b) Sick Leave Days

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated eleven (11) sick days at one hundred percent (100%) salary in each school year. Teachers who are less than full-time shall have their sick leave allocation pro-rated.

c) Short-Term Leave and Disability Plan (STLDP)

Subject to paragraphs C9.1 d) i-vi below, full-time Teachers will be allocated one hundred and twenty (120) short-term disability days in September of each school year. Teachers who are less than full-time shall have their STLDP allocation pro-

rated. Teachers eligible to access STLDP shall receive payment equivalent to ninety percent (90%) of regular salary.

d) Eligibility and Allocation

The allocations outlined in paragraphs C9.1 b) and c) above, will be provided on the first day of each school year, subject to the restrictions outlined in C9.1 d) i-vi below.

- i. A Teacher is eligible for the full allocation of sick leave and STLDP regardless of start date of employment or return to work from any leave other than sick leave, WSIB or LTD.
- ii. All allocations of sick leave and STLDP shall be pro-rated based on FTE at the start of the school year. Any changes in FTE during a school year shall result in an adjustment to allocations.
- iii. Part-time Teachers working an unbalanced schedule who work every day of a full school year shall have 11 days of sick leave at 100% pay and 120 additional days of STLDP at 90% pay. In this situation, pay is defined as the amount of money the employee would have otherwise received over that period of absence.
- iv. Where a Teacher is accessing sick leave, STLDP, WSIB or LTD in a school year and the absence due to the same illness or injury continues into the following school year, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation. Access to the new allocation provided as per paragraphs C9.1(b) and (c) for a recurrence of the same illness or injury will not be provided to the Teacher until the Teacher has completed eleven (11) consecutive working days at his/her full FTE without absence due to illness.
- v. Where a Teacher is accessing STLDP, WSIB, or LTD in the current school year as a result of an absence due to the same illness or injury that continued from the previous school year and has returned to work at less than his/her FTE, the Teacher will continue to access any unused sick leave days or STLDP days from the previous school year's allocation.

In the event the Teacher exhausts their STLDP allotment and continues to work part-time their salary will be reduced accordingly and a new prorated sick leave and STLDP allocation will be provided.

Any absences during the working portion of the day will not result in a loss of salary or further reduction in the previous year's sick leave allocation. Once provided, the new allocation will be reconciled as necessary, consistent with (a), (b) and (c) above, to account for any sick leave which may have been advanced prior to the new allocation being provided.

- vi. A partial sick leave day or short-term disability day will be deducted for an absence for a partial day.

e) Short-Term Leave and Disability Plan Top-up

- i. Teachers accessing STLDP will have access to any unused Sick Leave Days from their last year worked for the purpose of topping up salary to one hundred percent (100%) under the STLDP.
- ii. This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent year worked.
- iii. Each top-up from 90% to 100% requires the corresponding fraction of a day available for top-up.
- iv. In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short Term Paid Leave Days in the current year. These days can be used to top-up salary under the STLDP.
- v. When Teachers use any part of an STLDP day they may access their top up bank to top up their salary to 100%.

f) Sick Leave and STLDP Eligibility and Allocation for Teachers in a Term Assignment

Notwithstanding the parameters outlined above, the following shall apply to Teachers in a term assignment:

- i. Teachers in term assignments of less than a full year, and/or less than full-time, shall have their allocation of sick leave and STLDP prorated on the basis of the number of work days in their term compared to 194 days.
- ii. Where the length of the term assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/STLDP to occur. If a change is made to the length of the term or the FTE, an adjustment will be made to the allocation and applied retroactively.
- iii. A Long Term Occasional Teacher who works more than one LTO assignment in the same school year may carry forward Sick leave and STLDP from one LTO assignment to the next, provided the assignments occur in the same school year.

g) Administration

- i. The Board may require medical confirmation of illness or injury to substantiate access to sick leave. If the school board requests, the Teacher shall provide medical confirmation to access STLDP.

- ii. The Board may require information to assess whether an employee is able to return to work and perform the essential duties of his/her position. Where this is required, such information shall include his/her limitations, restrictions and disability related needs to assess workplace accommodation as necessary (omitting a diagnosis) and will be collected using the form as per Appendix B. An alternate form may be used where one is mutually developed and agreed upon at the local level.
- iii. If the employee's medical practitioner has indicated on the form referenced in (ii) above that the employee is totally disabled from work, the Board will not inquire further with respect to the employee's abilities and/or restrictions until the next review of the employee's abilities and/or restrictions in accordance with the review date indicated on the form, subject to the Board's ability to seek medical reassessment after a reasonable period of time.
- iv. At no time shall the employer or any of its agents contact the medical practitioner directly.
- v. A board decision to deny access to benefits under sick leave or STLDP will be made on a case-by-case basis and not based solely on a denial of LTD or WSIB.
- vi. The employer shall be responsible for any costs related to independent third party medical assessments required by the employer.

