}}{2} \times \frac{\text{annual salary}}{200}$$

The gratuity payable shall not be greater than the allowance in the following schedule:

<u>Years of Experience</u>	<u>Maximum Allowance</u>
10	20%
11	22% of annual salary rate for the year
12	24% immediately preceding retirement
13	26%

and for each additional year of continuous employment a further 2% up to a maximum allowance of 25 years and over, 50% of annual salary rate of the teacher for the year immediately preceding retirement.

14.03 The severance payment shall be paid immediately following separation from the Board. A teacher may choose the option of receiving two equal payments spread over two years. Under such two-payment option, the Board shall not be expected to pay any interest.

- 14.04 In the event of death of a teacher after retirement, any gratuity accrued but unpaid in accordance with the foregoing terms and conditions shall be paid to the beneficiary or, failing designation in writing of a beneficiary by the teacher, shall be paid to the estate.

In the event of death of a teacher with a minimum of ten years' continuous employment, prior to death, with the Board and where death occurs prior to retirement, the benefits of this plan shall be calculated specific to the deceased teacher and this amount shall be paid to the beneficiary or, failing designation in writing of a beneficiary by the teacher, shall be paid to the estate.

ARTICLE 15 - LIAISON COMMITTEES

- 15.01 Liaison Committees exist for the purpose of discussion of matters of concern to the Board and the Bargaining Unit.

ARTICLE 16 - GRIEVANCE AND ARBITRATION PROCEDURE

- 16.01 Purpose and Definitions

- (a) The purpose of this article is to establish a procedure for the settlement of all differences between the parties arising from the interpretation, application, administration or alleged contravention of the Collective Agreement or of an existing practice of the Board. The contravention of existing practices of the predecessor boards will not form the basis of any grievance. Differences may be resolved by a complaint under Article 16.03 and/or a grievance under Articles 16.04, 16.05 and 16.06. Failing resolution the parties may proceed to arbitration under Article 16.07.
- (b) A "party" to the grievance shall be defined as the Bargaining Unit or the Board. The complainant shall be a teacher or occasional teacher.
- (c) "Days" shall mean scheduled work days in the applicable school year calendar unless otherwise indicated.

- 16.02 General

- (a) If the complainant fails to complete the complaint procedure within the total number of days outlined in Article 16.03, the complaint shall be deemed to be abandoned.
- (b) If the grievor fails to act within the time limits set out at any step of the grievance procedure, the grievance shall be deemed to be abandoned.
- (c) If an official fails to reply to either a complaint or grievance within the time limit set out at any stage, the complainant or the grievor will submit the complaint or grievance to the next step outlined in the procedure.

- (d) At any stage of the complaint or grievance procedure, the time limits imposed upon either party may be extended by written mutual consent. In addition, one or more steps in the grievance procedure in regards to the processing of a particular grievance may be omitted by written mutual consent of the parties.
- (e) At any step of the grievance procedure, the parties may be represented by an advisor, agent, counsel or solicitor. The Board recognizes the right of a Bargaining Unit grievance committee member to be present and to represent a teacher or occasional teacher at any stage of the complaint or grievance procedure.
- (f) No action of any kind shall be taken against any person because of participation in the grievance and/or arbitration procedures under this Collective Agreement.

16.03 Complaint Procedure

A teacher or occasional teacher, with the concurrence of the Bargaining Unit, may initiate a complaint with the teacher or occasional teacher's immediate supervisor (the Principal in the case of all in-school teachers or occasional teacher). The teacher or occasional teacher must indicate that the complaint is in accordance with Article 16 to proceed. Such complaint shall be brought to the attention of the immediate supervisor within ten (10) days of the teacher's or occasional teacher's awareness of the occurrence of the circumstances giving rise to the complaint. Failing settlement within five (5) days of the time when the complaint is first discussed with the immediate supervisor, the complaint may be taken up within a further five (5) days as a grievance in the manner and sequence described in Article 16.04.

16.04 Grievance Procedure

A grievance shall contain:

- (a) a brief description of the alleged violation, including any facts to support the grievance; and
- (b) the clauses or any other language alleged to be violated; and
- (c) the relief or remedy sought.

Step One

Failing settlement under the complaint procedure, the Bargaining Unit may, within the time limits prescribed in Article 16.03, refer the grievance in writing to the Superintendent of Human Resource Services or designate who shall answer the grievance in writing within ten (10) days after receipt of the grievance.

Step Two

Failing settlement at Step One, the Bargaining Unit may, within ten (10) days of the response of the Superintendent of Human Resource Services or designate, refer the grievance in writing to the Director of Education or designate who shall answer the grievance in writing within ten (10) days.

Step Three

Failing settlement at Step Two, the Bargaining Unit may, within ten (10) days of the response of the Director of Education or designate, refer the grievance to arbitration in the manner and sequence prescribed under Article 16.07. If, within ten (10) days of the delivery of the reply of the Director or designate under Step Two, the Bargaining Unit does not give written notice of proceeding to arbitration then the grievance shall be deemed abandoned.

16.05 Grievance by Bargaining Unit

The Bargaining Unit shall have the right to file a written grievance on behalf of an individual teacher or occasional teacher, a group of teachers or occasional teachers, a

retired teacher or retired occasional teacher or a deceased teacher or deceased occasional teacher commencing at Step One as described as in Article 16.04. A grievance shall contain those items listed in Article 16.04.

16.06 Grievance by Board

Step One

The Board shall have the right to file a written grievance with the President of the Bargaining Unit within ten (10) days of the occurrence of the circumstances giving rise to the grievance. The President of the Bargaining Unit shall respond within ten (10) days.

Step Two

Failing settlement at Step One, the Board may, within ten (10) days, refer the grievance to arbitration in the manner and sequence prescribed under Article 16.07. If, within ten (10) days of the delivery of the reply of the President of the Bargaining Unit under Step One, the Board does not give written notice of proceeding to arbitration then the grievance shall be deemed abandoned.

16.07 Arbitration of Grievance

Where a difference has arisen between the parties, either of the parties may, after exhausting the grievance procedure established above, notify the other party in writing of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the first party's appointee to an arbitration board. The recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the arbitration board. Where two appointees are so selected they shall, within ten (10) days of the appointment of the second of them, appoint a third person who shall be chairperson. If the recipient of the notice fails to appoint an arbitrator or if the two appointees fail to agree upon a chairperson within the time limit, the appointment shall be made by the Minister of Labour for Ontario upon the request of either party.

Notwithstanding the above, the parties may agree in writing to submit the grievance to a mutually agreed upon single arbitrator rather than to an arbitration board. A grievance may be submitted to expedited arbitration under Section 49 of the *Labour Relations Act*.

The single arbitrator or the arbitration board, as the case may be, shall hear and determine the difference or allegation and shall issue a decision, and the decision is final and binding upon the parties and upon any employee or employer affected by it. The decision of the majority is the decision of the arbitration board, but, if there is no majority, the decision of the chair governs. The arbitrator or arbitration board shall not make any decision which is inconsistent with the provisions of the Collective Agreement, nor which serves to add to, delete from, modify or otherwise amend the provisions of this Collective Agreement.

All costs of a single arbitrator or the chairperson of the arbitration board shall be shared equally by the parties. Each party shall bear the costs of its own appointee to an arbitration board and of its own witnesses.

Time restrictions may be extended if mutually agreed to in writing.

ARTICLE 17 - TEACHERS SURPLUS TO THE NEEDS OF THE SYSTEM

17.01 Reduction of Staff

- (a) Should reduction of teaching staff be anticipated in any year in numbers greater than those accounted for by normal attrition and, in any event, if redundancy is to occur, then Articles 17.03 to 17.08 shall be followed.

Where the Board makes a determination that no redundancy shall occur, then Articles 17.03 and 17.05 (d) (4) shall not apply.

- (b) An occasional teacher may be hired as provided in the *Education Act* to fill vacancies created by leaves of less than one year or Statutory leaves where there is a right to return. All other vacancies will be filled by a regular teacher.

(c) **Resource Teachers, Consultants and Coordinators**

The position of responsibility of a teacher appointed as a resource teacher, consultant or coordinator shall be filled on an acting basis during the appointment. In accordance with Article 17, at the termination of the appointment as resource teacher, consultant or coordinator, the teacher will be returned to the same school in which the teacher was most recently employed and to the previously held position of responsibility if the position still exists.

