The University shall notify the Member of any addition to their official personnel file that pertains to performance.
- 8.1.3** Members will have the right to examine their official personnel files, exclusive of any letters of reference which have been provided on a confidential basis, by application to the Human Resources Department during normal business hours.
- 8.1.4** Any letters related to disciplinary issues as referred to in Article 29: (Discipline and Discharge Cases) that are at least eighteen (18) months old will be removed from a Member's official personnel file and reference will not be made to them, provided that no similar disciplinary documents relating to similar problems have been added to their official personnel file during that eighteen month period.
- 8.1.5** Members may supplement the contents of their personnel files with documents related to their employment by forwarding such documents to the Human Resources Department.

8.2 Confidentiality of Personnel Files

- 8.2.1** The security and confidentiality of personnel files will be the responsibility of the Office of the Chief Human Resources & Equity Officer.

- 8.2.2** Access to personnel files will be limited to the Member, staff in the Human Resources Department and to the Member's current manager and other authorized University officials in connection with personnel, administrative and/or labour relations matters.
- 8.2.3** When the Human Resources Department receives requests for personal or employment-related information regarding a Member from an external agency, it will confirm employment only. Additional information will only be divulged with the written authorization of the Member.

8.3 Member Health Files

- 8.3.1** All Member health files, including physician statements requested as per Article 25.16 (Sick Leave) will be kept in an area separate from all other personnel files and under secure conditions. Access to the files will be limited to authorized persons within the Human Resources Department.
- 8.3.2** The Safety, Health, Environment and Risk Management (SHERM) department is responsible for the administration of the WSIB program and its related files. These files will be kept in a secure location and accessed solely by authorized personnel in that department.
- 8.3.3** Access will only be provided to any other person(s) with the prior approval of the Member.

ARTICLE 9: NEW STAFF ORIENTATION

- 9.1** The Human Resources Department will notify the President of the Association of the names of new Members prior to their first day of employment.
- 9.2** A representative of the Association will be given the opportunity to meet with new Members at a monthly Orientation Session arranged by the Association. The monthly session will be limited to a maximum of thirty (30) minutes per month, within regular hours, with no loss of compensation and benefits.

ARTICLE 10: STRIKES AND LOCKOUTS

- 10.1** The Association agrees that there will be no strike, slowdown, or other interruption of work during the term of this Agreement.
- 10.2** The University agrees that there will be no lockout during the term of this Agreement.
- 10.3** In the event that any employee of the University other than those covered by this Agreement, engages in a lawful strike and maintains picket lines, Members covered by this Agreement will neither be asked nor be required to perform work normally done by those employees, with the exception of those Members who manage or supervise the work of employees who are covered under the terms and conditions of another collective agreement.

ARTICLE 11: SENIORITY

- 11.1** Seniority is defined as the length of continuous service calculated from the most recent date of employment with the University. One (1) year of seniority will be earned when a Member has been employed for a period of one (1) year in which their regularly scheduled hours are twelve hundred and fifty (1250) or more per year. Seniority will not be affected by absence resulting from vacations, holidays, sick leave or injury, suspensions, or other leaves as provided for in this Agreement.
- 11.2** Seniority of Members whose regularly scheduled hours of work are less than twelve hundred and fifty (1250) hours per year will be determined on a pro-rata basis, in accordance with Article 11.1. Overtime hours worked in excess of regularly scheduled hours will not be used in calculating seniority.
- 11.3** The University will maintain a seniority list showing the date upon which the Member commenced their most recent employment with the University and their total years of equivalent full-time service. An up-to-date seniority list will be sent to the Association and will be posted on agreed-upon bulletin boards in September of each year and, within two (2) weeks, if requested by the Association. Human Resources Department will also post the seniority list on the Human Resources Department website. The Association will post copies of the seniority list on the agreed-upon bulletin boards.
- 11.4** Members will lose their seniority and will be deemed to have terminated their employment with the University for any of the following reasons:
- (i) they complete a limited-term appointment;
 - (ii) they are discharged for just cause and not reinstated;
 - (iii) they resign or retire;
 - (iv) after a layoff they fail to return to work as per Article 16: (Recall Rights);
 - (v) they are laid off for a period longer than provided in Article 16: (Recall Rights);
 - (vi) they have been absent from work because of illness or injury for a period in excess of twenty four (24) months. Such periods may be extended by mutual consent of the Association and University. This clause is subject to the Parties' obligation under the Ontario Human Rights Code. Members on an approved Long Term Disability claim will be eligible for benefits under Article 26.3.1.

ARTICLE 12: APPOINTMENT OF MEMBERS

12.1 Position Definitions

12.1.1 A Continuing Position is a position, either full-time or part-time, where no ending or renewal date is stated at the time of posting.

12.1.2 A Limited-Term Position is a position, either full-time or part-time, where an ending date is stated at the time of posting and where there is no employment commitment beyond the specified term. The University may, with the agreement of the Association, establish a Limited-Term Position for a period of greater than twenty-four (24) months. Such agreement by the Association will not be unreasonably withheld.

12.1.3 A Recurring Position is a Continuing Position, either full-time or part-time that incorporates one (1) regularly scheduled commencement and cessation of employment.

12.1.4 Limited-Term Positions are not substitutes for, or alternatives to, Continuing Positions and may be made:

- (i) to replace a Member on leave;
- (ii) to replace a Member on an appointment involving changed responsibility (e.g., temporary upgrading);
- (iii) to fill a position made available with funds from sources that stipulate a contractually limited-term availability (e.g., grants);
- (iv) to fill a position made available by the initiation or implementation of a fixed-term activity, such as a fund-raising campaign;
- (v) in the event that the University establishes a new position in response to a new initiative where it is not certain that the position will continue beyond the length of the specified term;
- (vi) to fill a vacant continuing position that because of an upcoming restructuring or the implementation of new technology will not be continued beyond the length of a Limited-Term Position;
- (vii) where the Continuing Position has been identified as an upcoming redundancy to satisfy announced budget reductions.

12.1.5 It is the intention of the University to replace a Member on leave with a Limited-Term Position of the same grade, hours of work and schedule as the position the Member held prior to the first day of the leave. In the situation where this presents a valid operational concern, mutual agreement between the parties must be sought prior to posting.

12.1.6 In the event that a Limited-Term Position continues beyond the maximum period:

- (i) the University and the Association may mutually agree to extend the length of the Limited-Term Position. Members hired externally into that position will continue to be eligible to apply for posted vacancies as an internal candidate. A copy of the written extension will be sent to the Association; or
- (ii) the University will post the position as a Continuing Position and will fill the position in accordance with the provisions of the Agreement; the incumbent will be permitted to apply for the posted Continuing Position and will be considered an internal applicant.

Subject to the foregoing, the termination of employment at the end of a Limited-Term Position will not be made subject of a grievance.

12.1.7 Temporary Positions/Appointments will be made where assistance is needed during specific periods of temporary rush or for specific special assignments or where replacements are needed for Members absent for reasons such as leaves of absence, illness, paid holidays, or vacations.

12.1.8 Temporary Positions/Appointments are not substitutes for or alternatives to Continuing, Limited-Term, or Recurring positions.

12.1.9 It is understood that a Temporary Position/ Appointment will not exceed seventy (70) working days. This term can be extended only with the written agreement between the Association and the University. Such extensions will not be unreasonably sought nor denied.

12.1.10 For positions that are extended beyond seventy (70) days in length, the Member will be eligible to apply for posted vacancies as an internal candidate, receive 4% in lieu of benefits and be placed on an appropriate step on the salary grid. Notwithstanding, a probationary period will only commence once the Member is successful in obtaining a Limited-Term or Continuing Position.

12.1.11 Members in Temporary Positions/Appointments will be subject to terms and conditions laid out in APPENDIX D:.

12.1.12 The Association and the University recognize that not all Bargaining Unit positions can operate efficiently under some of the conditions of the current Agreement and that specific employment provisions may be required for certain positions. These positions can be found in Appendix E.

12.2 Probationary Period

- 12.2.1** From the most recent date of employment, a newly hired Member will be on probation for a period of thirteen (13) weeks for positions up to and including grade level seven (7) and a period of twenty-six (26) weeks for grade levels eight (8) and higher.
- 12.2.2** At the time of hire, the manager will advise the Member of the job requirements and the expectations of successful job performance. Throughout the Probationary Period, the Member's progress and performance will be reviewed regularly based on the job requirements and the expectations of successful job performance provided to the Member at the time of hire. Any concerns will be documented with a copy being sent to the Member.
- 12.2.3** If performance is deemed to be satisfactory, the appointment will be confirmed in writing.
- 12.2.4** If the Member's progress and performance is deemed to have been unsatisfactory, the Member's manager will either request an extension of the Probationary Period from the Association, or will terminate the Member's employment. Notwithstanding, the employment of probationary Members may be terminated at the discretion of the University at any time during their probationary period provided that such termination is not arbitrary, discriminatory or in bad faith. Request for an extension will not be unreasonably denied.
- 12.2.5** The Member must be actively at work during the Probationary Period. If the Member is unable to attend work due to scheduled vacation or sick leave the Probationary Period may be extended by the number of days absent.
- 12.2.6** The Association will be notified in advance of all terminations of probationary Members, as per Article 29: (Discipline and Discharge Cases).