- c) Teachers' professional judgement is further informed by using diagnostic assessment to identify a student's needs and abilities and the student's readiness to acquire the knowledge and skills outlined in the curriculum expectations. Information from diagnostic assessments helps teachers determine where individual students are in their acquisition of knowledge and skills so that instruction is personalized and tailored to the appropriate next steps for learning. The ability to choose the appropriate assessment tool(s), as well as the frequency and timing of their administration allows the teacher to gather data

that is relevant, sufficient and valid in order to make judgements on student learning during the learning cycle.

- i. Boards shall provide a list of pre-approved assessment tools consistent with their Board improvement plan for student achievement and the Ministry PPM.
- d) Teachers will be consulted, where possible, if a student's grade/mark/comment is changed.

- c) OSSTF Teachers and Occasional Teachers released for such provincial federation work shall receive salary, benefits, and all other rights and privileges under the collective agreement in accordance with local provisions.
- d) OSSTF/FEESO Provincial Office shall reimburse the Employer as per the local collective agreement.

Online learning shall have the same meaning as E-Learning.
- b) Any E-Learning credit course that is offered by a school board in the English Public System shall be delivered by a bargaining unit member in accordance with Part B collective agreement language and local staffing processes. These courses will be offered to a teacher who has expressed interest, where possible.
- c) The Joint Staffing Committee or equivalent shall receive information related to E-Learning staffing.

- d) School Boards shall make available to any teachers delivering E-Learning credit courses the required secure hardware and software, and the appropriate training, within the workday, on the delivery of E-Learning credit courses.

Re: Benefits

The parties agree that, once all employees to whom this memorandum of settlement of the central terms applies become covered by the employee life and health trust contemplated by this Letter of Agreement, all references to life, health and dental benefits in the applicable local collective agreement shall be removed from that local agreement.

The employee representatives, the employer representatives, and the Crown, intend to establish an OSSTF Employee Life and Health Trust (ELHT), (hereinafter, the "Trust"), to provide benefits to teachers and other education workers in the Province of Ontario in accordance with section 144.1 of the *Income Tax Act* (Canada) ("ITA"). School board benefit plans, herein referred to 'benefit plans' can only be moved into the Trust, such that the Trust will be in compliance with the ITA and CRA administrative requirements for an ELHT (the "ELHT Requirements"). It is intended that the Trust be effective September 1, 2016, and that benefit plans will participate in this Trust no later than August 31, 2017. The date on which a benefit plan commences participation in the Trust shall be referred to herein as the "Participation Date".

The parties acknowledge that the establishment of the Trust represents a substantial commitment both within and beyond the term of the current collective agreement. This letter of understanding is conditional upon its terms continuing in full force and effect beyond the termination date of the collective agreement, and is made in detrimental reliance upon such continuation.

1.0.0 PRINCIPLES

- 1.1.0 The Trust will be governed by the employee representatives and the employer representatives, together with the Crown;
- 1.2.0 The Trust will be responsible for the delivery of benefits on a sustainable, efficient and cost effective basis;

- 1.3.0 Services provided by the Trust to be available in both official languages, English and French; and
- 1.4.0 Other employee groups may join the Trust. The Trust will develop an affordable benefits plan that is based on the funding available to the employee groups.

2.0.0 GOVERNANCE

2.1.0 Board of Trustees

- 2.1.1 The Board of Trustees will be comprised of 9 voting members that include 5 employee representatives and 4 employer representatives. The Board of Trustees will include among its members two independent experts, one representing the employer representatives and one representing the employee representatives. The employee representatives will be responsible for the appointment and termination of the employee Trustees, and the employer representatives will be responsible for the appointment and termination of the employer Trustees.
- 2.1.2 The appointed independent experts will:
 - a. Come from outside of the following organizations: the Trust, the shared services office supporting the Trusts, the federations, the school boards and the Government;
 - b. Have no conflict of interest in their role as trustee on the Benefit Plan Trust; and
 - c. Be accredited from one of the following fields: actuarial science, law or, Certified Employee Benefit Specialist (CEBS) or accounting, and have demonstrated experience with employee benefit plans.
- 2.1.3 Other experts may be invited to the Trust in an advisory capacity and will not maintain any voting rights.
- 2.1.4 All voting requires a simple majority to carry.
- 2.1.5 Each Trustee will have an initial term of three years. Terms may be renewed twice, subject to a maximum tenure of nine years. A succession plan will be designed for the Trustees so that the terms of no more than three Trustees expire in any twelve month period.