(d) **Seniority**

Seniority for teachers, accrued prior to September 1, 1998, shall be grandparented according to the 1998/99 Seniority List. Calculations for tie breaking will be done only for employees hired on or after September 1, 1996. Calculations for tie breaking for employees hired before September 1, 1996 shall be done as needed for applying the surplus procedures in this Collective Agreement.

Seniority for service from September 1, 1998 shall be the length of continuous service as a secondary school teacher with the Board or its predecessor boards from the first day worked after being hired. Any approved absence including layoff with recall rights shall not be considered an interruption of continuous service.

Teachers shall be added to the seniority list based on their first day of work.

Should a tie occur based on the first day of work, the following criteria shall be used to break the tie:

- (1) Total years of secondary school teaching experience, including occasional teaching, with the Board or its predecessor boards; and then
- (2) Total years of teaching experience, including occasional teaching, with the Board and or its predecessor boards, and then
- (3) Total years of teaching experience, including occasional teaching, in Ontario; and then
- (4) Total years of teaching experience acceptable to the Ontario Teachers' Pension Plan Board; and then
- (5) Earliest date of acceptance of a position with the Board or its predecessor boards; and then
- (6) By lot drawn by the Director or designate in the presence of the Bargaining Unit representative. Once the determination has been made the list will be finalized for future years for the teachers involved.

The steps shall be applied in order until the tie is broken.

The seniority list shall include the teacher's workplace and a summary of data used in Article 17.01 (d) to break ties. It shall be the responsibility of the teacher to provide proof of experience used to break ties.

For four (4) years after the date of hire, teachers shall have fifteen (15) days following the posting of the tentative list in which to point out to the Director or designate any errors or omissions after which time the list shall be deemed accurate and correct in all respects. Confirmation of the specific corrections will be provided to the teacher and the Bargaining Unit in writing prior to March 1. A copy of the corrected seniority list shall be posted in each workplace no later than March 1.

- (e) Teaching Qualifications shall be defined by qualifications as identified on the Certificate of Qualifications

17.02 Voluntary Transfer List (Suspended for the duration of the Letter of Understanding in Appendix A)

The Board shall ensure that teachers have the opportunity to add their names to a Voluntary Transfer List. Beginning on the first day of school in September and ending on the last school day before March 1, teachers wishing to transfer all or part of their FTE status to a different school shall have the opportunity to add their names to the List. The Board shall compile the finalized List on or before March 15 and provide a copy to the Bargaining Unit President.

The List shall contain each teacher's name, qualifications, FTE status, list of preferred qualified subjects and list of destination schools.

17.03 Identification of Possibly Redundant Teachers

Staff shall be allocated to schools based on the provisions of Article 24. The Director, or designate, shall, in consultation with the SSSAC, determine the number of Possibly Redundant Teachers, if any, in the system. The mutually agreed to list of Possibly Redundant teachers shall be finalized on or before April 15. This list shall consist of the least senior teachers in the system.

On or before April 15, the Director, or designate, shall inform in writing each Possibly Redundant Teacher, with copies to the Bargaining Unit President.

17.04 Identification of Surplus-to-School Teachers

- (a) Pursuant to 17.03, each Principal, in consultation with the corresponding ISSAC, shall determine a tentative list of Surplus-to-School Teachers by April 15. The Principal shall examine the qualifications of staff so as to retain the more senior teachers by re-assignment whenever possible. Where it is deemed that the curriculum needs of the school require the retention of a teacher with less seniority than a teacher declared Surplus-to-School, the Principal shall provide an explanation to the teacher and the Bargaining Unit President prior to the declaration of Surplus-to-School. Classes shall not be assigned to Possibly Redundant Teachers or to Surplus-to-School Teachers.
- (b) After all avenues of placement or retention in the school have been exhausted and after consultation with the Director, or designate, the Principal shall, within two school days of April 15
 - (1) inform in writing each teacher on the Surplus-to-School list;
 - (2) submit the vacant position list and the Surplus-to-School list along with a copy of the tentative teacher assignments for staff to the Director, or designate;
 - (3) send copies of all documents in (2) to the Bargaining Unit President.

17.05 Posting and Transfer Procedure

- (a) As of April 16, the Director, or designate, shall make a composite list of all school vacancies for the next school year.
- (b) As of April 16, the Director, or designate, shall provide composite Possibly Redundant, Surplus-to-School and Voluntary Transfer lists to all Principals and to the Bargaining Unit President. Subsequent lists shall be distributed to the Principals and the President of the Bargaining Unit after each round of posting.
- (c) Following April 16, all vacancies shall be offered to teachers by the Director, or designate, using the following sequence:
 - (1) First, to teachers on the Voluntary Transfer List who have identified the corresponding destination school. Offers shall be made to the most senior subject-qualified teacher and continue in order of seniority until the vacancy is filled.

- (2) Second, to applicants to posted vacancies. Surplus-to-School Teachers may apply to posted vacancies. Advertisements shall be distributed to all school Principals and posted on the Board's chosen electronic platform, pursuant to Article 22. Principals may create a short list of candidates to interview provided that all qualified internal candidates (full-time or part-time) who apply to a posting receive an interview before outside hiring is undertaken
- (d) Notwithstanding 17.05(c), beginning with the third round of posted vacancies, the sequence of offerings shall be the following:
 - (1) First, to Surplus-to-School Teachers. Surplus-to-School Teachers will be assigned to vacancies in order of the most senior subject-qualified teacher and continue in order of seniority until the vacancy is filled.
 - (2) Second, to teachers on the Voluntary Transfer List who have identified the corresponding destination school. Offers shall be made to the most senior subject-qualified teacher and continue in order of seniority until the vacancy is filled.
 - (3) Third, to applicants to posted vacancies. Advertisements shall be distributed to all school Principals and posted on the Board's chosen electronic platform, pursuant to Article 22. Principals may create a short list of candidates to interview provided that all qualified internal candidates (full-time or part-time) who apply to a posting receive an interview before outside hiring is undertaken
 - (4) Fourth, to Possibly Redundant Teachers. Offers shall be made to the most senior subject-qualified teacher and continue in order of seniority until the vacancy is filled. If no subject-qualified teacher exists, pursuant to 17.01(e), offers shall be made in order of seniority, based on subjects successfully taught for one year. Failing this, offers shall be made in order of seniority as permitted by Reg. 298 of the Education Act.
- (e) A teacher who has accepted a reduced assignment remains eligible for placement in a position or positions which restore the teacher to the teacher's regular status. Where the regulations require mutual consent of the parties for the teacher to be assigned a position, the teacher may withhold consent without losing rights under the placement process.
- (f) If, prior to the opening of school in September, a vacancy for which a surplus-to-school teacher is qualified becomes available in the teacher's former school, the teacher shall have the right of recall to their former school in order of seniority.
- (g) For the school year immediately following a year in which a teacher is declared surplus-to-school, according to Article 17.04, and have their school assignment changed as a result of the process described in Article 17.05, shall self-identify by January 15 if they are electing to be included in their former school's complement for the purpose of staff allocation in accordance with Article 24.

17.06 Possibly-Redundant Pool and Final Notification of Redundant Teachers

- (a) Where a teacher, who has completed the probationary period, is declared possibly-redundant the teacher shall be assigned to the possibly-redundant pool, if a position in such pool is available, for a period of one academic year. If a teaching position becomes available for which the teacher is qualified, the teacher will be offered such position. No teacher shall remain in the possibly-redundant pool beyond one academic year. If the teacher is not placed, the teacher's employment shall be terminated as set out in Article 17.06 (e) and (f) and the teacher's name will be added to the recall list.
- (b) There shall be a maximum of five (5) full-time equivalent positions in the possibly-redundant pool. Teachers who are in the possibly-redundant pool shall be assigned to the schools by the Director or designate.