12.3 Position Posting

- 12.3.1** The University shall post Bargaining Unit vacancies within twenty (20) working days of the position becoming vacant. If a vacancy is not posted within the time allotted, the University shall provide in writing to the Association, rationale for the delay.
- 12.3.2** Prior to posting, Members on Layoff with Recall Rights (Article 16:) will be considered for vacant positions, followed by Members on Priority Placement (Article 14:). Members with Recall Rights who apply for positions at grade levels higher than they held at the time of layoff will be considered internal candidates. If the position remains vacant after this process, the University will post the position.
- 12.3.3** All Bargaining Unit positions will be posted internally. The University agrees that Members have priority over persons outside the Bargaining Unit.

12.3.4 Vacancies for new or existing positions as defined in Articles 12.1.1, 12.1.2, and 12.1.3 will be posted electronically, with a copy sent to the Association at the same time, for five (5) consecutive working days from the date of issue. Internal postings of Bargaining Unit positions are available to eligible Members only, as defined in Article 12.3.6.

12.3.5 The University may post all vacant Bargaining Unit Positions externally immediately after the internal posting deadline date has passed. In cases where the University believes that there are no internal applicants who have the required qualifications, skills and ability, as stated in the job posting, or believes that the terms and conditions of the position are such that no internal applicants would apply for the position, the University may request to post the position both internally and externally at the same time. Such requests would not be unreasonably denied by the Association. The posting will include:

- (i) title, department, and description of the position;
- (ii) position manager/department chair/ administrative manager and, where applicable, immediate supervisor;
- (iii) job grade, salary range and job factor scores;
- (iv) employment category, including the start and end dates for Limited-term and Recurring Positions;
- (v) regular work schedule including any requirements to work evenings, weekends, or be on-call;
- (vi) required qualifications, skills, and ability, including the allowance of equivalencies as defined in Article 12.4;
- (vii) posting date, internal posting deadline, external posting deadline and the expected start date of the successful candidate.

12.3.6 To be eligible to apply for posted vacancies as an internal candidate, Members must have completed their Probationary period. Members hired externally into a Limited-Term Position can only apply for other vacant positions three (3) months prior to the end of the limited term or, earlier if the limited term position is replaced with a continuing position. Such Members will be notified in their offer of employment.

12.3.6.1 Notwithstanding 12.3.6, should the Limited-Term Position be extended beyond the original anticipated end date, the Member will continue to be eligible to apply for posted vacancies as an internal candidate.

12.4 Equivalencies

12.4.1 For positions that require legal education certification, such as a Nursing Diploma or Registered Massage Therapist designation, equivalencies will not be permitted.

12.4.2 For positions where an equivalency may be permitted, internal applicants who do not meet the minimum education requirements would need to possess two (2) additional years of relevant experience for every one (1) year of education that they do not possess to meet the minimum education requirements, using the following chart:

Education Required	Equivalency (related work experience)
Secondary, plus One Year Post-Secondary education	Secondary plus 2 years work experience
College Diploma (2 year program)	1 year post-secondary education plus 2 years work experience
	No post-secondary education plus 4 years work experience
Bachelor's Degree (4 year program)	3 years post-secondary education plus 2 years work experience
	2 years post-secondary education plus 4 years work experience
	1 year post-secondary education plus 6 years work experience
	No post-secondary education plus 8 years work experience

12.4.3 Notwithstanding Article 12.4.1, should the University determine that a position should not allow equivalencies, the position shall be sent to the Joint Job Evaluation & Pay Equity Steering Committee (JJEPEC) for final decision.

12.5 Application Process

12.5.1 All internal applicants are required to submit an updated resume with their cover letter as per the instructions on the posting notice. Applications will be accepted up to the internal deadline date. Applications may be accepted up to the external deadline date if the applicant was absent from the workplace during the posting process and only if the selection process has not reached the job offer stage.

12.5.2 All applications will be considered in strictest confidence.

12.5.3 The Human Resources Department will not divulge any information pertaining to external applications until the internal applicants have been thoroughly processed and no qualified applicant is found.

12.6 Selection Process

12.6.1 The University will review the resume and cover letter to determine whether an internal applicant appears to meet the required qualifications, skills, and ability, or appears to possess the equivalent education and experience as described in Article 12.4, as listed in Article 12.3.5 (Position Posting), of the posted vacancy and will be given an interview.

12.6.2 If there are more than five (5) internal applicants who meet the conditions of Article 12.6.1, the University may, on the basis of seniority, establish a shortlist of at least five (5) applicants.

12.6.3 The University will use the interview process to confirm the Member's qualifications, skills, and ability. The Hiring Manager may request, from Human Resources, to view letters of discipline that are relevant to the performance of the applicant. Annual Performance Reviews shall not be used in the hiring process.

12.6.4 No applicant will be deemed unqualified who, with a reasonable amount of training as per Article 12.8.1 would be able to perform the duties of the job.

12.6.5 Where the skills, ability, relevant past performance, and qualifications of the applicants are relatively equal, the position will be given to the applicant with the most seniority.

12.6.6 It is agreed that Members will not be considered for position vacancies if the transfer or promotion would result in their supervising or being supervised by a spouse, child, sibling or parent as defined in the Ontario Human Rights Code.

12.6.7 At the conclusion of the internal selection process, the hiring manager or the Human Resources Department will notify the unsuccessful applicants who, upon request will receive in writing, all the reasons for not being selected. The unsuccessful applicants may also request a follow-up meeting with the hiring manager or the Human Resources

Department for the purpose of receiving feedback and to identify areas for professional development.

12.6.8 Successful internal applicants will be released from their present position as soon as possible. Once their former position is filled, the applicant may be expected to spend some time assisting with the orientation of the new Member. Such requests will not be unreasonably denied by the applicant or their immediate supervisor.

12.6.9 In the event that a vacancy occurs within thirteen (13) weeks of the original vacancy posting date, the University may elect to reconsider the original applicants. Such applicants will be advised of the intention to re-open the selection process and will be given the opportunity to provide the Human Resources Department with updated information about their qualifications. The Human Resources Department will notify the Association in writing, no later than five (5) working days following the decision to re-fill the position, that the University has reopened the selection process.

12.7 Transfers/Promotions

12.7.1 No Member will be required to accept a transfer or promotion to a position outside of the Bargaining Unit without that Member's consent.

12.7.2 A Member who accepts a management position outside of the Bargaining Unit will cease to accrue seniority and will lose their status as a Member. If they return to a position in the Bargaining Unit within two (2) years from the date of such move, their seniority accrued at the time of leaving the Bargaining Unit will be restored.

12.7.3 A Member who accepts a non-management position outside of the Bargaining Unit will cease to accrue seniority and will lose their status as a Member. If they return to a position in the Bargaining Unit, their seniority accrued at the time of leaving the Bargaining Unit will be restored.

12.7.4 If an employee in a non-management position, who at the time of certification was excluded from the Bargaining Unit, gains a position within the Bargaining Unit, their seniority will be calculated based on their years of employment with the University up to the date of certification. These employees may apply for job postings under Article 12.5 (Application Process) and, for that purpose, they will be considered internal applicants under Article 12.3 (Position Posting).

12.7.5 In order to return to a position within the Bargaining Unit, any of the employees referred to in Articles 12.7.2 and 12.7.3 must apply for the position as an external candidate in accordance with Article 12.3 (Position Posting).

12.7.6 With the prior approval of their manager, which will not be unreasonably withheld, a Member in a Continuing or Recurring Position who accepts a Limited-Term Position, in accordance with Article 12.6 (Selection Process), will have the option to return to their previous position upon the completion of the Limited-Term Position.

12.7.7 For limited term positions of twelve (12) months or greater, the Member must return to their continuing position for no less than six (6) months prior to commencing another limited term position unless by mutual agreement between the Member and manager which will not be unreasonably denied.

12.7.8 Limited-Term Management Positions

12.7.8.1 A Member in a Continuing or Recurring position who accepts a limited-term management position may return to their primary position upon completion of the limited-term management position under the following conditions:

12.7.8.1.1 The Member receives approval from their manager prior to accepting the position, which will not be unreasonably withheld; and

12.7.8.1.2 If the management position is to replace someone on a Pregnancy, Parental and/or Adoption Leave, the length of the limited term-management position shall be no greater than the length of the Leave. Otherwise, the length of the limited-term management position shall be no greater than twelve (12) months.

12.7.8.2 It is understood that the University will post a Limited-Term Position whose end date coincides with that of the limited-term management position to replace the Member.

12.7.9 Limited-Term Non-Management Positions Outside of the Bargaining Unit

12.7.9.1 A Member in a Continuing or Recurring position who accepts a limited-term non-management position that is outside of the bargaining unit may return to their primary position upon completion of the limited-term non-management position under the following conditions:

12.7.9.1.1 The Member receives approval from their manager prior to accepting the position, which will not be unreasonably withheld; and

12.7.9.1.2 The length of the limited-term non-management position shall be no greater than twenty-four (24) months.

12.7.9.2 It is understood that the University will post a Limited-Term Position whose end date coincides with that of the limited-term non-management position to replace the Member.

12.8 Trial Period

12.8.1 The purpose of a Trial Period is to give the University an opportunity to assess the ability of the Member to perform the duties of the new position to reasonable expectations. The Member will receive appropriate job instruction during the Trial Period.