3.0.0 ELIGIBILITY and COVERAGE

- 3.1.0 The following teachers represented by OSSTF are eligible to receive benefits through this Trust:
 - 3.1.1 The Trust will maintain eligibility for OSSTF represented employees who are covered by the Central Collective Agreement ("OSSTF represented employees") and currently eligible for benefits in collective agreements. The Trust will also be permitted to provide coverage to other employee groups in the education sector with the consent of their bargaining agents and employer or, for non-union groups, in accordance with an agreement between the Trustees and the school authority. These groups must request inclusion in the Trust, and must agree to comply with the Trust's financial, data and administrative requirements. The Trustees will develop

an affordable plan based on the level of funding that the group brings to the Trust.

- 3.1.2 Retirees who were, and still are, members of a Board benefit plan at August 31, 2013 based on the prior arrangements with the Board.
 - 3.1.3 Retirees who became members of a Board benefit plan after August 31, 2013 and before the Board participation date are segregated in their own experience pool, and the premiums are fully paid by the retirees.
 - 3.1.4 No individuals who retire after the Board participation date are eligible.
 - 3.1.5 Retirees that join are subject to the provisions in 3.1.2 through 3.1.4.
 - 3.1.6 Any new group that requests inclusion into the Trust, will be provided a generic branding for their respective benefits plan.
- 3.2.0 The benefit plan may provide coverage for health, life and dental benefits including accidental death and dismemberment (AD&D), medical second opinion, and navigational support. After the initial establishment of the Trust, other employee benefit programs may be considered for inclusion, only if negotiated in future central collective agreements.

4.0.0 FUNDING

4.1.0 Start-Up Costs

- 4.1.1 The Government of Ontario will provide:
- a. A one-time contribution to the Trust equal to 15% of annual benefit costs to establish a Claims Fluctuation Reserve (“CFR”).
 - b. A one-time contribution of a half month’s premium cost (4.15% of annual benefit costs) to the Trust, to cover start-up costs and/or reserves.
 - c. The one-time contributions in (a) and (b) will be based on the actual cost per year for benefits (i.e. claims, premiums, administration, tax, risk or profit charges, pool charges, etc.) as reported on the insurance carrier’s most recent yearly statement for the year ending no later than August 31, 2015.
 - d. The Trust shall retain rights to the data and the copy of the software systems.
- 4.1.2 The Crown shall pay to OSSTF \$2.5 million of the startup costs referred to in s.4.1.1(b) on the date of ratification of the central agreement and shall pay to OSSTF a further \$2.5 million subject to the maximum amount referred to in s.4.1.1(b) by June 1, 2016. The balance of the payments, if required under s.4.1.1(b), shall be paid by the Crown to OSSTF on or before September 1, 2016.
- 4.1.3 On the day the District School Boards, the Provincial Schools Authority, school authorities, and Hospital Boards hereinafter referred to as the “Boards” commence participation in the Trust, or as soon as reasonably and feasibly possible thereafter, all eligible and available surpluses in board-owned defined benefit plans will be transferred to the Trust in an amount equal to each employee’s pro rata share

based on the amount of the employee's co-share payment of each benefit. The remaining portion of the Boards' surplus will be retained by the Boards.

- 4.1.4 All Boards reserves for Incurred But Not Reported ("IBNR") claims and CFR, will remain with the existing carriers until those reserves are released by the carriers based on the terms of existing contracts.
- 4.1.5 Upon release of each Board's IBNR and CFR by the carriers, the reserves will be retained by the applicable Boards. For the Administrative Services Only plans (ASO), a surplus (including any deposits on hand) that is equal to or less than 15% of the Boards' annual benefit cost will be deemed to be a CFR and IBNR and will be retained by the applicable Boards upon its release by the carriers. Where a surplus (including deposits on hand) exceeds 15% of the annual benefit cost, the remaining amount will be apportioned to the Boards and the Trust based on the employers' and employees' premium share.
- 4.1.6 For policies where the experience of multiple groups has been combined, the existing surplus/deficit will be allocated to each group based on the following:
 - a. If available, the paid premiums or contributions or claims costs of each group; or
 - b. Failing the availability of the aforementioned financial information by each group, then the ratio using the number of Full Time Equivalent positions (FTE) covered by each group in the most recent policy year will be used.