- (c) If a vacancy occurs for a regular teaching position, the teacher with the greatest seniority who has been assigned to the possibly–redundant pool shall be assigned to fill such vacant position provided that the teacher is qualified to fill the position. The resulting vacant position in the possibly–redundant pool shall be filled for the remainder of the academic year by the most senior teacher on the recall list who had completed the probationary period at the time of placement on the recall list. Where no teacher on the recall list had completed the probationary period at the time of placement on the recall list, no teacher will move to the possibly–redundant pool.
- (d) Teachers in the possibly–redundant pool shall not be counted in the allocation of staff according to Article 24. While in the possibly-redundant pool, the teacher will receive all salary, benefits, experience and seniority as if they were assigned a regular teaching position. The teachers shall be included in their former school's complement for the purposes of staff allocation in accordance with Article 17.03 and 17.04.
- (e) After the creation of the possibly–redundant pool, the names of teachers still remaining on the possibly–redundant list will be presented to Board at the last Board meeting in May for termination of employment or reduction in timetable. A list of names of teachers so affected shall be given to the Bargaining Unit President at the time it is furnished to the Board members.
- (f) By May 31, all teachers whose employment is so terminated will be notified in writing by the Director and this notification will clearly state that the termination is for reasons of redundancy. A list of names of teachers so affected shall be given to the Bargaining Unit President at the time it is furnished to the Board members.

17.07 Further Rights

- (a) A teacher whose employment has been terminated or whose assignment has been reduced due to surplus procedures shall have the right of recall, in order of seniority, to positions for which the teacher is qualified for five years if the teacher has completed the probationary period and for two years if the teacher has not completed the probationary period. The teacher shall be included in the teacher's former school's complement for the purpose of staff allocation in accordance with Article 17.03 and 17.04 each year. A teacher who is recalled shall have all previously accrued benefits reinstated.
- (b) Teachers must notify the Board and the Bargaining Unit President by registered letter no later than March 1 of each year that they wish to remain on the recall list. Failure on the part of the teacher to take this action will relieve the Board from any further obligation to recall the teacher.
- (c) Teachers on the recall list shall be responsible for informing the Board of any new areas of qualification and of any change of address.
- (d) The Board shall notify teachers being recalled in writing by registered mail and such teachers shall notify the Board of acceptance no later than 14 calendar days after receipt of recall notice. A teacher, unable to notify the Board of acceptance within 14 calendar days due to injury, illness or other reason deemed acceptable by the Director of Education or designate shall not lose further recall rights.
- (e) Each teacher whose employment has been terminated or whose timetable has been reduced will be given consideration for occasional teaching positions, Adult and Continuing Education, or opportunities as such become available provided the teacher indicates a willingness in writing to be available prior to each school year.
- (f) In the selection of staff for Adult and Continuing Education vacancies, teachers who are declared redundant shall be offered such vacancies in accordance with Article 26.06 (d) (2).

17.08 In the event that a vacant position arises, a new teacher will not be hired until a teacher, whose assignment has been reduced or who has been assigned to the possibly–redundant pool or who has recall rights, has been placed. Notwithstanding the above, if

no teacher with a reduced assignment or who is in the possibly–redundant pool or who has recall rights is qualified, the Board may hire externally.

ARTICLE 18 - TEACHER EXCHANGES

18.01 Subject to Article 17, teachers in different schools wishing temporary exchanges for one or two semesters may apply via the Board's chosen electronic platform by February 15 so that the teacher's name can be included on the Teacher Exchange Request List.

18.02 Applicants for teacher exchanges shall specify the school(s), grade(s) and/or subject areas(s) which the teacher wishes to transfer as well as indicate the current position held. The Teacher Exchange Request List shall be posted on the Board's chosen electronic platform by March 1.

The purpose of the Teacher Exchange List is to allow any teacher, whether that teacher's name is on the list or not, to contact a teacher whose name is on the Teacher Exchange List to discuss the feasibility of a teacher exchange in accordance with this Article.

18.03 Subject to the approval of the Director or designate, where two teachers wish an exchange, the teachers and the Principals concerned shall agree to the exchange before such transfer is affected. Subject to the program needs of the school, the Principal(s) shall not unreasonably withhold approval for such a transfer. Should a proposed exchange be denied, the reason(s) for the denial will be provided in writing to the teacher by the Director or designate responsible for the denial.

18.04 The teacher will be paid all salaries and responsibility allowances for the position held for the duration of the exchange. For staffing purposes for the following school year, the teacher shall be shown as being on staff at the teacher's original school. Upon termination of the exchange the teachers will return to their former positions. Where a teacher held a position of responsibility, it shall be returned to the teacher provided that the position still exists. All exchanges which are not made permanent as per 18.05 will terminate after one year, but may be continued beyond the period indicated by mutual consent of the teachers and Principals concerned. Any positions of responsibility associated with an exchange shall be considered acting for up to one school year. If the exchange continues beyond one year or becomes permanent, the position of responsibility shall be posted.

18.05 If the teachers and Principals agree, a teacher exchange may be made permanent during the period of the exchange or during any extension to which the teachers and the Principals have mutually agreed. The parties shall advise the Director or designate in writing of their desire to have the exchange made permanent.

ARTICLE 19 - LIABILITY INSURANCE

19.01 (a) The Board shall continue to maintain sufficient liability insurance for teachers arising from the performance of:

- (1) their assigned duties as described in the *Education Act* and its Regulations;
- (2) other assigned duties;
- (3) involvement in voluntary activities;
- (4) any activities related to any Board Policy.

(b) No teacher shall be required to do any medical or physical procedure for pupils that might endanger the safety or well-being of the pupil or subject the teacher to risk of injury or liability for negligence. No teacher shall be required to provide feeding or toileting health support services.

19.02 Teachers shall not be requested by their Principal or other members of their school administration to transport students.

ARTICLE 20 - PART-TIME TEACHERS

- 20.01 All part-time teachers shall have their assigned duties and pay (excluding position of responsibility allowances) pro-rated to a full-time teacher's assignment.
- 20.02 In the event that a part-time teacher has a different amount of assigned time in each of the two semesters/half years, the teacher's salary will be averaged and paid over the entire school year. Where the teacher teaches entirely in one semester/half year, the total salary will be paid in that semester/half year.
- 20.03 Both instructional and non-instructional time for the part-time teacher shall be prorated by means of the ratio of the assigned time of the part-time teacher to the assigned time of a full-time teacher. A part-time teacher who has timetabled duties assigned in two periods in one semester shall have those two periods assigned either in the morning or in the afternoon but not in both unless it is agreeable to the teacher. A part-time teacher whose assignment is half-time or less each day shall have professional duties assigned either in the morning or in the afternoon but not in both unless it is agreeable to the teacher. The Principal shall make every reasonable effort to schedule the morning or afternoon preference of a teacher who requests a part-time leave in order to provide such leave unless the teacher agrees otherwise.
- 20.04 A part-time teacher shall be eligible for all benefits as provided in the Central Terms.
- 20.05 Part-time teachers who indicate a desire to increase their FTE status shall be considered for vacancies before any outside hiring.

ARTICLE 21 - RETRAINING AND UPGRADING

- 21.01 Where the Board specifically requires a teacher to take particular training in order to fill a position, the Board will pay the tuition cost, necessary travel expenses and/or a necessary living allowance. Other associated costs will be paid by the Board as agreed to between the Board and the teacher.

ARTICLE 22 - POSTING

- 22.01 The Board shall post all vacancies, except for the following:
- (1) vacancies where an Occasional Teacher is used in accordance with Article 17.01 (b); or

- Vacancies shall be posted on the Board's chosen electronic platform only.
- 22.02 Vacancies shall be posted for a minimum of three (3) consecutive school days and all teachers shall make written application, which may include by e-mail, for the vacancy in accordance with the posting instructions. In the event of a technical failure in the Board's chosen electronic platform network, the length of the posting shall be extended for a time equivalent to the length of the interruption in the Board's chosen electronic platform network. Vacancies which occur between July 1 and the first day of classes shall be posted for a minimum of three (3) consecutive week days. Holidays and weekends do not cause a break in the requirement to post for three consecutive days.
- 22.03 Principals may create a short list of candidates to interview provided that all qualified internal candidates (full-time or part-time) who apply to a posting receive an interview before outside hiring is undertaken.
- 22.04 Notwithstanding Article 17.01(b), in the event that the posting of a vacancy leads to a sequence of subsequent vacancies that cannot all be filled before the first vacancy takes effect, an Occasional Teacher shall be used to fill the first vacancy. Once all such

vacancies are filled, each reassigned teacher shall move to their new placement. Every reasonable effort shall be made to place a regular teacher in each such vacancy within ten (10) school days of its posting.