12.8.2 Throughout the Trial Period, training deemed necessary for the job requirements will be provided.

- 12.8.3** There will be a Trial Period of eight (8) weeks for positions up to and including grade level seven (7) and a trial period of twelve (12) weeks for grade levels eight (8) and higher. The Trial Period may be extended in the event the Member is absent from work for a period of five (5) days or more. The extension can be no greater than the number of days absent.
- 12.8.4** The supervisor will review the Member's progress and performance with the Member and, if requested by the Member, their Steward, no later than five (5) days prior to the expiration of the Trial Period.
- 12.8.5** If performance is satisfactory, the Human Resources Department will confirm the appointment in writing with the Member at the end of the Trial Period. If the Member's performance is deemed to be unsatisfactory, the Human Resources Department will notify the Member in writing of the reasons, with a copy to the Association. Where the Member's former position still exists, the Member will be returned to such position. Where the Member's former position no longer exists, the Member may exercise one of the following:
- (i) layoff with recall rights as set out in Article 16: (Recall Rights);
 - (ii) priority placement as set out in Article 14: (Priority Placement);
 - (iii) severance benefits as set out in Article 14.12 (Position Redundancy/Layoff).
- 12.8.6** In the event that the Member is returned to their former position in accordance with Article 12.8.5, all other affected Members will likewise return to their former positions.

12.9 General

- 12.9.1** A Member is not required to perform any duties of a personal nature not connected with the approved operations of the University.

ARTICLE 13: POSITION REDUNDANCY/ LAYOFF

- 13.1** The University may declare a position redundant, or reduce the hours of a position, when necessary to do so due to a lack of work, a reorganization of duties, or a reduction of services.
- 13.2** Two (2) days prior to a redundancy meeting, the University shall submit, in writing to the Association, the reason for the redundancy.
- 13.3** There will be no layoff from the Bargaining Unit until a reasonable attempt has been made by the University, in consultation with the Association, to make the necessary reductions in the work force through attrition. Members in the affected positions will be identified for the purposes of layoff in the inverse order of seniority.
- 13.4** The University shall not layoff any Member of the Bargaining Unit or declare redundant any Bargaining Unit position as a direct result of hiring students to perform bargaining

unit work. If a Member of the Association is laid off or their position is declared redundant, the University shall, upon request, provide the Association with a list of the names of the students employed in the department where the layoff or redundancy occurred and their date of hire.

- 13.5** Should any new position be created as part of a reorganization of duties in the same department or faculty as any position(s) that is to be declared redundant, the Members' notice period will not commence until the new positions have been created, evaluated, and are ready for posting. Affected members who appear to meet the required qualifications, skills, and ability, or appear to possess the equivalent education and experience shall be considered for the new position, in order of seniority, and will be subject to a Trial Period as per Article 12.8.
- 13.6** If, at the end of the Trial Period described in 13.5, the Member's progress is deemed unsatisfactory, the Member will begin their notice period and be eligible for vacant positions through Priority Placement.
- 13.7** A Member may be offered a full time position performing such work in the same department if:
- (i) The Member of the Association's position is declared redundant; and
 - (ii) The Member is unsuccessful in obtaining a position through Priority Placement; and
 - (iii) A student is (or students are) performing bargaining unit work in the same department in which the Member's position was declared redundant; and
 - (iv) It would be operationally feasible to cluster the work and the hours of the students in the department to create a full time position, for which the Member of the Association is qualified, which will be evaluated through JJEC; and
 - (v) The Member has the required qualifications, skills and ability.
- 13.8** Members in the affected position(s) who have successfully completed their probationary period will be issued a written notice of layoff, based on the following schedule:
- (i) one (1) year of service or less - four (4) weeks notice;
 - (ii) more than one (1) year of service - four (4) weeks notice plus one (1) additional week of notice for each year of service after one (1) year, to a maximum of forty (40) weeks.
- 13.9** In order to best serve the interests of the Members, the Parties agree that if layoffs are made, the President of the Association and the Chief Representative will be the last Members laid off provided that they have the skill, demonstrated ability and qualifications to perform the required work.

- 13.10** In the case where a period of notice is given, it will begin from the date on which the Member received written notice (with a copy to the Association). During the notice period, Members will be afforded reasonable time off to seek alternative employment, subject to the advance approval of the Member's manager. Such approval will not be unreasonably withheld. Members may be asked to continue to work during the notice period or the University may invoke the layoff and continue to pay the Members for the duration of the notice period if such work is not available. However, that Member still retains the rights pursuant to Article 14: (Priority Placement) and Article 15: (Displacement). If a Member is on vacation or away on sick leave, the notice will begin on the date notification was received by the Member by registered mail.
- 13.11** If a position's hours are changed, the Association will be notified and consulted on how to minimize the impact of this change. If a position's hours are changed by ten percent (10%) or more from those specified at the time of the Member's appointment to the position, the Member may accept the altered position or may exercise their right described in Article 13.14. If a position's hours are changed by less than ten percent (10%) from those specified at the time of the Member's appointment, the Member may accept the altered position or may exercise their rights described in Article 13.8 (Position Redundancy/Lay-Off) and Article 14: (Priority Placement), save and except displacement as in Article 14.9 (ii).
- 13.12** Notwithstanding Article 13.11, if a position's hours are changed such that entitlement(s) to benefits (Article 26:) and tuition assistance (Article 22.2) have changed, the position must be declared redundant and the new position posted (Article 12.3).
- 13.13** In the case where a position's hours are reduced, the hours of the Member in the same job class in the same department with the least seniority will be reduced.
- 13.14** Members who have been given notice of layoff will participate in Priority Placement (ARTICLE 14:).
- 13.15** Members on Priority Placement will meet with a representative of the Human Resources Department to discuss the Member's current skills and qualifications and to review any internal training opportunities and services that would facilitate the Member's success during the Priority Placement period.
- 13.16** Where the University is unable to provide work for Members because of a short-term disruption of work resulting from fire, lightning, power failure, or similar causes beyond its control, the University may lay off Members for no more than four (4) weeks and is not obliged to provide notice of layoff as set out in Article 13.4. Every effort will be made to minimize the effect of such layoff.
- 13.17** Where the University's normal operations are disrupted due to a work stoppage resulting from a labour dispute, layoffs may take place after four (4) weeks' notice or pay in lieu thereof. In these cases, the University will review its immediate staffing requirements and, where feasible and appropriate, implement alternative measures

prior to instituting such layoffs, including redeployment of Members, appropriate training and professional development, and special programs and projects. It is understood that layoffs could nevertheless follow the exhaustion of such measures.

- 13.18** Members who have been given a notice of layoff prior to beginning a Pregnancy, Parental, or Adoption Leave (Article 25.12) will suspend their notice period until the end of the leave, at which time the balance of the notice period will resume.
- 13.19** Members on Pregnancy, Parental, or Adoption Leaves (Article 25.12) will not receive a notice of layoff during the length of the leave. The notice period will be suspended until the Member returns to work at the expiration date of the leave.

ARTICLE 14: PRIORITY PLACEMENT

- 14.1** Members on Priority Placement will be notified simultaneously of any vacant positions at the same or lower classification level than the highest classification level of any positions formerly held by the Member for which the Member appears to have the required skills, ability, and qualifications. Such vacant positions will not be subject to the normal posting requirements as described in Article 12.3 (Position Posting) until all Members on Priority Placement have been considered. Such Members (in order of seniority) will meet with the Human Resources Department and the hiring manager in order to confirm the Member's required skills, ability, and qualifications. No other Members will be interviewed or considered for these positions until all those on Priority Placement have been considered. A Member will accept or decline the position within three (3) days of the offer. Members who refuse an offer will not lose their entitlement to other Priority Placements. If a Member cannot be reached within five (5) days of the initial attempted contact, then the Member's opportunity for that Priority Placement is lost.
- 14.2** For the purposes of Priority Placement, a position will not be considered vacant during the period beginning when any Member has been interviewed for the position and ending when all interviewed Members have declined any offers for the position. Neither will a position be considered vacant once an offer has been made to an external candidate. The position will again be considered vacant if said offer, either verbal or written, is declined.
- 14.3** If a Member on Priority Placement accepts a Limited-Term position, through Priority Placement or internal application, the Member's notice period will pause on the date the Member accepted the position and the number of days and/or weeks remaining will be re-activated prior to the end of the Limited-Term position. At no time will this notice period be less than four (4) weeks. At this time, the Member will be notified of vacant positions as per Article 14.1, until the end of their notice period. Two weeks prior to termination of the Limited-Term, the provisions of Article 14.9 will apply.
- 14.4** If there are two (2) or more vacant positions for which the Member has the required skills, ability and qualifications, the preference of the Member will prevail.

- 14.5** Members who accept placement under this Article will be subject to a Trial Period as per Article 12.8. During the Trial Period, training deemed necessary for the job requirements will be provided.

22.4.5 The ESO and Director, Talent and Organizational Development will co-chair the committee and meet at least once per academic term.

ARTICLE 23: HOURS OF WORK AND OVERTIME

23.1 Normal Hours of Work

23.1.1 The University's normal work period will be seven (7) hours per day, excluding a one (1) hour unpaid lunch period, and thirty-five (35) hours per week. For further clarity, a reduction in the one (1) hour unpaid lunch period cannot occur in order to shorten the work day. This provision does not constitute a guarantee of hours of work per day or hours per week. Existing employees in Printing Services immediately prior to the date of ratification by both parties shall have their hours of work grandparented for as long as they hold or have a right to their current position within the department.

23.2 Scheduling of Hours

23.2.1 The Parties agree that no single schedule of hours will accommodate the work requirements of all departments and that some flexibility is necessary for the operational efficiency of the University. Weekend work will only be made part of a Member's regular schedule if:

- (i) it is stated on the position posting at the time of hire; or
- (ii) there is mutual agreement between the University and the Association.

23.2.2 The University will make every effort to avoid split shifts but where necessary they will only be made part of the Member's schedule if:

- (i) it is stated on the position posting at the time of hire; or
- (ii) there is mutual agreement between the University and the Association.