Methodology listed above will be applicable for each group leaving an existing policy where the experience of more than one group has been aggregated. Policies where the existing surplus/deficit has been tracked independently for each group are not subject to this provision.

- 4.1.7 Boards with deficits will recover the amount from their CFR and IBNR. Any portion of the deficit remaining in excess of the CFR and IBNR will be the responsibility of the board.
- 4.1.8 In order to ensure the fiscal sustainability of said benefit plans, Boards will not make any withdrawal, of any monies, from any health care benefit plan reserves, surpluses and/or deposits nor decrease in benefit plan funding unless in accordance with B-Memo B04:2015. It is the parties understanding that Ministry of Education Memo B04:2015 applies and will remain in effect until Board plans become part of the Trust.

4.2.0 On-Going Funding

- 4.2.1 For the current term the Boards agree to contribute funds to support the Trust as follows:
 - a. The Boards will continue to provide benefits in accordance with the existing benefit plans and co-pay arrangements until the Employees' Participation Date in the Trust.

- b. On the participation date, for board-owned defined benefit plans, the board will calculate the annual amount of i) divided by ii) which will form the base funding amount for the Trust;
 - i) “Total cost” means the total annual cost of benefits and related costs including but not limited to claims, administration expenses, insurance premiums, consulting and advisory fees and all other costs and taxes, as reported on the insurance carrier’s most recent yearly statement and, if any, premium costs on other school authority financial statements for the year not ending later than August 31, 2015. The statements are to be provided to the Ministry of Education.
 - ii) The average number of Full-Time Equivalent (FTE) positions in the bargaining unit as at October 31st and March 31st for the period consistent with b i).
- c. All amounts determined in this Article 4 shall be subject to a due diligence review by the OSSTF. The school authorities shall cooperate fully with the review, and provide, or direct their carriers or other agents to provide, all data requested by the OSSTF. If any amount cannot be agreed between the OSSTF and a school authority, the parties shall make every effort, in good faith, to resolve the issue using the data provided, supporting information that can be obtained and reasonable inferences on the data and information. If no resolution to the issue can be achieved, on any material matter, then this Letter of Understanding shall be null and void, no Participation Dates for any Boards shall be triggered and the benefits related provisions of all local agreements, as they were before the adoption of this Letter of Understanding, shall remain in full force and effect.
- d. On the participation date, the board will contribute to the Trust the amount determined in s. 4.2.1 (b) plus 4% for 2015-16 and 4% for 2016-17.
- e. An amount of \$300 per FTE, in addition to (d) will be provided.
- f. To the extent that there is an increase agreed to prior to September 1, 2016 at another bargaining table that is beyond the base funding amount for that table, the same amount per FTE will be provided to the Trust if it is in excess of the amount in (e).
- g. On the participation date, for defined contribution plans, the board will contribute to the Trust, the FTE amount indicated in the collective agreements for the fiscal year 2013-14, plus 4% for 2015-16 and 4% for 2016-17. In 2014-15, for Federation owned plans, if in aggregate, the following three triggers are met:
 - i) there is an in-year deficit,
 - ii) that the deficit described in i) is not related to plan design changes,

iii) that the aggregate reserves and surpluses are less than 8.3% of total annual costs/premiums,

then the in-year deficit in i) would be paid by the board associated with the deficit.

- h. With respect to (b) and (d), above, the contributions provided by the Board will include the employees' share of the benefit cost as specified by the board's collective agreement until such time that the employees' share is adjusted as determined by the Trust and subject to the funding policy.
- i. The terms and conditions of any existing Employee Assistance Program shall remain the responsibility of the respective boards and not the Trust.
- j. The FTE used to determine the Boards' benefits contributions will be based on the boards' FTE as of October 31st and March 31st of each year. Each Board's total FTE shall be verified by the Local Bargaining Unit.
- k. All Long-Term Occasional employees will be eligible for benefits under the Trust subject to the appropriate waiting period for benefits as defined under the school board collective agreements. Any co-pay arrangements that exist under school board collective agreements will continue under the Trust.
- l. With respect to daily occasional teachers, where payment is provided in-lieu of benefits coverage, this arrangement will remain the on-going obligation of the boards. Where benefits coverage was previously provided by the boards, payment-in-lieu will be provided.
- m. Funding previously paid under (b), (d), (e) and (f) above will be reconciled to the agreed October 31st and March 31st FTE and any identified difference will be remitted to the Trust in a lump sum on or before the last day of the month following reconciliation.
- n. In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved at the boards' joint staffing committee.
- o. As of the day that a Board commences participation in the Trust, Boards will submit an amount equal to 1/12th of the negotiated funding amount as defined in s. 4.2.1 (b), (d), (e) and (f) to the Plan's Administrator on or before the last day of each month.