However, the placement of teachers in vacancies arising from the last school day in December to the start of Semester 2 will become effective for the start of Semester 2. An Occasional Teacher will be used to cover the original vacancy for the balance of Semester 1.

- 22.05 Subject to Article 17.08, should a vacancy occur during the school year, the posted vacancy shall be the same FTE as that of the teacher whose absence gave rise to the vacancy. The original vacancy and one resulting vacancy shall be posted. Subsequent resulting vacancies shall result in posting of only the number of sections needed for the remainder of the school year.

- (i) Hours worked under this schedule do not count for any grid placement or movement under this article.
- (c) In the event that the Administration or Site Coordinator changes the time sheet after submission by a teacher, a copy of the changed sheet will be given to the teacher by the person who made the change.

26.06 Seniority

- (a) Seniority for teachers, accrued prior to September 1, 2020, shall be grandparented according to the 2019/2020 Seniority List. Seniority for service from September 1, 2020 shall be the length of continuous service as a teacher for Adult and Continuing Education with the Board from the first day worked after being hired. Any approved absence including layoff with recall rights shall not be considered an interruption of continuous service.

A seniority list for Adult and Continuing Education (excluding Summer School Teachers) and a seniority list for Summer School Teachers shall be compiled annually by the Board. The lists will contain each teacher who is currently employed in Adult and Continuing Education in the past three years. Teachers who are terminated or have reduced work will be placed on a recall list and shall be given first right of refusal, in order of seniority, to any vacancies or new work for which they are qualified for a period of three (3) years. The tentative list and the corrected list shall be posted in the elementary and secondary schools. Teachers shall have 30 days following the posting of the tentative list in which to point out to the Director or designate any errors or omissions after which time the list shall be deemed accurate and correct in all respects. The corrected list shall be posted by March 1 and effective as of March 1 for the next 12 months.

- (b) Teachers shall be added to the appropriate seniority list based on their first day of work in any Adult and Continuing Education capacity. In order to apply Article 26.06(d) or Article 26.06(e), ties shall be broken by lot drawn by the Director or designate in the presence of a Bargaining Unit representative.
- (c) An incumbent teacher will keep that teacher's Adult and Continuing Education teaching assignment from year to year, if that specific assignment remains available, provided that the incumbent possesses the Ministry requirements for qualification and certification for the specified teacher assignment. All current rights and entitlements of incumbents at the signing of this agreement shall be grandparented. A vacancy is defined to be a position in Adult and Continuing Education which has no incumbent or for which the incumbent has indicated in writing that the incumbent no longer wishes to continue with that assignment.

In the case of summer school, incumbents must complete the Expression of Interest to Teach Summer School Form to confirm their wishes to continue as the incumbent, should the assignment exist. Failure to complete the Expression of Interest Summer School Form will be deemed confirmation that the employee is no longer interested in an incumbent position.

- (d) Except for the positions of Summer School Coordinators and Site Coordinators, should a vacancy exist, the vacancy will be offered to teachers subject to Ministry requirements for qualifications or certification according to the following order of priority:
- (1) Teachers or former teachers who have been terminated from teaching in or have a reduced assignment in Adult and Continuing Education in the past five years due to loss of program; and then
 - (2) Teachers who were declared redundant and have right of recall under Article 17.06; and then
 - (3) In order of Adult and Continuing Education seniority, teachers who are on the Adult and Continuing Education seniority list and have completed the Work Preference Survey Form or, in the case of Summer School vacancies, teachers who are on the Summer School seniority list and have completed the Expression of Interest to Teach Summer School Form; and then
 - (4) In the case of summer school only, teachers who have completed the Expression of Interest to Teach Summer School Form and who are not on the Adult and Continuing Education or Summer School seniority lists.
- (e) In the event that the number of Adult and Continuing Education teachers at one site must be reduced due to reduction in program, it is the intent of the Board to terminate the employment of the most junior Adult and Continuing Education teachers provided that in all cases the teachers remaining in the system are qualified and capable of teaching the subjects of the program. To accomplish this, the following process will be followed:

The Director or designate will transfer, in order of seniority, teachers with reduced work at each worksite, where program reductions necessitate a reduction in the number of Adult and Continuing Education teachers at that worksite, to a position held by a more junior Adult and Continuing Education teacher for which the more senior teacher is qualified. Failure of a teacher to accept reassignment will relieve the Board of any further obligation to place the teacher. Such notice of transfer shall be made no later than two weeks prior to the effective date of the reduction in program.

Teachers must notify the Board and Bargaining Unit President via email no later than March 1 of each year that they wish to remain on the recall list. Failure on the part of the teacher to take this action will relieve the Board from any further obligation to recall the teacher.

26.07 Adult and Continuing Education teachers who are subsequently hired as probationary teachers in the regular day school program shall be credited with their continuous Adult and Continuing Education seniority as seniority described in Article 17.01. "Continuous service" shall mean teaching or marking to any degree within one school year. The seniority credited shall be that described in Article 26.06 (b) above with a maximum credit of one year for each 12 month period September 1 to August 31 following. This clause shall not in any way alter the probationary period applied to a teacher employed in the regular day school program.

26.08 Filling of Vacancies and Posting

By September 30, the Board will provide all Adult and Continuing Education teachers with a Work Preference Survey Form on which the teachers will identify the type of additional work, with the exception of summer school, in Adult and Continuing Education that they wish to have should vacancies occur in those areas. By April 1, the Board will provide an Expression of Interest to Teach Summer School Form on which teachers will identify their interest in teaching summer school. A copy of the Expression of Interest will be sent to the Bargaining Unit prior to offers being made for summer school vacancies. By March 1, the Board will produce a composite list that shows each Adult and Continuing Education and Summer School teacher's seniority, requests for additional work, and qualifications.

Adult and Continuing Education Teachers may revise their forms during the school year. As vacancies occur, Administration or a Site Coordinator will offer the vacancies without posting in accordance with Article 26.06 (d). Only vacancies which are not filled by this process will be posted.

Notwithstanding the above, all vacancies for Summer School Coordinator and Site Coordinator shall be posted. All vacancies will be posted on the Board's chosen electronic platform only. All interested teachers shall make written application for the vacancy in accordance with the posting instructions.

26.09 Summer School Protocol

- (a) Once summer school vacancies without incumbents, as defined in Article 26.06(c), become known, and Article 26.06(d)(1) and (2) have been applied, the vacancies shall be offered as soon as reasonably possible to teachers who have completed the Expression of Interest to Teach Summer School Form, in order or priority according to Article 26.06(d)(3) and (4). Such offers shall be made via email to teachers. The teacher will have three (3) school days to respond.

After 4:00 PM on the Thursday preceding the first day of summer school classes, remaining vacancies shall be offered to teachers who have completed the Expression of Interest to Teach Summer School Form in order of priority according to Article 26.06(d)(3) and (4). If at any step of the priority sequence a teacher cannot be reached, the offer can be made to the next teacher in sequence, and so on, until the vacancy is filled.

Administration shall keep a log of all job offers made using the above protocol and this will be made available to the Bargaining Unit upon request.

- (b) Summer school teachers who are paid per hour will be paid at the Teacher rate in Article 26.05(b).

26.10 Pension Reporting

For full-time year-long Site Coordinator teachers, the Board shall report to OTPP up to seven (7) hours as the length of the work day and 232 days as the length of the work year.

26.11 Federation Leave

- (a) At the written request of OSSTF and/or the Bargaining Unit, the Board shall grant release time for Bargaining Unit purposes without loss of pay. Any costs associated with such release time will be paid for by the Bargaining Unit.
- (b) On the written request of OSSTF and/or Bargaining Unit, the Board shall hire an Adult Education Teacher, on a daily basis only, for Bargaining Unit purposes. Any costs associated with such a hire will be paid for by the Bargaining Unit.
- (c) One Bargaining Unit representative will be granted release time to participate in negotiations with the costs of this release time to be shared equally between the Board and the Bargaining Unit.