23.2.3 It is agreed that any variation in hours be predictable enough so that the Member will have adequate notice of the varied hours in order to minimize the disruption to the Member's personal life. Where a Member's regular schedule or shift is to be changed by the University on a temporary basis and where the position posting stipulated that the shift changes would include weekend and/or evening work at the time of hire, the Member will be provided with one (1) month notice. The following provisions apply:

- (i) the Member will be paid a shift premium, as per Article 23.6; or
- (ii) overtime will apply to hours worked in excess of seven (7) per day or thirty-five (35) per week;

If the notice is not provided, the Member will not be required to work the altered shift. However, if the Member agrees to work outside their regular schedule, the Member will be compensated at the applicable overtime rate.

23.2.4 In the situation where the requirement for shift changes that would include weekend and/or evening work was not stipulated in the position posting at the time of hire, the Member will have the option to decline the shift change without reprimand.

23.2.5 Where a Member's regular schedule, shift, or hours of work per day or week are to be changed on a permanent basis:

- (i) notice of ongoing changes to a Member's regular schedule, shift or hours of work per day or week will be provided in writing to the Member and the Association three (3) months prior to the change;
- (ii) if the changes include evening and/or weekend work, the position will be subject to Request for Re-evaluation as per Article 17.10;
- (iii) where the changes involve the number of hours worked per day, per week, or per year, Article 13.11 (Position Redundancy/Layoff) will apply.

23.2.6 If changes to a Member's hours of work are not covered under Articles 23.2.3 or 23.2.4, overtime will apply to all hours worked outside the Member's regular schedule. The University cannot abruptly vary a Member's working schedule in order to accommodate a sudden or immediate need.

23.2.7 When scheduling work outside of the standard hours of work, seniority will be the determining factor.

23.2.8 If a Member is required to travel on approved University business for the day, their manager will attempt to incorporate the travel time into the Member's normal work schedule. If the Member's schedule, inclusive of travel time, exceeds their normal work schedule, overtime, as per Article 23.5.2, will apply.

23.3 Absence Reporting

23.3.1 Members who find it necessary to be absent from work will, or will have someone on their behalf, notify their manager and supervisor (if applicable), by phone or by email, in accordance with departmental practices, prior to the commencement of their work period or as soon as is reasonably possible.

23.3.2 Members may be disciplined if they are absent from work in excess of one (1) working day without notifying their immediate supervisor unless such lack of notice is reasonably justified.

23.4 Overtime

23.4.1 The University will avoid, through careful planning of work schedules, the necessity for Members to work overtime. However, the Parties agree that occasions may arise that require a reasonable amount of overtime for the efficient operation of the University. The University will endeavour to provide Members reasonable notice of the need to work overtime. While overtime is voluntary, Members are expected to co-operate.

23.4.2 Overtime is defined as any period of time worked by a Member in excess of the Member's normally scheduled work hours. Overtime must be authorized in advance by the Member's Manager:

- (i) in writing, or
- (ii) verbally by phone with follow up confirmation in writing or by email

23.5 Compensation for Overtime

23.5.1 Compensation may be taken in the form of either compensation in addition to regular compensation or as time off. However, the University's overtime compensation policy encourages Members to take time off in lieu of payment at a time that is mutually agreeable to the Member and the department. The Member's agreement to this must be obtained prior to the overtime being scheduled. Members will not be required to take time off during regular working hours to equalize any overtime worked. Once approved, overtime scheduled as time off in lieu cannot be revoked by the manager without the agreement of the Member.

23.5.2 Approved overtime will be compensated as follows:

- (i) time off in lieu of payment or payment at one and one-half (1 ½) times the Member's regular hourly rate for all hours worked in excess of thirty-five (35) hours per week or seven (7) hours per day. Existing employees in Printing Services immediately prior to the date of ratification by both parties will be compensated for overtime for all hours in excess of forty (40) hours per week or eight (8) hours per day and shall be grandparented for as long as they hold their current position within the department.
- (ii) time off in lieu of payment or payment at two (2) times the Member's regular hourly rate for all hours worked on a Sunday or Paid Holiday, except floating days.

23.5.3 Overtime will be offered to the Members in the following order:

- (i) if the work is already in progress, to the Member(s) already performing the work;

(ii) if declined under (i) or if it is work not yet assigned, it will be equitably offered to qualified Members under the direction of the immediate supervisor in order of seniority on a rotational basis;

(iii) if the work is still unassigned, then to qualified Members in the department in which the work originates.

23.5.4 The departmental record of overtime will be made available upon request.

23.5.5 Members shall record overtime on the WLUSA Supplemental Pay Form and submit the form to their manager in the pay period it is worked. The manager shall forward the completed form to Payroll prior to the next pay period.

23.5.6 When Members transfer to another position, all overtime accumulated prior to the transfer will be paid out. In exceptional circumstances, consideration will be made on a case by case basis

23.5.7 Members may carry-over a maximum of seventy (70) hours of accumulated overtime into the new budget year starting May 1 of each year. All overtime hours exceeding seventy (70) as of May 1, which are not used as paid time off during the period from May 1 to August 31 of each year, will be paid to the Member on the first pay in October.

23.6 Shift Premium

23.6.1 All regularly scheduled hours worked outside of 8:00 am to 8:00 pm will be paid a premium of an additional two and a half percent (2.5%) of the hourly rate, subject to the following conditions:

(i) if less than or equal to 50% of the shift is outside of 8:00 am to 8:00 pm, the shift premium will apply only to those hours;

(ii) if more than 50% of the shift falls outside of 8:00 am to 8:00 pm, the shift premium will apply to all hours worked.

23.6.2 Members shall record shift premiums on the WLUSA Supplemental Pay Form and submit the form to their manager in the pay period it is worked. The manager shall forward the completed form to Payroll prior to the next pay period.

23.7 Rest Periods

23.7.1 Members are allowed one fifteen (15) minute rest period for each three (3) hours worked, at times arranged with their immediate supervisor.

23.7.2 Work performed during rest periods will not be considered as work in excess of a Member's normally scheduled work hours and therefore will not be eligible for overtime compensation. These rest periods cannot be accumulated or banked and taken as paid time off except as provided for elsewhere in this Agreement.

23.8 Flexible Work Arrangements: Flextime and Compressed Work Week

23.8.1 The University recognizes the importance of helping Members balance their work and family responsibilities. Therefore, Members may work flexible hours (i.e. altering starting and stopping times) subject to the following conditions:

- (i) the Parties recognize that departments have an obligation to provide the highest level of service possible to the broader University community. Furthermore, the Parties recognize that the University has certain operational requirements that must be met, including having a sufficient number of staff available during the hours that a Member's department is open. Any request for flexible hours or compressed work week arrangement must consider these obligations and requirements and may be denied by the University if service or operational requirements is adversely affected;
- (ii) requests for flexible working arrangements must be made, through the completion of the appropriate *WLUSA Flexibility in Hours of Work* form, to the Member's manager at least three (3) weeks prior to the desired start date. Requests for flexible working arrangements shall not be unreasonably sought by a Member nor denied by the manager. When approved, a copy of the Member's new regular schedule, signed by the Member and the manager, will be sent to the Association.
- (iii) an agreement for a Member to work flexible hours shall not be considered to be an ongoing commitment. Agreements to work flexible time may be time limited or may be terminated by the Member or the manager. A Member's flexible work arrangement shall not be terminated by either the Member or the manager without reasonable prior consultation and notice to the Association. Such consultation will include the reasons for such termination;
- (iv) Shift Premiums (Article 23.6) will not apply to flexible working arrangements. For flextime arrangements, overtime will apply as per Article 23.5.2. For compressed work week arrangements, overtime will apply only to hours worked in excess of the Member's hours approved in Article 23.8.1(ii).
- (v) On an ad hoc basis, a flexible working arrangement that is requested by the Member and agreed to by the manager, including a reduction in the lunch period to no less than 30 minutes or working greater than 7 hours per day to a maximum of 35 hours/week, may be granted.

23.8.2 Flextime is an arrangement, initiated by Members and approved by managers, whereby Members can vary the scheduling of their working hours. Members on flextime will continue to work their normal work period of seven (7) hours per day and thirty-five (35) hours per week except for Members in Printing Services who will continue to work eight (8) hours per day and forty (40) hours per week.

23.8.3 A compressed work week is an arrangement initiated by Members and approved by managers, whereby Members can complete their weekly working hours in a period of

other than five (5) working days provided that the Members work their normally scheduled seventy (70) hours in a pay period, or eighty (80) hours for Members in Printing Services. Compressed work week arrangements are available for the period of May 1 - August 31 of each year. Consideration for compressed work week arrangements outside of the above periods may be approved.

23.9 Working from Home

23.9.1 Circumstances may arise in some departments where it may prove productive for the operation that a Member work from home. In these exceptional circumstances the manager will discuss the opportunity with the Member and, if mutually agreed upon, the Member will be permitted to work from home on a without prejudice or precedent basis.

23.9.2 Ongoing work from home arrangements are only permitted if outlined in the offer of employment.

23.9.3 Reasons to work from home may include, but are not limited to, the following:

23.9.3.1 The Member works in a cubicle space or an area with high traffic and working from home would allow for focus and productivity during peak periods or around tight projects timelines;

23.9.3.2 The Member has meaningful and time sensitive work that can be performed at home, but cannot reach the workplace due to inclement weather and the University is open;

23.9.3.3 The Member is required to travel to a different campus or to an off-campus location as part of their workday and that location is close to their home;

23.9.3.4 The Member holds a position which requires them to monitor and interact with the systems on a predictable basis, outside of normal work hours, and the Member has been provided with task appropriate devices to perform the work;

23.9.3.5 The Member has work that can be done outside of their normal working hours (i.e. overtime) that can be performed from a remote location;

23.9.4 Notwithstanding Article 23.9.3.5, Members are not eligible for additional compensation arising from this arrangement, unless provided for under the Collective Agreement.