5.1.0 SUSTAINABILITY, EFFICIENCY AND ACCOUNTABILITY

5.1.0 Shared Services

- 5.1.1 OSSTF agrees to adopt a shared services model that will allow other Trusts to join the shared services model. The shared services office of the Trust is responsible for the services to support the administration of benefits for the members, and to assist in the delivery of benefits on a sustainable, efficient and cost effective basis.

- 5.1.2 Shared administrative services will be provided by the Ontario Teachers Insurance Plan (“OTIP”) for a period of three years from the commencement of the first participation date and will be competitively procured within 4 years from the employee representative group’s last participation date.
- 5.1.3 Any procurement of services to support the administration of benefits conducted by the shared services office should include the procurement of these services for all Trusts to ensure the most efficient and cost effective service.

5.2.0 Board of Trustees’ Responsibilities

- 5.2.1 The Board of Trustees will be responsible for the operational and financial sustainability of the Trust, including:
 - a. Validation of the sustainability of the respective Plan Design;
 - b. Establishing member contribution or premium requirements, and member deductibles;
 - c. Identifying efficiencies that can be achieved;
 - d. Adopting an Investment Policy; and
 - e. Adopting a Funding Policy.
- 5.2.2 Under the Funding Policy, surpluses at the Trust may not be refunded or distributed in cash, but may be used, as determined by the Trust to:
 - a. Fund future claims in conjunction with the fixed funding and term contained in the collective bargaining agreement;
 - b. Fund claims stabilization or other reserves;
 - c. Improve plan design;
 - d. Expand eligibility (subject to Section 3.1.2 through to 3.1.4); and
 - e. Reduce member premium share.
- 5.2.3 Under the Funding Policy, actual and projected funding deficiencies of the Trust will be addressed no later than the next regular plan renewal (as of September 1st) using one or more of the following methods, as determined by the Trust:
 - a. Use of existing claims stabilization funds;
 - b. Increased member share premium;
 - c. Change plan design;
 - d. Cost containment tools;
 - e. Reduced plan eligibility; and
 - f. Cessation of benefits, other than life insurance benefits.

5.3.0 Accountability

- 5.3.1 Actuaries and external auditors will be appointed by the Trust. Audited financial statements, and an actuarial evaluation report will be obtained for the Trust on an annual basis. The actuarial report will include projections for the Trust for a period of not less than 3 years into the future.
- 5.3.2 If the actuarial report projects the CFR balance to be less than 8.3% of plan expenses over a projected three year period, then a plan design change must be made to address the projected shortfall in the CFR. If the motion to adjust the plan

design does not pass, the Trust will increase member share premiums to restore the balance above 8.3%.

- 5.3.3 Copies of the audited financial statements and actuarial evaluation report requested in section 5.3.1 will be shared with the federation, OPSBA and the Ministry of Education.

6.0.0 TRANSITION COMMITTEE

- 6.1.0 A transition committee comprised of the employee representatives and the employer representatives, including the Crown, will be established to address all matters that may arise in the creation of the Trust.

LETTER OF AGREEMENT #6

BETWEEN

**The Ontario Public School Boards' Association
(hereinafter called 'OPSBA')**

AND

**The Ontario Secondary School Teachers' Federation
(hereinafter called the 'OSSTF')**

Re: Status Quo Central Items as Modified by this Agreement

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo. For further clarity, the following language must be aligned with current local provisions and practices to reflect the provisions of the 2012-13 MOU. As such the following issues shall not be subject to local bargaining or mid-term amendment by the local parties. Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

1. Pregnancy Leave Benefits

Common Central Provisions

- a) The Employer shall provide for permanent and long-term occasional teachers and teachers hired into a term position who access such leaves, a SEB plan to top up their E.I. Benefits. The teacher who is eligible for such leave shall receive salary for a period immediately following the birth of her child, but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and her regular gross pay.
- b) SEB payments are available only to supplement E.I. benefits during the absence period as specified in this plan.
- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.
- d) Teachers on daily casual assignments are not entitled to pregnancy leave benefits.