ARTICLE 27 - FEDERATION RELEASE TIME

27.01 (a) **Bargaining Unit Representatives**

Upon the written request of the Bargaining Unit President, Bargaining Unit representatives shall be given release time for Bargaining Unit or Provincial Federation purposes. Such release time shall be without loss of salary or benefits. Such release time shall not normally exceed two (2) days at any one time. The actual time(s) of release time(s) shall be mutually agreed upon by the President and the Director or designate. In the event that an occasional teacher is used to cover release

time described above, the cost of the occasional teacher shall be paid by the Bargaining Unit.

In addition to the above, Bargaining Unit representatives will be granted release time to participate in negotiations; such release time to be without loss of pay or benefits. When occasional teachers are used to cover the absence of these teachers, the occasional teacher costs will be shared equally between the Board and the Bargaining Unit.

(b) Long Term Federation Release Time

The Board agrees that release time will be granted to Bargaining Unit representatives for up to the equivalent of two full-time teachers. Such representatives, appointed by the Bargaining Unit, shall be released from teaching duties in order to undertake appointed responsibilities. The status of such representative(s) shall continue to be that of a permanent teacher with the Board, retaining all applicable rights and privileges thereto. - (d) Occasional Teachers shall notify the Human Resource Services Department of the Board, in writing, of any changes of address and/or telephone number required by the Board to contact the Occasional Teacher regarding teaching assignments.
- (e) The Occasional Teacher Roster shall be available via the electronic call out system prior to the end of the first week of the school year in September. A copy of the Roster will be forwarded to the Bargaining Unit President simultaneously. A revised Roster will be provided to the Bargaining Unit President at the end of each month in which the Roster is revised. The revised Roster shall indicate the date of addition for each new Occasional Teacher.
- (f) **(Suspended for the duration of the Letter of Understanding in Appendix I)**
The Board agrees to review the composition of the Occasional Teacher Roster annually to ensure that it contains only the names of those Occasional Teachers actively seeking assignments. An Occasional Teacher who has not worked a minimum of eight (8) days of offered employment over the course of the school year may be removed from the Occasional Teacher Roster. The names of the Occasional Teachers who do not respond to the Board's annual review of the Roster may be removed from the Roster effective the following school year.

- (g) **(Suspended for the duration of the Letter of Understanding in Appendix I)**
- (1) An Occasional Teacher who is included on the Roster shall be available for assignment or shall provide reasonable grounds for refusing such assignment. Eligible Occasional Teachers who refuse eight (8) assignments for reasons other than being employed as an Occasional Teacher elsewhere or on other reasonable grounds may have their names removed from the Occasional Teacher Roster.
 - (2) Prior to removal under this Article, the Occasional Teacher will have the opportunity to supply reasons to the Board for all job refusals. Where removal occurs under this Article, the Occasional Teacher will be notified electronically in July/August of the effective date of removal by the Board.
- (h) Volunteers, including but not limited to parents, co-op students and peer tutors, shall not be used as substitutes for Occasional Teachers.
- (i) The Board shall use an electronic system to distribute offers of work to short term Occasional Teachers using a qualifications based rotational order system (currently Smart Find).
- (j) In the event that the electronic system fails, a manual system shall be employed by the Board to distribute such offers.
- (k) The subject qualifications of the Occasional Teacher shall be registered in the electronic call out system as well as schools at which the Occasional Teacher is prepared to accept an assignment.
- (l) Should a teacher fail to enter their absence in the electronic system by 7:00 am on the day of the absence, there will be no requirement to rely exclusively on the electronic system to fill any such vacancy.
- (m) The Board shall provide to the Bargaining Unit a monthly report of days worked and work refusals by Occasional Teachers plus a written explanation, if requested, of the reasons for any imbalance between Occasional Teachers in days worked.
- The monthly report shall include the following information from the electronic call-out system's database:
- name
 - daily availability
 - work locations desired
 - number of days worked, do-not-disturbs, calls received, calls accepted, calls declined, cancellations, hang-ups, and no-answers.
 - for each day worked, the date, the portion of the day, and the work site location.
- (n) "Pre-arranged" shall mean offered via direct communication (in person, by telephone, by email, etc.) from a school administrator. The only situations in which short-term work may be pre-arranged are the following:
- When a short-term assignment needs to be continued beyond its original length due to the unexpected continued absence of a Secondary School Teacher, the continuation of the assignment may be pre-arranged with the Occasional Teacher already in place.
 - When an Occasional Teacher holds a part-time contract or LTO position, short-term assignments may be pre-arranged in the same school in which the part-time position is held.
 - When the need for an assignment becomes known after 7:00 a.m. on the same day.

No other short-term work shall be pre-arranged; all other short-term work shall be assigned via the electronic call-out system, with the exception of when Article 41.07(a) applies.

School administrators shall keep a log of all pre-arranged assignments and this information will be made available to the Bargaining Unit upon request.

- (o) Notwithstanding Article 41.07(a), individuals not on the Occasional Teacher Roster will not be hired on an emergency needs basis for short-term Occasional Teacher positions unless
- the job has been deemed 'unfilled' after exhausting the general location list for that site, or no Occasional Teacher has accepted the assignment ninety minutes prior to the starting time of the job; and,
 - all available on-calls at that site have been fully utilized; and,
 - on-site Occasional Teachers with partial LTO or contract status have been fully utilized.

The Board shall inform the Bargaining Unit each time an individual not on the Occasional Teacher Roster is hired on an emergency needs basis. In any event, the Bargaining Unit will be informed no later than the end of the next school day.

Upon request, the Bargaining Unit shall be provided with the SmartFind call-out record for any job filled on an emergency needs basis as soon as reasonably possible.

- (p) Each month, the Bargaining Unit shall receive, upon request, a Detail Report for up to four Occasional Teachers, showing the history of calls, including job numbers, dates/times called, telephone numbers, locations, classifications, start dates/times, end dates/times, and dispositions (i.e., no answer, accept, decline, hang up, cancelled by substitute, cancelled by administrator, operator intercept, assigned by administrator, or busy). Such requests shall be made by the last school day of the month, and the number of allowed requests shall not accumulate from month to month. No more than twenty such requests may be made per school year.
- (q) Except in the case of an emergency, Occasional Teachers will be called via the call out system between 6:30 a.m. to 8:00 a.m. or 4:30 p.m. to 7:30 p.m.
- (r) The following steps apply to the calculation of the size of the OT Roster in relation to Article 41.07(b):
- (1) The number of "FTE Secondary School Teachers" shall be the same number as calculated annually by provincial OSSTF on the basis of levy amounts received from the TBU. Once calculated, the number shall remain in effect for the following school year.
 - (2) At four count dates per year (September 30, November 30, February 28, and May 31), the Board and Bargaining Unit shall share pertinent information, and update and confirm the size of the most recently revised Roster according to the following:
On each count date:
 - i) Each Occasional Teacher currently working a combined half-day or more in a permanent secondary position, permanent elementary position, secondary LTO position, or elementary LTO position shall count as zero (0) name on the Roster. Here, secondary positions include Adult and Continuing Education positions. (Example: An Occasional Teacher whose timetable on the November 30 count date consists of one permanent secondary section plus one LTO secondary section shall count as zero (0) name on the Roster toward the November 30 count.)

- ii) Each Occasional Teacher currently on leave from secondary occasional teaching shall count as zero (0) name on the Roster.
- iii) Each Occasional Teacher currently not belonging to the groups described by paragraphs a) and b) above shall count as one (1) name on the Roster.
(Example: An Occasional Teacher whose timetable on the May 31 count date consists of only one permanent secondary section shall count as one (1) name on the Roster toward the May 31 count.)
- (3) Subject to Article 41.07(b), if on any count date, the size of the Roster exceeds forty (40) percent of FTE Secondary School Teachers, no Occasional Teachers shall be added to the Roster until a future count date indicates the size of the Roster no longer exceeds forty (40) percent of FTE Secondary School Teachers.