23.9.5 The manager will supervise the work from home by tracking the success and completion of the deliverables and tasks which may be used to extend or cancel the arrangement.

23.9.6 Arrangements to work from home do not constitute a formal home office and as such, Members participating in ongoing arrangements will sign a waiver, copied to the Association, acknowledging that while working from home, the Member will not hold the University responsible for accidents or damages that occur.

23.9.7 Annually, the University shall provide a report, by department, on the number of Members that have a Work from Home arrangement.

23.10 On-Call

23.10.1 Members, as part of their regular duties and responsibilities, may be required by their immediate supervisor to be on-call.

23.10.2 While on-call, Members must be available to return to the work place within two (2) hours, if required, or otherwise be available to take remedial action.

23.10.3 Members will receive one (1) hour of compensation at their regular hourly rate for each evening they are on-call during the week (Monday through Thursday).

23.10.4 Members will receive two (2) hours of compensation at their regular hourly rate for each unit of the weekend they are on-call. For the purposes of this provision, the weekend is broken down into two units:

- (i) Friday after the close of the Member's workday until Saturday at 12:00 midnight and
- (ii) From 12:00 midnight on Saturday until the beginning of the Member's workday on Monday.

23.10.5 Members required to come into work while on-call will also be entitled to Call Back pay (Article 23.11).

23.10.6 Members may not be on-call during vacations or any other approved leave of absence.

23.11 Call Back

23.11.1 Call back is defined as an emergency when Members who have completed their normal work day and have left the University premises are required to return to work.

23.11.2 Members called back will be paid a minimum of four (4) hours at time and one-half (1½) times the Member's regular hourly rate or at the applicable overtime rate for the actual overtime worked, whichever is greater.

23.11.3 If a Member is required by their manager to log on, from their home or from a remote location to the University's computer system or to engage in a telephone conversation to conduct work will be paid a minimum of one (1) hour at time and one-half (1 ½) times the Member's regular hourly rate or at the applicable overtime rate for the actual overtime worked, whichever is greater.

ARTICLE 24: REDUCED WORK PROGRAM

24.1 Purpose

24.1.1 During a Member's working career, circumstances and conditions frequently change that might best be addressed by a revision in the Member's work arrangement with the

University. The objective of this policy is to facilitate such arrangements where modifications can be accommodated to the mutual satisfaction of both the Member and the University.

24.2 Eligibility

24.2.1 All Members in a full-time continuing position will be eligible to initiate this program.

24.3 Program

If their former position no longer exists, Article 13: (Position Redundancy/Layoff), Article 14: (Priority Placement), and Article 15: (Displacement) will apply.

25.16 Sick-Leave

25.16.1 The University recognizes that unavoidable absences may occur because of illness or accident and for this reason provides a sick-leave benefit that provides income protection during these situations.

25.16.2

- (i) Sick-leave means the period of time a Member is absent and unable to work because of illness, disability, or injury for which the Member is not receiving Workers' Safety and Insurance Board (WSIB) benefits, or any other compensation for loss of earnings.
- (ii) During an approved WSIB Lost Time Leave, the University will compensate a Member the difference between their regular salary and the amount received from the Workplace Safety and Insurance Act in accordance with the Wilfrid Laurier University Workplace Injury Accommodation Practice. This equivalent amount compensated shall be deducted from, and be limited to, the Member's sick leave credit balance.
- (iii) Members are also eligible to use their sick leave to a maximum of fifty (50) days per calendar year when prevented from attendance at work in order to attend a child, spouse, parent, or sibling who is sick and dependent upon the Member for health care. In exceptional circumstances, a manager may approve additional sick leave; such approval will not be unreasonably denied. The Member may be required to verify the basis for the absence by providing supporting documentation. If a physician's statement is requested, the University will reimburse the Member for up to \$30 per certificate.

25.16.3 All full-time Members will accumulate sick-leave credits as follows:

- (i) new Members will be credited with twenty (20) days after their first day of employment; and

- (ii) Members will be credited with an additional one and one half (1½) days for each month in which work was actually performed or in which the Member was absent on vacation, or a paid leave, except sick leave.

These credits will accumulate to a maximum of one hundred and five (105) working days.

25.16.4 All part-time Members will accumulate sick-leave credits as follows:

- (i) new Members will be credited with ten (10) days after their first day of employment; and
- (ii) Members will be credited with an additional day for each month in which work was actually performed or in which the Member was absent on vacation, or a paid leave, except sick-leave.

These credits will accumulate to a maximum of one hundred and five (105) working days.

25.16.5 For the purposes of this Article, one (1) day is defined as a period equal to the Member's normally scheduled daily work period.

25.16.6 During the first one hundred and twenty (120) consecutive calendar days of absence due to the Member being unable to perform their job due to illness, disability, injury or recuperation, Members will receive:

- (i) one hundred percent (100%) of their salary in effect at the time of absence for the period equal to the number of sick-leave credits accumulated at the time of absence; or
- (ii) For absences greater than five (5) consecutive working days and where no sick-leave credits are available, Members will be eligible to receive sixty-six and two-thirds percent (66 2/3%) of their current salary in effect at the time of absence where no sick-leave credits are available, subject to the completion of a Medical Certificate of Disability acceptable to the University in accordance with the Sick Leave and Disability Management Policy.

25.16.7 If an absence is due to the same illness or injury within 30 days of returning from the original absence, it will be classified as a continuation of the same absence and only the balance of the unused portion will apply. A Member will be required to provide the University with a Medical Certificate of Disability verifying the illness or injury, in accordance with the Sick Leave and Disability Management Policy. The University will reimburse the Member up to \$50 for the cost of the Medical Certificate of Disability, or another amount as determined by the University.

- 25.16.8** Should the absence extend beyond one hundred and twenty (120) consecutive calendar days, those Members enrolled in the University's Long-Term Disability Plan will apply for benefits under that plan. Members not enrolled in the University's Long-Term Disability Plan may make application for Employment Insurance benefits.
- 25.16.9** A Member's accumulated sick-leave credits will be reduced equal to the period of absence due to sickness or injury.
- 25.16.10** Benefits coverage and applicable premium payments by the Member and the University will continue during periods of paid sick-leave.
- 25.16.11** For the first thirty (30) calendar days of a sick leave without pay, the benefit coverage and premium payments by the University and the Member will not change. After the first thirty (30) calendar days, the Member will be required to make both the Member and University contributions toward the cost of the available benefits that the Member wishes to continue, and will advise the University in writing of their intention to do so. The University will continue to make employer contributions to the Pension Plan unless the Member has advised the University in writing that the Member does not wish to continue to make the Member contributions. The Human Resources department will consult with the Member regarding the ramifications of discontinuing contributions to the Pension Plan. While on leave, benefit levels will be based on the Member's reference salary, unless otherwise stated in this Article.
- 25.16.12** When an absence exceeds five (5) consecutive work days, the Member will be notified by Human Resources and will be required to have their physician complete and submit a Medical Certificate of Disability verifying the illness or injury, in accordance with the Sick Leave and Disability Management Policy.
- 25.16.13** Where there are frequent absences of a shorter duration, patterns of absences and/or absences suspect in nature, a Member may be required to have their physician complete and submit a Frequent / Patterned Absences Referral Form verifying the illness or injury, in accordance with the Sick Leave and Disability Management Policy.
- 25.16.14** The University will reimburse the Member up to \$50 for the cost of the Medical Certificate of Disability or the Frequent / Patterned Absences Referral Form or another amount as determined by the University.
- 25.16.15** Refusal to comply with these requirements may result in a denial of paid sick leave during the period of absence.
- 25.16.16** If, during their vacation period, a Member is hospitalized or suffers a medically documented incapacitating illness or injury in circumstances under which they would have been eligible for leave under this Article, they will be granted leave and their vacation pay credits will be restored to the extent of any concurrent leave granted.

25.16.17 WLUSA reserves the right to grieve the application of the Sick Leave and Disability Management Policy if such application adversely affects the compensation of the Member.

25.16.18 A Member shall have the right to Association representation at any meeting where the Member's attendance history is to be discussed.

25.16.19 Should the University request from the Member an independent medical examination, the University will make every reasonable effort to provide a list of three (3) medical practitioners of which the Member may select one (1). The University will reimburse the Member for costs associated with the independent medical opinion.

25.16.20 A Member shall have the right to Association representation during any accommodation or return to work meeting. The Association President will be provided with a copy of the accommodation or return to work plan for that Member.

25.16.21 Medical/Dental Appointments

25.16.21.1 The University and the Association recognize that every attempt will be made to arrange medical and dental appointments outside of normal working hours. However, it is realized that in certain situations it may not be possible to make appointments outside of working hours. If Members are unable to make appointments outside of normal working hours, such time is to be deducted from accumulated sick leave credits and will be calculated to the nearest one-half ($\frac{1}{2}$) hour.

25.16.21.2 If a Member has no sick-leave credits accumulated, the Member may:

- (i) with the approval of the manager, make up the time lost for the appointment through a flexible work arrangement;
- (ii) take a leave without compensation for the duration of the appointment; or
- (iii) have the time taken for the appointment deducted from available vacation credits or accumulated overtime.

25.17.2 Members shall accrue vacation in the following manner:

- (i) at the rate of one (1) working day per month for each of the first twelve (12) complete calendar months of continuous employment (up to twelve (12) working days per year); or

- (v) upon completion of twenty-four (24) years of continuous employment, 2.5 working days per month (six (6) weeks (thirty (30) working days) per year.