- e) The teacher must provide the Board with proof that she has applied for and is in receipt of employment insurance benefits in accordance with the Employment Insurance Act, as amended, before SEB is payable.
- f) Teachers not eligible for employment insurance benefits or the SEB plan will receive 100% of salary from the employer for a total of not less than eight (8) weeks with no deduction from sick leave or STLDP.
- g) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- h) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STLDP through the normal adjudication process.
- i) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- j) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.
- k) Births that occur during an unpaid period (i.e. summer, March break, etc.) shall still trigger the pregnancy benefits. In those cases the pregnancy benefits shall commence on the first day after the unpaid period.

Local Bargaining Units will identify which of the SEB plans below apply in their circumstance. The applicable language must be included with the Common Central language above as paragraph l). The full article should then reside in Part B of the collective agreement;

1. A SEB plan to top up their E.I. Benefits for eight (8) weeks of 100% salary is the minimum for all eligible teachers. The teacher who is eligible for such leave shall receive 100% salary for a period not to exceed eight (8) weeks immediately following the birth of her child but with no deduction from sick leave or the Short Term Leave Disability Program (STLDP). The SEB Plan pay will be the difference between the gross amount the teacher receives from E.I. and their regular gross pay;
2. A SEB plan with existing superior entitlements;
3. A SEB or salary replacement plan noted above that is altered to include six (6) weeks at 100%, subject to the aforementioned rules and conditions, plus meshing with any superior entitlements to maternity benefits. For example, 17 weeks at 90% pay would be revised to provide 6 weeks at 100% pay and an additional 11 weeks at 90%.

2. Workplace Safety Insurance Benefits (WSIB) Top Up Benefits

If the employee is in a class of employees that, on August 31, 2012, was entitled to use unused sick leave credits for the purpose of topping up benefits received under the *Workplace Safety and Insurance Act, 1997*;

- a) The top-up amount shall be paid for a maximum of four years and six months.
- b) The top-up amount shall be paid at a rate determined in accordance with the collective agreement in effect on August 31, 2012 or, if the collective agreement did not provide for the top up, in accordance with a board policy in effect on August 31, 2012.
- c) If, as a result of an accident, an employee received benefits under the *Workplace Safety and Insurance Act, 1997* in respect of the first workday in the 2012-2013 fiscal year, the employee's entitlement to be topped up for four years and six months shall be reduced by the length of time for which the employee received benefits under that Act as a result of that accident.
- d) Status quo to be determined.

3. Short Term Paid Leaves

The parties agree that the issue of Short Term Paid Leaves had been addressed at the Central Table and the provisions shall remain status quo to provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 Collective Agreement, that utilizes deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of five (5) days per school year. Local collective agreements that have more than (5) days shall be limited to five (5) days. These days shall not be used for the purpose of sick leave nor shall they be accumulated from year-to-year.

Such provisions shall not be subject to local bargaining or mid-term amendments between local parties. Notwithstanding this stipulation, local collective agreement terms will need to align with the terms above.

4. Retirement Gratuities

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix A - Retirement Gratuities.

Disputes arising in respect of such provisions shall be subject to Section 43 of the *School Boards Collective Bargaining Act, 2014*.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. A Teacher is not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Teacher had accumulated and was eligible to receive as of that day.

The following language applies only to those teachers eligible for the gratuity above:”

- L4.11 If the grievance is not settled within ten school days of the meeting or after written response has been given if earlier than ten school days or upon expiry of time limits, it may be referred to arbitration within thirty school days in accordance with L4.16.
- L4.12 The Board or Bargaining Unit may initiate a policy or group grievance beginning at Step Two of the grievance procedure. The Board or Bargaining Unit shall initiate such policy or group grievance by giving notice to the other party within 90 school days following the day that the cause for the grievance became known or reasonably ought to have been known to the grieving party.

- L4.20 Either party may, if the caseload warrants or if unreasonable delays are encountered in obtaining hearing dates, request the other party to consider means of expediting the process which may include a predetermined list of arbitrators, more expeditious methods of handling certain types of grievances, etc.
- L4.21 The single arbitrator or the board of arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations.