41.08 WORKING CONDITIONS

- (b) The schedule for a short-term Occasional Teacher shall be the same as the schedule of the teacher who is being replaced or an equivalent timetable including supervision duties. - (b) Vacancies, as identified in 41.09(a), shall be posted electronically for three (3) working days. A copy of each posting shall be forwarded to the Bargaining Unit President.
- (c) The Board will establish an information system in consultation with the Principals and the Bargaining Unit to enable Occasional Teachers to indicate their interest in long-term occasional assignments and to communicate position information related to the long-term assignments. Only qualified teachers on the Occasional Teacher Roster will be chosen for non-posted assignments. Outside hiring for a non-posted assignment will only be permitted in the event that no qualified Occasional Teacher on the Roster is available, or if the sole qualified candidate is deemed unsuitable by the Board.
- (d) Principals may create a short list of candidates to interview provided that all qualified internal candidates (full-time or part-time) who apply to a posting receive an interview before outside hiring is undertaken.

- (b) Subject to Article 41.10(i), a Long Term Occasional Teacher shall be paid a per diem rate equal to 1/194 of the yearly salary as determined by the grid in the Secondary School Teachers' Collective Agreement for teachers of the same qualifications and experience effective on the tenth (10th) consecutive day of teaching, retroactive to the first day of the long term teaching assignment. RE: OCCASIONAL TEACHER ROSTER

Effective as at date of ratification, Articles 41.07(f) and 41.07(g) OCCASIONAL TEACHER ROSTER will be suspended and the following pilot project will be in effect until August 30, 2022.

The Board agrees to review the composition of the Occasional Teacher Roster annually to ensure that it contains only the names of those Occasional Teachers actively seeking assignments. An Occasional Teacher who has not worked a minimum of twenty (20) days over the course of the school year may be removed from the Occasional Teacher Roster. The names of the Occasional Teachers who do not respond to the Board's annual review of the Roster may be removed from the Roster effective the following school year.

The Board's electronic call out system (currently SmartFind Express) will call Occasional Teachers on the Roster according to qualifications and designated preferred work locations, as per current practice, as the first tier call-out.

If any job remains unfilled after exhausting the above process during the normal call-out time-frames, there will be a second tier of calling via the electronic call out system. Individuals being contacted in the 2nd tier callout 'emergency list' include OTs on the Roster who are willing to be contacted outside their preferred work locations, and Retirees of District 8 OSSTF who are in good standing with the OCT who have elected to be on the emergency list, as well as other qualified candidates as deemed appropriate by the Board.

A call from the electronic call out system will be categorized as an offer of work to Occasional Teachers on the Roster in the first tier call-out but not in the second tier call-out.

A copy of the second tier call-out list will be provided to the Bargaining Unit President prior to the end of the first week of the school year in September.

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short-term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

d) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.

- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

e) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

f) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and

tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.

- i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.
- d) Teachers will be consulted, where possible, if a student's grade/mark/comment is changed.

The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply

with the Trust's financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.

- 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve ("CFR").
 - b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each

employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.

- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.

- b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
- i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
- i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,
- then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.

- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;

- c. Identifying efficiencies that can be achieved;
- d. Adopting an Investment Policy; and
- e. Adopting a Funding Policy.

5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.

- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17

weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”
[insert current Retirement Gratuity language from local collective agreement]

The Board will remit premiums collected to the carrier on behalf of the Teachers.

- b) The teacher will provide to the employer such evidence as necessary to prove entitlement under the *Employment Standards Act*.
- c) A teacher contemplating taking such leave(s) shall notify the employer of the intended date the leave is to begin and the anticipated date of return to active employment.
- d) Seniority and experience continue to accrue during such leave(s).
- e) Where a teacher is on such leave(s), the Employer shall continue to pay its share of the benefit premiums, where applicable. To maintain participation and coverage under the Collective Agreement, the teacher must agree to provide for payment for the teacher's share of the benefit premiums, where applicable.
- f) In order to receive pay for such leaves, a teacher must access Employment Insurance and the Supplemental Employment Benefit (SEB) in accordance with g) to j), if allowable by legislation. An employee who is eligible for E.I. is not entitled to benefits under a school board's sick leave and short term disability plan.

Supplemental Employment Benefits (SEB)

- g) The Employer shall provide for permanent teachers, long-term occasional teachers and teachers hired into a term position who access such Leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks provided the period falls within the school year and during a period for which the permanent teacher would normally be paid. The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay.
- h) Long Term Occasional Teachers and those on term assignments are eligible for the SEB plan with the length of the benefit limited by the term of the assignment.
- i) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

C9.00 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short-term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary,

consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

d) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDLP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDLP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDLP.
- v. When Teachers use any part of an STLDLP day they may access their top up bank to top up their salary to 100%.

e) Sick Leave and STLDLP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDLP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.

- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

f) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

C10.00 PROVINCIAL SCHOOLS AUTHORITY/PSAT

OSSTF/FEESO members who are employees of the Provincial Schools Authority (PSAT), teaching in elementary classrooms, shall be subject to the working conditions agreed to by the local parties as per the current collective agreement.

C11.00 MINISTRY/SCHOOL BOARD INITIATIVES

- a) OSSTF/FEESO will be an active participant in the consultation process at the Ministry Initiatives Committee. Ministry Initiatives Committee shall meet at least quarterly each year to discuss new initiatives, including implications for training, resources.
- b) Teachers shall use their professional judgement as defined in C3.5 above. Teachers' professional judgements are at the heart of effective assessment, evaluation, and reporting of student achievement.
- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.
 - i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.
- d) Teachers will be consulted, where possible, if a student's grade/mark/comment is changed.

C12.00 OCCASIONAL TEACHERS AND PA DAYS

C13.00 PROVINCIAL FEDERATION RELEASE DAYS

- a) At the request of the OSSTF/FEESO Provincial Office, and in accordance with local notification processes, OSSTF Teachers and Occasional Teachers, subject to program and operational needs shall be released for provincial collective bargaining and related meetings.
- b) Federation release days granted for the purpose of such provincial federation work will not be charged against local collective agreement federation release time.
- c) OSSTF Teachers and Occasional Teachers released for such provincial federation work shall receive salary, benefits, and all other rights and privileges under the collective agreement in accordance with local provisions.
- d) OSSTF/FEESO Provincial Office shall reimburse the Employer as per the local collective agreement.

Online learning shall have the same meaning as E-Learning.
- b) Any E-Learning credit course that is offered by a school board in the English Public System shall be delivered by a bargaining unit member in accordance with Part B collective agreement language and local staffing processes. These courses will be offered to a teacher who has expressed interest, where possible.
- c) The Joint Staffing Committee or equivalent shall receive information related to E-Learning staffing.
- d) School Boards shall make available to any teachers delivering E-Learning credit courses the required secure hardware and software, and the appropriate training, within the workday, on the delivery of E-Learning credit courses.

In order to initiate such a request, the secondary school teachers' bargaining unit and the secondary school occasional teachers' bargaining unit of a district school board shall contact the OSSTF bargaining agent to request that the units are combined.

The school board and bargaining agent may meet to discuss the timing and implementation of the requested combination.

It is understood that terms and conditions of employment for occasional teachers remain status quo upon consolidation, subject to bargaining processes.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
- 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.

- c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the

existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
 - c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local

agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted

to the Trust in a lump sum on or before the last day of the month following reconciliation.

- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;
 - c. Identifying efficiencies that can be achieved;
 - d. Adopting an Investment Policy; and
 - e. Adopting a Funding Policy.
- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:

- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

- 5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.
- 5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.
- 5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

- 6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.

- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STDLP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100%

salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;

2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days

shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year.

Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

The following language applies only to those teachers eligible for the gratuity above:

- (b) Teachers shall be granted twenty (20) days sick leave credit on September 1 of each school year.

- (c) Accumulation for part-time teachers shall be on a pro-rata basis.
- (d) A deduction shall be made in cumulative sick leave credits amounting to the number of days which a teacher is absent through illness and for which that teacher is paid, in any year, which is in excess of twenty (20).
- (e) All years of service with the Board and its predecessor Board(s), except during leave of absence and sabbatical leave, will be included when calculating the cumulative sick leave credit of a teacher.
- (f) In a situation of a school closure, no member will lose pay or sick leave credits.