25.17.3 Vacation entitlement for Members who work less than or more than 1820 hours per year will be prorated in accordance with their regular work schedule, such that they will receive the equivalent percentage of vacation hours at their regular hourly rate of pay.

25.17.4 Accrued vacation credits will be added to the Member's vacation bank on the last day of each calendar month.

25.17.5 Members having temporary appointments/ positions will receive five percent (5%) vacation pay.

25.17.6 Members may take their vacation entitlement at their discretion, subject to the prior approval of their manager, and to the functional requirements of their department. Managers will approve vacation in a fair and equitable way, and will respond to vacation requests, in writing, in a timely manner. Once approved, vacation cannot be revoked by the manager without the agreement of the Member. Vacation may be taken prior to accrual, up to the Member's current annual entitlement.

25.17.7 Vacation entitlement will be used in the vacation year in which it is earned.

- (i) Members may carry over unused vacation into the next vacation period as follows:

25.17.10 A former Member who returns within one (1) year of termination will be credited with previous service for purposes of vacation entitlement.

25.17.11 If the Member transfers from one area to another after receiving approval for vacation, the Member will renegotiate the scheduling of the vacation with their new supervisor. Such requests will not be unreasonably denied.

 - (iii) effective July 1, 2022 - 1.00% increase
- 28.2.2** Members who are red-circled, i.e., who are above the maximum for their grade will receive a lump sum payment equal to the economic adjustment in Article 28.2.1. When the new maximum, following an economic adjustment in Article 28.2.1, equals or exceeds that of a red-circled Member, the Member's salary will be moved to the new maximum and the balance of the economic increase will be paid to the Member as a

lump sum. The University and the Member will make pension contributions on lump sum payments.

28.3 Progression Adjustments

28.3.1 All Members who have completed their probationary period and whose salary is below the maximum for their grade level will advance through the Salary Grid by way of annual progression increments until the highest step is attained.

28.3.2 The annual progression through the Salary Grid will occur on the anniversary date of the Member's hire, transfer, or promotion into their current Grade Level.

28.4 Promotions and Transfers

28.4.1 When a Member transfers or is appointed to another position at the same grade level, they will be paid at the same step in their new position and their anniversary date, as per Article 28.3.2, will not be adjusted.

28.4.2 In those situations where a Member is requested to temporarily take on all, or a significant part of the duties and responsibilities of a position of a higher grade level, the Member will receive acting pay, which is defined as a premium of five percent (5%) of their regular hourly rate or the minimum of the salary band for the work being performed, whichever is greater.

28.4.3 Upon return to their former position, the Member's salary will be reduced to the former level with any adjustments that would have taken place had the Member not accepted the temporary assignment.

28.4.4 To receive a promotional increase, a Member must have a definite change in job status under one of the following conditions:

- (i) the Member is transferred or appointed to a position at a higher grade level;
- (ii) the Member's position is reclassified to a higher grade level.

28.4.5 Promotional increases are awarded to recognize a change in a Member's responsibilities as defined in Article 28.4.4 above.

- (i) Members who are transferred or appointed to a position at a higher grade level will receive no less an increase in salary than the equivalent of one step increase at the previous grade level;
- (ii) Members whose positions are reclassified to a higher grade level will be placed in the new grade level at the same step they held in the previous grade level.

28.4.6 Transfers or appointments to a position at a lower grade level than the Member's may result in a reduction in salary when:

- (i) a Member requests such an appointment or transfer; or
- (ii) the transfer results from Article 14: (Priority Placement), Article 15: (Displacement), or Article 16: (Recall Rights).

The resulting salary will be at a step on the grid which is closest to, but lower than the Member's current salary.

28.4.7 Salary changes will take effect as of the date of the promotion or transfer.

28.5 Method of Payment

28.5.1 All Members will be remunerated on a bi-weekly basis by direct bank deposit. The Parties recognize that there may be circumstances beyond the control of the University that would result in bank deposits being delayed. The Association agrees not to grieve under these circumstances.

28.5.2 Payment of Salaries will be calculated as follows:

- (i) the bi-weekly salary will be calculated by multiplying the scheduled hours of work for the two weeks being paid by the Member's hourly rate of pay;
- (ii) the net bi-weekly salary will be the bi-weekly salary less applicable payroll deductions.

28.6 Travel Allowance

28.6.1 The reimbursement for travel will be made in accordance with the University's Expense Reimbursement Handbook.

28.7 Market Adjustment

28.7.1 In the event the University determines, at its discretion, that an anomalous market condition exists such that the University has experienced difficulty in recruitment and retaining employees with the skills required by a specific job class, it may provide a temporary market adjustment to the incumbents in that job class.

28.7.2 The value of the Market Adjustment will be based on relevant labour market information and will be paid as a flat amount, non-base stipend. The stipend is considered a supplementary payment and will not be included as part of the Member's salary. The Market Adjustment stipend amount will be increased with the regular Salary Adjustment defined in Article 28.2.1.

28.7.3 The University will provide the Association with documentation supporting the Market Adjustment, the Market Adjustment stipend amount, and the job class(es) to which the adjustment will apply prior to implementation.

28.7.4 The need for the Market Adjustment stipend will be reviewed annually. In the event that the market condition changes and the adjustment is no longer required to recruit and retain employees with the required skills for that job class, the University may discontinue the payment of the Market Adjustment stipend with three (3) months notice to the Association and to any Members receiving the adjustment.

ARTICLE 29: DISCIPLINE AND DISCHARGE

- 29.1** No Member will be disciplined, suspended, or discharged without just cause.
- 29.2** When the University deems it necessary to discipline or discharge a Member, a meeting shall occur. The Member shall be accompanied by an Association representative.
- 29.3** The University shall provide the Member written notice, including the reason for the action, as soon as is practicable, with a copy to the Chief Representative concurrently. In the absence of the Chief Representative the written notice will be given to the Association President within two (2) working days.
- 29.4** When the Chief Representative and/or the Association President is not at work or in cases involving serious insubordination, a threat to the safety of a person, or assault, a Member may be suspended pending further discipline without the Chief Representative and/or Association President being present, and the Chief Representative will be so notified. The University will render its final decision within five (5) working days of the suspension.
- 29.5** Where Human Resources is involved in an investigation that may lead to discipline of any Member, the Member has the right to Association representation in related meetings.
- 29.6** The University shall apply a progressive discipline system in disciplinary matters. However, if the alleged acts or behaviour are serious enough, progressive discipline may be disregarded and the misconduct may be subject to serious disciplinary measures, including dismissal, upon the first act of behaviour.
- 29.7** Any claim of unjust discipline or discharge will be submitted to the grievance and arbitration procedures (Article 30 (Grievance Procedure)) within ten (10) working days from the date of the discipline or discharge meeting.

ARTICLE 30: GRIEVANCE PROCEDURE

30.1 Grievance Committee

- 30.1.1** The Grievance Committee of the Association will comprise the President of the Association, the Chief Representative and the Steward representing the grievor(s).
- 30.1.2** The Grievance Committee members will obtain permission from their respective immediate supervisors before absenting themselves from their place of work in order to

discharge their duties under this Agreement. The University agrees that such a request for permission will not be unreasonably withheld. Authorized absence from work during normal working hours will be with no loss of compensation and benefits.

30.1.3 Beginning at Step 2 of the grievance procedure, the Association will have the right to the assistance and presence of a representative from a law firm or of a qualified consultant of the Association's choice.

30.2 Grievance Definition

30.2.1 A grievance will be defined as any dispute or disagreement arising out of the interpretation, application, administration, or alleged violation of the provisions of this Agreement. Any reference in any Article to the right to grieve by a Member or by the Association is solely for the purpose of emphasis. The absence in any Article to a right to grieve does not preclude a Member or the Association from filing or processing a grievance.

30.2.2 Types of Grievances are:

30.2.2.1 Individual Grievance: a grievance initiated by a single Member.

30.2.2.2 Association Grievance: a grievance involving a question of general application, administration, or interpretation of this Agreement.

30.2.2.3 Group Grievance: a grievance initiated by two (2) or more Members involving the same dispute against the University.

30.2.2.4 University Grievance: a grievance initiated by the University against the Association.

30.3 Technical Irregularities

30.3.1 No minor technical violation or irregularity in the grievance and arbitration procedures will prevent the substance of a grievance being heard and judged on its merits, nor will it affect the jurisdiction of the arbitrator.

30.4 Grievance Procedure

30.4.1 It is the mutual desire of the University and the Association that all complaints and grievances shall be settled as quickly as possible in a fair and equitable manner. Except for matters arising under Article 19, the grievor shall, within twenty (20) days of the date on which the events giving rise to the grievance, or within twenty (20) days of the date upon which the grievor knew of the events giving rise to the grievance, whichever is later, submit the formal grievance to the appropriate manager.

30.4.2 The Member may initiate the Grievance Procedure at either the Pre-Grievance Step or at Step 1.

30.4.3 When the University representative identified in two or more successive steps is the same, the grievance will be referred to the next step.

30.4.4 Pre-Grievance Step

30.4.4.1 When a Member has a complaint, they will consult a member of the Grievance Committee who will arrange a meeting with the Member's immediate supervisor to find ways to resolve the complaint. Unless the Parties expressly agree otherwise, exchanges of information and offers of settlement during the Pre-Grievance Step shall be kept confidential by the participants and shall be deemed to have been made without prejudice, and as such in any subsequent proceedings related to that complaint information shall be presented de novo.