- L4.22 The single arbitrator or board of arbitration shall have the power to amend technical deficiencies of the grievance and modify penalties including disciplinary penalties but shall not by its decision add to, delete from, modify or otherwise amend the provisions of this Agreement.
- L4.23 No person shall be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- L4.24 The time limits prescribed in L4.0 to L4.22 shall be calculated excluding the date the cause became known, or reasonably ought to have been known, but including the last day of the prescribed time limit.
- L4.25 Each of the parties shall bear the expense of its appointee, if any, to the arbitration board, and one-half the expense of the chairperson or single arbitrator. The parties shall pay their own expense of appearing at the hearing of the arbitration board.
- L4.26 No action of any kind shall be taken against any person because of that person's participation in the grievance or arbitration procedures under this Agreement.
- L4.27 If a grievance is not initiated within the time limit set forth in L4.5 or L4.12 or is not processed to the next higher step or to arbitration within the time limits prescribed, the grievance shall be deemed to be abandoned. The parties may by mutual consent agree to extend the time limits provided for herein. For the purpose of this grievance procedure the term "school days" as used herein shall mean a day that is within a school year and is not a school holiday.
- L4.28 If there are several grievances concerning similar matters, they may be heard or considered together as one grievance.
- L4.29 A Teacher may be disciplined only for just cause.
- L4.30 If a grievance concerns the discipline of a Teacher, including disciplinary dismissal, or discharge for incompetence, or just cause, the arbitration board may confirm the decision of the Board or reinstate the Teacher with or without full compensation or otherwise modify the penalty.
- L4.31 A grievance involving remuneration may be initiated up to twelve (12) calendar months after the cause reasonably ought to have become known but the twelve (12) month period cannot extend beyond two (2) contract years.

- L6.3 The Board shall neither reverse nor reconsider any determination made by it pursuant to L6.2 except in the case of error, fraud or misrepresentation in the documentation furnished by the Teacher.
- L6.4 Notwithstanding the L6.3, in the case of a newly hired Teacher or a Teacher requesting a change in Group placement, the Board shall not be precluded from making a tentative determination of Group placement of a Teacher and reversing or reconsidering the same within one month of receipt of the appropriate certification documentation at the designated office of the Board if such documentation reveals that the tentative determination was made on the basis of incomplete or inaccurate documentation. The Board will provide receipts giving the date, time of delivery, and a list of the documentation provided by the Teacher.
- L6.5 Except in the case of fraud or misrepresentation in the documentation furnished by the Teacher, no Teacher employed with the Board during the current school year shall be paid on the basis of a lower Group than the Group in which that Teacher was last paid prior to September 1 or the first day of the school year for year-round or for schools and worksites with an alternate calendar of the current school year, while the Teacher remains employed as a Teacher with the Board.
- L6.6 A Teacher's Grid Salary shall be determined for a school year on the Teacher's qualifications as at September 1 of that school year provided that if the Teacher furnishes notice in writing by December 15 of a change in qualifications effective September 1 of that school year, Group placement shall be made on the basis of the new qualifications with the corresponding Grid Salary change retroactive to September 1. If the Teacher furnishes notice in writing by June 1 of a change in qualifications effective January 1 of that school year, Group placement shall be made on the basis of the new qualifications with the corresponding Grid Salary change retroactive to January 1. - L6.9 No overpayment or underpayment prior to September 1 of the current school year (or the first day of instruction in August for year-round school programs) that resulted from incorrect Group placement shall be recoverable or payable unless the incorrect placement was made as a result of fraud or misrepresentation.
- L6.10 Notwithstanding L6.9 in the case of a dispute in regard to Group placement initiated prior to the commencement of the current school year, an overpayment, or underpayment may be recoverable or payable for a period within the school year commencing immediately prior to September 1 of the current school year.
- L6.11 If a Teacher believes that an underpayment has occurred, the Teacher will contact the appropriate payroll and/or staffing officer.

Any substantiated underpayment should be corrected within one to three pay periods, except in cases where a Teacher is not being paid a basic salary in which case the Payroll Department will issue a cheque.

If a substantiated overpayment has occurred, the Board shall communicate with the Teacher in writing and inform them of the amount of the overpayment. The Board shall establish a repayment schedule in writing prior to any sum representing repayment being deducted from a Teacher's salary. If the Teacher does not respond within 30 days the board will use the following to recover the overpayment

- c) Teachers hired in a term position or filling a long-term assignment shall be entitled to the benefits outlined in a) above, with the length of the SEB benefit limited by the term of the assignment.