2. **Retirement Allowance at Time of Retirement with Pension or Death**

- (a) In case of retirement with pension or death while in the employ of the Board, the Board shall pay an allowance to a maximum of 50% of the teacher's salary as follows:

- (ii) in the case of death, payment shall be made to the teacher's beneficiary.
- (b) The amount of retirement allowance shall be calculated as follows:

$$\text{Retirement Allowance} = \frac{A}{200} \times \frac{B}{25} \times \frac{C}{2}$$

A – Cumulative sick leave at superannuation or death.

B - Years of service with the Board or its predecessor(s). Fractional years shall be counted as full years for this calculation effective September 2001.

C – Annual salary at superannuation or death except for teachers on an indefinite leave of absence as provided for in this Appendix L- A. For full-time teachers who in the last five (5) years of service choose to be employed on a fractional timetable basis, the retirement allowance shall be based on the annualized rate of salary. For the purpose of calculating the retirement gratuity, the annual salary shall not exceed the salary of a teacher when the teacher is eligible for a 70% pension (35 years).

- (c) An employee at retirement has the option of receiving payment of the retirement gratuity in the year of retirement or split between the year of retirement and the following calendar year.
- (d) The retirement gratuity of teachers on an indefinite leave of absence shall be based on the salary in effect in the last year of active service with the Board.
- (e) Teachers who meet the collective agreement definition for retirement and are in the last calendar year within which they are eligible for the commuted value of their pension, and take the commuted value of their pension, are deemed upon their retirement to be retired with pension and are eligible for their retirement gratuity in accordance with this Appendix L- A of the collective agreement.

C9.00 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short-term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.

- iv. Where a Teacher is accessing sick leave, STLD, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLD days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- ✕ Where a Teacher is accessing STLD, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLD days from the previous school year's allocation.

In the event the Teacher exhausts their STLD allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLD allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLD will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLD.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.

- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form

may be used where one is mutually developed and agreed upon at the local level.

- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge

and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
- 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.

- c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
 - c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information

that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will

be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.

- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;
 - c. Identifying efficiencies that can be achieved;
 - d. Adopting an Investment Policy; and
 - e. Adopting a Funding Policy.
- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:
 - a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;

- b. Fund claims stabilization or other reserves;
- c. Improve plan design;
- d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
- e. Reduce member premium share.

5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:

- a. Use of existing claims stabilization funds;
- b. Increased member share premium;
- c. Change plan design;
- d. Cost containment tools;
- e. Reduced plan eligibility; and
- f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.

5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STLDP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the

difference between the gross amount the teacher receives from E.I. and their regular gross pay;

2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local

collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

L12.09 MARKETING OF BENEFIT PLANS

While the Article L12.08 Benefits Table identifies specific carriers, it is understood that from time to time the Board will market the benefit plans to ensure the service and costing are competitive. Marketing of the benefit plans may result in a change in carrier. However, it is the intent that the marketing of the plan(s) would not result in a change in the benefit plan(s).

- L12.10 Semi-annual meetings between the Union and the Board will be held to review, monitor, and make recommendations to the Union Executive and the Board regarding the best use of the benefit compensation with information available from the carrier.

ARTICLE L13 WORKPLACE SAFETY AND INSURANCE

- L13.01 When a Member is eligible for, and receives approval of, a claim by the Workplace Safety and Insurance Board of Ontario:

- a) the Workplace Safety and Insurance payment shall be remitted to the Board;
- b) the Member shall receive full pay from the Board;
- c) there shall be no deduction of Sick Leave Credits from the Member.

ARTICLE L14 SICK LEAVE

- L14.01 After five (5) consecutive days absence caused by sickness, a certificate from a duly qualified medical practitioner or dentist may be requested certifying the inability of the teacher to attend to their duty. Nothing in the foregoing shall prohibit the Board from requiring a teacher to submit such a certificate following a period of absence should the Board believe the circumstances warrant it.

- L14.02 The parties agree that modified/rehabilitative work makes a valuable contribution to a more rapid recovery after an injury or illness has occurred. The parties shall work in a co-operative approach in consultation with the Ontario Teachers' Insurance Plan vocational rehabilitation consultants and/or a District Bargaining Unit Representative to develop modified work, either on a temporary or permanent basis, in order to accommodate an employee's established medical capabilities.

- L14.02.1 The Return To Work Committee shall consist of the Member, an OSSTF Representative (Federation Officer and/or TBU President), the LKDSB Human Resources Officer, and the Principal of the Member's school.

- L14.02.2 The return to work committee shall meet when accommodations are required for a Member to return to work.

ARTICLE L15 RETIREMENT GRATUITY

Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day. The following language applies only to those teachers eligible for the gratuity above:

- L15.01 To be eligible for the Retirement Gratuity, a Member hired after September 1, 1975 must have five (5) or more years service with the Lambton Kent District School Board or its predecessor Boards.

- L15.02 The amount of the Retirement gratuity shall be calculated as follows:

$$X \times .5 \times \frac{Y}{200} \times \frac{Z}{20} = \text{gratuity}$$

where "X" is the Member's final year's salary based on their position on the grid; and where "Y" is the number of days of cumulative sick leave credit at date of retirement; and where "Z" is the number of years of service with the Lambton Kent District School Board or its predecessor Boards excluding years of service as an occasional teacher or other non-teaching position (not to exceed its denominator).

- L15.03 The payment of the Retirement Gratuity shall be made only when a Member retires from teaching to pension, or retires through permanent total disability, or dies.

- L15.04 In the event of the death of an eligible Member either before or after retirement, but before receiving the full benefits of the Retirement Gratuity as provided under Section L15.02, such benefits shall be paid to the Member's estate.

- L15.05 The Retirement Gratuity shall be based upon the salary and years of service, which shall include sabbatical leave, of the Member at the date of regular retirement, total disability or death. Members who elect to work part time or take a leave for their last year of teaching will still qualify for a full gratuity.

- L15.06 Provided the member advises the Board of their intended retirement, the allowance upon request may be paid as soon as practical after the retirement.

A member shall be allowed to defer the gratuity to the subsequent taxation year at the Member's discretion. The Member shall notify the Board at the time of the

official retirement notice of their choice, otherwise the gratuity will be paid at the first opportunity following retirement.

L15.07 A Member dismissed for cause shall not receive a Retirement Gratuity unless otherwise decided by the Board.

L15.08 A Member shall not be entitled to more than 50% of their annual salary.

ARTICLE L16 LEAVES OF ABSENCE

A "Request for Leave of Absence" form is required for all absences. In emergency situations, a telephone notification will suffice provided the Request for Leave of Absence form is completed upon return to work.

L16.02 Deductions from sick leave credits will be made for illness only.

REDUNDANCY, RECALL, SURPLUS, SCHOOL CLOSURE AND SUPERNUMERARY POOL

L21.01 DEFINITIONS

- a) A Staff Complement Vacancy is a complement position within the Board which exists or will exist for the ensuing school year and to which no Bargaining Unit Member has been assigned.
- b) A Voluntary Transfer, in accordance with L21.08 and L21.09 shall mean any staff change arrangement that fills a Staff Complement Vacancy.
- c) A Surplus Teacher is a Bargaining Unit Member who has been identified as being in excess of the staffing requirements of a particular school for the ensuing school year.
- d) A Redundant Teacher is a Bargaining Unit Member who has been identified by seniority as being in excess of the staffing requirements at the secondary level for the District for the ensuing school year.

L21.02 DECLARATION OF REDUNDANCY

On or before April 15 of each school year, the Board shall issue a confidential notice in writing to the Bargaining Unit as to whether the total number of Teachers employed exceeds the total number of Teachers required for the ensuing school year.

L21.03 Whenever the Board issues such a notice, and the total number of Teachers employed exceeds the total number required, the difference shall be the number of Teachers to be declared redundant.

L21.04 The redundant Members shall be identified in reverse order of seniority.

L21.05 Each Member declared redundant shall be given written notice by April 30 stating the effective date and the reasons. Such notice shall be given to the Member at least one school day in advance of any publication of the information.

L21.06 The positions held by the identified redundant Members shall be listed as vacancies.