30.4.4.2 If the complaint is resolved at this step, the agreed resolution shall be put in writing and countersigned by the Member and the immediate supervisor.

30.4.4.3 If there is not satisfactory resolution at this step, the Member may file a Grievance at Step 2.

30.4.5 Step 1

30.4.5.1 When a Member wishes to file a grievance, they will consult a member of the Grievance Committee, and they will give the written grievance signed by both of them to the Member's Dean, Department Head or University Librarian with a copy to the Member's Manager.

30.4.5.2 The grievance will set out the nature of the grievance, the clause(s) of the Agreement upon which the grievance is based, and the remedy sought.

30.4.5.3 The Dean, Department Head, or University Librarian will answer the grievance in writing as soon as possible but not later than five (5) working days following receipt of the written grievance.

30.4.5.4 If the decision of the Dean, Department Head, or University Librarian is not satisfactory to the grievor, the grievor may, within five (5) working days following receipt of the decision of the Dean, Department Head, or University Librarian, but not thereafter, proceed to Step 2.

30.4.6 Step 2

30.4.6.1 Individual grievances not resolved at Step 1, Association Grievances and Group Grievances may be submitted in writing to the Director, Faculty and Staff Relations.

30.4.6.2 The Director, Faculty and Staff Relations, or designate, shall, within five (5) days following the receipt of the grievance, arrange a meeting with the grievor and the Grievance Committee to discuss the merits of the grievance.

30.4.6.3 The Director, Faculty and Staff Relations, or designate, shall render a decision in writing within ten (10) days following the meeting.

30.4.7 Step 3

30.4.7.1 Failing settlement at Step 2, the grievance may be referred to arbitration within fourteen (14) calendar days following receipt of the decision of the Director, Faculty and Staff Relations, but not thereafter.

30.5 Initiation of Grievances

30.5.1 Individual grievances will be initiated at Step 1. Association/Group or University grievances will be initiated at Step 2.

30.5.2 Notwithstanding Article 30.5.1, any grievance involving suspension or discharge, or matters arising out of Article 12: (Appointments of Members), Article 13: (Position Redundancy/Layoff), Article 14: (Priority Placement), Article 15: (Displacement) or Article 16: (Recall Rights), will commence at Step 2 of the Grievance Procedure.

30.6 Time Limits

30.6.1 In the event that a Party fails to reply in writing within the time limits prescribed in Article 30.4 (Grievance Procedure), the other Party may submit the matter to the next step as if a negative reply or denial had been received on the last day for the forwarding of such reply. When no action is taken to submit the matter to the next step within the time limits set out in this Article, the grievance will be deemed to have been withdrawn or settled, as the case may be.

30.6.2 The Parties may agree to extend any time limits specified in either the grievance or arbitration procedures. In addition, the arbitrator may extend the time for the taking of any step in the grievance procedure under the Agreement, notwithstanding the expiration of such time, where the arbitrator is satisfied that there are reasonable grounds for the extension and that the opposite Party will not be substantially prejudiced by the extension.

30.6.3 In the event that no action has been taken related to the grievance for a period of twenty-four (24) months, the grievance will be deemed to be abandoned and no further action may be taken by either party, related to the grievance.

30.7 Arbitration

30.7.1 When either Party requests that a grievance be submitted to arbitration, including whether the matter is arbitrable or not, it will make such a request in writing to the other Party. The request shall set out the issues to be arbitrated.

30.7.2 No person will be selected as an Arbitrator who:

- (i) has been involved in an attempt to negotiate or settle the grievance;

- (ii) has a conflict of interest in the matters in dispute; or
- (iii) has any pecuniary interest in the matter in dispute.

30.7.3 The Parties agree that the following persons will be asked to serve as a single arbitrator, on a random basis:

Larry Steinberg
Louisa Davie
Russell Goodfellow
Norm Jesin
Paula Knopf
Bill Marcotte
Kathleen O'Neil
Stephen Raymond
Susan Stewart
Laura Trachuk
Robert Herman
Ian Anderson

30.7.4 Arbitrators shall be picked from the list at random for each grievance that proceeds to arbitration.

30.7.5 Should an arbitrator not be available to arbitrate within ninety (90) calendar days of being asked, both Parties may agree to select another arbitrator from the list or mutually agree to an arbitrator not on the list.

30.7.6 Once during each year of this Agreement, each Party may veto the name that is randomly selected at the time of selection. A vetoed arbitrator's name will be removed from the draw for that arbitration. When a veto is used, both Parties may agree to select another arbitrator from the list or mutually agree to an arbitrator not on the list.

30.7.7 Both Parties may agree at any point during the arbitrator selection process to select an arbitrator that is not on the list provided in Article 30.7.3. If the Parties cannot agree within thirty (30) days of attempting to select an arbitrator that is not on the list, then an arbitrator must be selected from the list.

30.7.8 For subsequent arbitrations, all names will be used again in the random selection.

30.7.9 The Parties will use their best efforts to make themselves available for any date offered by the arbitrator.

30.7.10 The arbitrator shall not have jurisdiction to alter or change the terms and conditions of this Agreement nor to enlarge on the relief sought in the grievance and shall limit their decision to the issues outlined in the matter in dispute. Otherwise, the arbitrator has all the duties and powers of an arbitration board as stated in the Ontario Labour Relations Act, 1995, and as amended from time to time.

30.7.11 Each of the Parties hereto will bear the costs related to the presentation of its own case and share equally the fees and expenses of the arbitrator, including the costs of the hearing room. The Parties agree to use University facilities wherever possible.

30.7.12 Grievance Mediation

30.7.12.1 At any point after an arbitration date has been set, the Parties, by mutual consent in writing, may elect to attempt to resolve the grievance by using grievance mediation. The Parties shall agree on the mediator and a time frame for the process. The arbitration date shall not be postponed or cancelled in lieu of grievance mediation.

30.7.12.2 The mediator shall work to find a suitable resolution for the Parties, but shall not have the right to impose any terms and conditions, proposed or otherwise.

30.7.12.3 Any offers of settlement made during grievance mediation shall be kept confidential and shall be deemed to have been made without prejudice and, as such, shall not be referenced in any subsequent proceedings, including arbitration.

30.7.12.4 Should the parties agree on a resolution, such resolution will be put forth in writing and signed by both Parties. Once signed, the resolution shall be binding on the Parties and the grievance shall be deemed resolved.

30.7.12.5 The Mediator's costs will be jointly shared by the Parties.

ARTICLE 31: UNIVERSITY GOVERNANCE

31.1 Board of Governors and Senate

31.1.1 The Association acknowledges the rights, powers, and responsibilities of the Board as established by statute and by-law, except as such rights, powers, and responsibilities may have been specifically abridged, delegated, or modified by the Certification Order or this Agreement. The Board will exercise those rights, powers, and responsibilities in a manner which is fair, reasonable, and consistent with the provisions of this Agreement.

31.1.2 The Association will have a designated position on the Pension Committee of the Board of Governors.

31.2 Collegiality

31.2.1 The University acknowledges the rights and responsibilities of Members to participate in the formulation and/or recommendation of policies and procedures within the University through duly constituted collegial bodies and committees.

31.2.2 The University agrees that there will be no decrease in staff representation on search committees from what was outlined in Article 11.2.5 of the Wilfrid Laurier University Faculty Association Collective Agreement expiring 30 June, 2005.

- 31.2.3** Should the University strike a search committee for a department head not referred to in Article 31.2.2, the staff who report to that department head will select their representative(s) to the search committee by majority vote.

ARTICLE 32: AMALGAMATION, CONSOLIDATION OR MERGER OF THE UNIVERSITY

- 32.1** In the event of an amalgamation, consolidation, or merger of the University or any of its constituent units or subunits with any other institution(s), the provision of Section 69 of the Ontario Labour Relations Act, as amended from time to time, will apply.
- 32.2** When plans for such amalgamation, consolidation or merger are submitted to Senate, or to the Board, or to any committee of the Senate or Board, the University will consult with the Association, providing full disclosure of such plans, if such plans affect the terms and conditions of employment of Members.
- 32.3** Article 13: (Position Redundancy/Layoff), Article 14: (Priority Placement), Article 15: (Displacement) and Article 16: (Recall Rights) will apply to any redundancies occurring as a consequence of any amalgamation, consolidation, or merger.

ARTICLE 33: TERM OF AGREEMENT

- 33.1** This Agreement will be binding on both Parties and will come into effect upon ratification by the Parties hereto, and will remain in force until June 30, 2023.
- 33.2** Should any Article of this Agreement be determined to be illegal by any judicial or legislative action, the remaining Articles will continue to be operative and binding upon both Parties.
- 33.3** This Agreement will automatically renew itself for periods of one (1) year unless either Party notifies the other in writing within the period of ninety (90) calendar days prior to any expiry date that it desires to bargain with a view to the renewal, with or without modifications, of this Agreement.
- 33.4** In the event of notice being given in accordance with Article 33.3, the negotiations will commence within twenty (20) days following receipt of such notification and thereafter both Parties will negotiate in good faith.

APPENDIX A: CERTIFICATE OF THE ONTARIO LABOUR RELATIONS BOARD

The Labour Relations Act Before the Ontario Labour Relations Board

Between:

Wilfred Laurier University Staff Association,

Applicant,

- and -

Wilfrid Laurier University,

Responding Party.