- f) For clarity, for any part of the eight (8) weeks that falls during a period of time that is not paid (e.g. summer, March Break, etc.), the remainder of the eight (8) weeks of top-up shall be payable after that period of time.
- g) Teachers who require a longer than eight (8) week recuperation period shall have access to sick leave and the STDLP through the normal adjudication process.
- h) If an employee begins pregnancy leave while on an approved leave from the employer, the above maternity benefits provisions apply.
- i) The start date for the payment of the pregnancy benefits shall be the earlier of the due date or the birth of the child.

 - (b) an application for SEB must be made by the Teacher on a form to be provided by the Board and the Teacher shall provide proof that the Teacher is in receipt of E.I. benefits indicating the weekly amount to be paid by ESDC;
4. A Teacher must have applied for and be in receipt of E.I. benefits before a SEB becomes payable.

A SEB payment shall be made only when it has been verified that the Teacher has applied for and is in receipt of E.I. benefits.
6. A Teacher shall not have the right to a SEB payment except for supplementation of E.I. benefits for the unemployment period as specified by this Plan.
7. The benefit levels paid under this Plan are set out in (8) and (9) below. It is understood that consistent with current employment insurance regulations:
 - (a) in any week, the total amount of the SEB, E.I. gross benefits and any other earnings received by the Teacher shall not exceed 95% of the Teacher's normal weekly earnings, and

SAMPLE LETTER - REPLACEMENT TEACHER

Dear (name of Replacement Teacher):

This letter will confirm that you have agreed to accept our offer of employment as a Replacement Teacher for a fixed term pursuant to the terms and conditions of the collective agreement between the Board and the Bargaining Unit. You will be assigned to a full-time (part-time) classroom position at X school to replace the regular teacher, X, who is temporarily absent.

X is not expected to return to work before the _____ day of _____ 20____. There is, of course, the possibility that X will return earlier than has been indicated, but we are advised that this possibility is unlikely. As a result, your period of employment as a Probationary Teacher is for the period _____ to _____ (referred to as the "Fixed Term") or such shorter period as may be necessary if X returns to work earlier than anticipated. This replacement teaching position, and your employment as a Probationary Teacher with the Board, will therefore terminate by mutual consent on the earlier of _____ day of _____ 20____, or the date X returns to work. The Fixed Term may be extended in the event that the absent Teacher does not return as anticipated.

It is understood that should the Teacher whom you are replacing return to active employment prior to the mutually agreed termination date you shall be paid as per the Collective Agreement until the mutually agreed termination date stipulated in this letter or for five school days, whichever is less, and during such period you may be assigned other teaching duties.

Yours truly,

On behalf of the Board

I hereby accept the offer of employment as a Probationary Teacher set out above for the Fixed Term specified above and, in accepting, I hereby mutually agree with the Board to termination of this contract as specified above.

LOCAL APPENDIX D

Adult Day School Qualification Rating Statements

The group placement of an ADS Teacher shall be determined by the Board based upon the Certification Rating Statement of OSSTF and/or QECO Statement of Evaluation. If an ADS Teacher has not submitted a Statement of Evaluation, they will be placed in Group 1 (A1) by default until such time that an Evaluation Statement is received.

Years of Experience

The ADS Teacher's step in each Group shall be determined by the number of years of ADS Teaching Experience within the Board and/or predecessor Board credited to the ADS Teacher. Experience in a school year is defined as having taught in an Adult Day School during the school year. Credit is not granted for summer employment, related experience or other Continuing Education programs. Equivalent Teaching Experience shall not exceed 1.0 years for any period commencing September 1 and ending the following August 31.

Eligible Hours

Any hours worked delivering summer school credit courses that begin after the end of the regular school year and evening credit courses for adult students that begin after 5:00 pm are not eligible to be paid on the ADS grid rate. Lunch hours are not to be paid.

The hours taught in the above noted programs are also not to be included in the calculation of teaching experience for ADS teachers' wage grid placement purposes.

Other Compensation/Benefits

Similar to Regular Day School teachers, the hourly rate on the wage grid includes all elements of compensation that may currently be paid in addition to the wage, such as statutory holiday pay, vacation pay, or pay in lieu. These items are not to be added on top of hourly wage. However, statutory benefits, such as Employment Insurance (EI), Canadian Pension Plan (CPP), Employer Health Tax (EHT), etc. must be applied.