L21.07 RECALL PROCEDURES

All redundant Members shall be placed on a Recall List and shall retain the following rights for a period of three (3) years with:

- a) the right to be recalled to a position on the basis of seniority provided the Member is qualified or becomes qualified before the date the Member is required to take the assignment, in order to meet program needs (program needs are identified by the Board and consist of specific teacher qualifications needed for the position); and
- b) the right to continue to participate in one or more of the benefit plans, provided the Member who is on the Recall List pays the total cost of such plans.

L21.07.10 Surplus Members are encouraged to apply to posted positions of interest; they shall be placed in seniority order to positions for which they qualify or for which they could become qualified.

L21.08.1 DECLARATION OF SURPLUS

Using the projected number of staff assigned to the school, the Principal will, on or before April 30:

or

- d) the list of teacher vacancies; and

- e) the names of Members who are surplus to the staffing requirements of the school.
- L21.09 Upon request, the Principal shall prepare a letter of recommendation for a redundant Member which may be used by the Member in securing another position.
- L21.10 Each Principal shall by April 30 submit to the Board a list, by subject, of Members who have been identified as redundant or considered surplus to the school, a list of vacant positions in the school, and a staff list indicating the Members' subject allocations for the next school year. The Bargaining Unit President shall be provided with a copy of these lists.
- L21.11.1 Members who have been identified as surplus shall have the opportunity of requesting a transfer to a suitable vacancy which has been created either by the redundancy identification or by normal attrition. This shall be done by the use of Preference forms used by Members to indicate their preferences.
- L21.11.2 Should this process of voluntary transfer not result in all surplus Members being placed, the Superintendent with the responsibility for staffing secondary schools shall, in consultation with Principals, place the remaining surplus Members in the most suitable teaching positions based upon qualifications, experience, and seniority.
- L21.12 If a position for which the surplus Member is qualified is not available, the surplus Member will be placed in the supernumerary pool and the most senior Member on the redundancy list with the qualifications will be offered the position.
- L21.13 **REDEPLOYMENT OF STAFF DUE TO SCHOOL CLOSURE**
- L21.13.1 The Board will advise OSSTF not later than March 1 that a secondary school(s) will be closed effective June 30 of that calendar year.
- L21.13.2 All vacant positions will be posted as per Article L23.
- L21.13.3 For this initial posting only, applications from teachers from the school(s) to be closed will be given preference over other applicants.
- L21.13.4 If two or more teachers from the school(s) to be closed apply for the same position(s) and are equally qualified, seniority criteria shall be applied as per Article L20.
- L21.13.5 Any position of Responsibility that is redundant as the result of a school closure or a school's population decline shall be red circled for the duration of that Member's contract as a Curriculum Leader.

L21.14 **SUPERNUMERARY POOL**

- a) If there are surplus Members for whom no position is available and/or Members on the Recall List, a permanent Supernumerary Pool of up to six (6) full-time Teachers (FTE) will be created for the next school year with placement in the pool determined in order of seniority. While occupying a position in the Supernumerary Pool, the Member(s) is (are) considered on notice of transfer and may be placed where needed in schools within the system.
- b) A surplus Member refusing a position in the permanent Supernumerary Pool shall be declared redundant and placed on the Recall List.
- c) When vacancies are filled from the pool, redundant Members shall be recalled to the pool in order of seniority, with the final date for recall and/or assignment as one of the six (6) Supernumerary Pool Members being October 31.
- d) Members in the Supernumerary Pool may be assigned duties that include the following or a combination of the following:
 - i) occasional teaching;
 - ii) other educational assignments appropriate to a qualified Teacher.
- e) Members in the Supernumerary Pool will receive full salary and insured benefits.
- f) A Member in the Supernumerary Pool who is assigned on a regular basis to teach in more than one school on the same day shall receive a mileage allowance reflecting the mileage traveled between each school for each day the Member is assigned to teach in both schools.
- g) If other options above are unavailable, the teacher shall be offered an interview for a position in the elementary panel for which the Member is qualified, providing that such a position exists, and providing that surplus qualified elementary teachers have been given preference in filling positions.

For the surplus procedures described above, a teacher who accepts a position in the elementary panel shall continue to accrue seniority in the secondary bargaining unit and shall return to the secondary panel for the subsequent school year.

If a position becomes available in the secondary panel during the secondment to the elementary panel, the teacher may accept the position, but will move only at the start of the school year or at the second semester.

ARTICLE L22 TRANSFERS

- L22.01 Any Bargaining Unit Member requesting or proposing a transfer shall do so in writing through the principal's office, or the office of the designated Superintendent of Schools.

The above does not give preference over other applicants to a posting nor does it preclude the Bargaining Unit Member from applying for a transfer to be considered for a posting to which they subsequently apply.

When vacant positions occur, they will be posted in accordance with Article L23.

- L22.02 Applications for transfer may be made at any time during the year. To be considered during the Spring staffing process, members must submit the transfer request by March 31. By May 7, the Board will post a list of all vacant positions in schools. The Superintendent responsible for staffing will match the vacancies and transfer requests. Explanation for placement will be provided upon request. The past practice of not interviewing will continue. A list of all applicants will be forwarded to the Bargaining Unit President.

- L22.03 The Board will not transfer from one municipality to another unless for reasons of surplus, redundancy, personal request, or mutual agreement.

- L22.04 All vacancies for September 1 will be filled in accordance with Articles L21 and L23 (Posting).

A) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

B) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

C) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

D) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is

- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

E) Short-Term Leave and Disability Plan Top-Up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.

- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

F) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

G) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and

will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.

- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.

LETTER OF AGREEMENT #4

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

AND

The Crown

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:

- 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
- 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
- 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
- 3.1.4 No individuals who retire after the Board participation date are eligible.
- 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
- 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
 - a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015.

- d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the “Boards” commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share based on the amount of the employee’s co-share payment of each benefit. The remaining portion of the Boards’ surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported (“IBNR”) claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board’s IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards’ annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers’ and employees’ premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
- a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
 - c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local

agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums, then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of

the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.

- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.
- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan ("OTIP") for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group's last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees' Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;
 - c. Identifying efficiencies that can be achieved;
 - d. Adopting an Investment Policy; and
 - e. Adopting a Funding Policy.

- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:
- a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
 - b. Fund claims stabilization or other reserves;
 - c. Improve plan design;
 - d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
 - e. Reduce member premium share.
- 5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:
- a. Use of existing claims stabilization funds;
 - b. Increased member share premium;
 - c. Change plan design;
 - d. Cost containment tools;
 - e. Reduced plan eligibility; and
 - f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

- 5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.
- 5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.
- 5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1, will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

- 6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.

- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STLDP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period. Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph l). The full article should then reside in Part B of the collective agreement;
 - 1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
 - 2. A SEB plan with existing superior entitlements;
 - 3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For

example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

C9.00 SICK LEAVE

C9.1 Sick Leave/Short Term Leave and Disability Plan – Teachers (excluding daily occasional Teachers)

a) Sick Leave Benefit Plan

The Sick Leave Benefit Plan will provide sick leave days and short term disability days for reasons of personal illness, personal injury, including personal medical appointments and personal dental appointments. Routine medical and dental appointments will be scheduled outside of working hours where possible.

b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDLP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDLP.
- ii. This top-up is calculated as follows:
Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDLP.
- v. When Teachers use any part of an STLDLP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDLP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and

STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.
- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

RE: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;
- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be

designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement (“OSSTF represented employees”) and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust’s financial, data and administrative requirements. The Trustees will develop an affordable plan based on the level of funding that the group brings to the Trust.
 - 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
 - a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).

- b. A one-time contribution of a half month's premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier's most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the "Boards" commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee's pro rata share based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.
- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent

positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.
 - b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) "Total cost" means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier's most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
 - c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the

review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.

- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,
 - iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,then the in-year deficit in i) would be paid by the board associated with the deficit.
- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of

the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.

- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.0.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.

LANGUAGE FROM SEPTEMBER 1, 2014- AUGUST 31, 2017, AND EXTENSION UNTIL AUGUST 31, 2019

LETTER OF AGREEMENT #6

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

RE: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. PREGNANCY LEAVE BENEFITS

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.
- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph I). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6)

weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-12 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year. Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”