Certificate

Upon the application of the applicant and in accordance with the provisions of the Labour Relations Act, THIS BOARD DOETH CERTIFY Wilfred Laurier University Staff Association as the bargaining agent of all office, clerical and technical employees of Wilfrid Laurier University in the Regional Municipality of Waterloo and the City of Barrie, save and except managers, persons above the rank of manager, security guards, persons employed by Wilfrid Laurier University Student Union, persons employed by Waterloo Lutheran Seminary, persons employed in a confidential capacity in matters relating to labour relations and persons in bargaining units for which any trade union held bargaining rights as of September 27, 1995.

This certificate is to be read subject to the terms of the Board's decision(s) in this matter and, accordingly, the bargaining unit described herein is to be read subject to any qualifications referred to in the said decision(s) of the Board.

DATED at Toronto this 30th day of October, 1995.

ONTARIO LABOUR RELATIONS BOARD

Registrar

ONTARIO LABOUR RELATIONS BOARD

**2465-95-R Wilfred Laurier University Staff Association,
Applicant v. Wilfrid Laurier University and Waterloo Lutheran
Seminary, Responding Parties.**

BEFORE: S. Liang, Vice-Chair.

APPEARANCES: Brian Switzman, M. I. Rotman, Trudy Trudel and Kathleen Woodcock for the applicant; Clarke Melville, Michelle Pottruff, Richard Crossman and Claire Forster for the responding parties.

DECISION OF THE BOARD; October 30, 1995

1. The Waterloo Lutheran Seminary is added as a responding party to these proceedings.
2. This is an application for certification. Prior to the hearing, most of the issues had been resolved by the parties through a Labour Relations Officer. The parties appeared before the Board to deal with issues raised by the applicant concerning the inclusion of four persons in the bargaining unit, or alternatively, the application of section 1(4) of the Labour Relations Act to the question of the identity of the employer.
3. The applicant took the position initially, which was disputed by the responding parties, that Patricia Porterfield, Bette Smith, Dorothy Godden and Joan Rae are employed by Wilfrid Laurier University and not the Waterloo Lutheran Seminary. Alternatively, if the Board determined that they are employed by the Waterloo Lutheran Seminary, the applicant sought a declaration that the University and Seminary are one employer for the purposes of the Act.
4. The applicant and the responding party have now agreed to the withdrawal of these issues, on terms as set out in correspondence from the parties to the Board dated October 30, 1995.
5. In light of this, the application as it relates to the Waterloo Lutheran Seminary is withdrawn by leave of the Board. Further, the Board finds that the four persons named above are not employees in the bargaining unit.
6. The applicant has never proven its status before the Board as a trade union within the meaning of the Act. It has filed its Constitution, By-laws and Minutes of its

founding meetings, all of which has been provided to the University. The University and the applicant have consented to the Board determining the question of the applicant's status on the basis of these documents. Having reviewed the material before it, the Board is satisfied that the applicant has demonstrated that it is a trade union within the meaning of section 1(1) of the Act.

7. Having regard to the agreement of the parties, the Board further finds that all office, clerical and technical employees of Wilfrid Laurier University in the Regional Municipality of Waterloo and the City of Barrie, save and except managers, persons above the rank of manager, security guards, persons employed by Wilfrid Laurier University Student Union, persons employed by Waterloo Lutheran Seminary, persons employed in a confidential capacity in matters relating to labour relations and persons in bargaining units for which any trade union held bargaining rights as of September 27, 1995, constitute a unit of employees of Wilfrid Laurier University appropriate for collective bargaining.

8. For the purpose of clarity, the Board notes that:

- (i) the term "technical employee" includes but is not limited to persons in non-managerial professional positions including counselling, nursing and scientific, etc.;
- (ii) the term "manager" does not include those positions which exercise managerial functions over persons who are not in the agreed to bargaining unit unless those positions also exercise managerial functions over the agreed to bargaining unit;
- (iii) all persons registered as graduate and undergraduate students engaged on a casual basis are excluded from the agreed to unit;
- (iv) persons working at and for the Waterloo Lutheran Seminary are not employees of Wilfrid Laurier University and Wilfrid Laurier University and Waterloo Lutheran Seminary do not constitute one employer for the purposes of the Labour Relations Act.

9. The Board is satisfied, on the basis of all the evidence before it, that more than fifty-five per cent of the employees of the responding party in the bargaining unit on September 27, 1995, the certification application date, had applied to become members of the applicant on or before that date.

10. A certificate will issue to the applicant.

All hours worked in excess of 35 hours per week will be considered as overtime and will be recorded on the University's Supplementary Pay Form at the applicable overtime rate.

Therefore, during periods of out of province travel:

- All time spent on work-related travel and in fulfillment of work related duties will be considered compensable. Time where the Member is free to engage in their own personal affairs or pursuits (i.e. while at a hotel) will not be considered work and therefore will not be considered compensable work.
- All approved hours worked between 35 to 44 hours per week will be compensated at straight time to be taken as time off in lieu.
- All approved hours worked in excess of 44 hours per week will be considered as overtime, to be taken as time off in lieu.
- All hours worked in excess of 35 hours per week will be recorded on the University's Supplementary Pay Form
- Shift Premiums (Article 23.6) will not apply.

The Member will be responsible for tracking all hours worked. The Manager will meet with the Member regularly to review the hours worked and to set up a schedule where the banked overtime will be used.

Senior Recruiter and Domestic Recruiter positions may be hired and/or renewed as limited term positions for a period of up to thirty-six months in length without consultation of the Association.

Senior Recruiter and Domestic Recruiter positions will not be subject to the internal posting provisions outlined in Article 12 and will not be eligible for priority placement or displacement by other members or have access to priority placement or be eligible to displace other members of the bargaining unit.

Senior Recruiters and Domestic Recruiters may not apply for the Reduced Workload Program.

Domestic Recruiters will be limited term positions of less than 12 months, and will be paid 4% vacation pay on each pay, in lieu of accruing vacation time.

All hours worked in excess of 35 hours per week will be considered as overtime and will be recorded on the University's Supplementary Pay Form at the applicable overtime rate. Shift Premiums (Article 23.6) will not apply.

The Member will be responsible for tracking all hours worked. The Manager will meet with the Member regularly to review the hours worked and to set up a schedule where the banked overtime will be used.

Assistant Coaches and Athletic Therapists

For the period of September 1 - April 30, Assistant Coaches and Athletic Therapists hired in the Athletics department shall not accrue overtime until their hours of work exceed thirty-five (35) hours per week. All hours worked in excess of 35 hours per week will be considered as overtime and will be recorded on the University's Supplementary Pay Form as time off in lieu at the applicable overtime rate. Time worked on Sunday will not demand a premium rate other than overtime.

On or around May 1, the manager will meet individually with each Assistant Coach and Athletic Therapist to set up a schedule for the period of May 1 – August 31 where the banked overtime will be used. Any remaining overtime banked after August 31 will be paid at the first pay in October.

Provisions for On Call (Article 23.9) and Call Back (Article 23.10) shall not apply. However, if an Assistant Coach or Athletic Therapist is required to return to work while off duty, they will be credited for all hours actually worked.

For the period of May 1 – August 31, overtime will be compensated as per the Collective Agreement.

Residence Life Area Coordinators (RLAC)

RLACs may be hired and/or renewed as Limited-Term positions for a period of up to thirty-six (36) months in length without consultation from the Association. The positions will not be required to go through the normal posting provisions.

For the period of August 15 - April 30, all approved hours worked between 35 to 44 hours per week will be compensated at straight time to be taken as time off in lieu. All approved hours worked in excess of 44 hours per week will be considered as overtime, to be taken as time off in lieu. All hours worked in excess of 35 hours per week will be recorded on the University's Supplementary Pay Form as time off in lieu. Time worked on Sunday will not demand a premium rate other than overtime.

On or around May 1, the manager will meet individually with each RLAC to set up a schedule for the period of May 1 – August 14 where the banked overtime will be used. Any remaining overtime banked after August 14 will be paid at the first pay in October, or at the end of their Limited-Term position, whichever comes first.

For the period of May 1 – August 14, overtime will be compensated as per the Collective Agreement.

The University acknowledges that the first priority should the Plan return to a fully funded position would be to bring the member contributions and the University contributions to the money purchase accounts back to one to one, either through an increase to the University contributions to the money purchase accounts or a reduction to the member contributions or a combination thereof. Further, in any plan year, if the combination of the University contributions to the money purchase accounts and the University contributions in respect of the minimum guarantee pension for active members, which shall include both current service cost and special payments, is less than the member contributions to the money purchase accounts then the University's combined contributions in that plan year shall be made equal to the member contributions, either by increasing the University contributions to the money purchase accounts or decreasing the member contributions, or a combination thereof, at the discretion of the University.

In the event that the Plan returns to a fully funded position, the University shall not withdraw any funds from the Plan without consultation with the members of the Plan.

In the event surplus in the Plan exceeds the level at which contribution holidays are permitted under the Pension Benefits Act and its regulations, the University will meet with the Association to discuss a surplus management plan.

WHEREAS the tabled 2017 federal budget includes proposed changes which will provide parents with the option to extend parental leave for up to 61 weeks (existing period is 35 weeks) with a reduced amount of Employment Insurance Benefits (a maximum Employment Insurance Benefit rate of 33% spread over the extended leave period as opposed to the current maximum Employment Insurance Benefit rate of 55% of average weekly earnings).

AND WHEREAS the waiting period before EI Benefits are payable decreased from two (2) weeks to one (1) week.

AND WHEREAS the University provides supplementary benefits for pregnancy and parental leave as follows:

- 100% of the Member's reference salary for the first two (2) weeks;
- For a maximum of 15 additional weeks the Member will receive the difference between the Employment Insurance benefits received and 95% of their full reference salary (for Pregnancy Leave);
